facilities, and to the provisions of all documents executed in connection with any such bonds, including without limitation, any pledge, transfer, hypothecation, or assignment made at any time by County to secure any of those bonds.

2.6 **Right of Flight.** County reserves for itself, its successors, and assigns, for the use and benefit of the public, at any and all times, a right of flight for the passage of aircraft in the airspace above the Premises, together with the right to cause in such airspace such noise and other intrusions as may be inherent in the operations of aircraft, now known or hereafter used, for navigation of or flight in that airspace, and for use of said airspace for landing on, taking off from, and operating at the Airport.

County will restore any Improvements Lessee has made, at County's cost, if the Improvements are materially damaged by any utilities installation made by County, and County shall take reasonable steps to insure that any such installation is performed in the least disruptive manner to Lessee's operations.

2.10 **Condition and Use of the Premises.** County makes no representations or warranties whatsoever as to: (a) the condition of the Premises; or (b) whether the Premises, or any part thereof, are in compliance with Applicable Laws; or (c) whether any Materials exist on or under the Premises or in the Improvements in violation of Applicable Laws; or (d) any permitted or available use of the Premises. County makes no representations or warranties regarding the legality, permissibility, suitability, or availability of any use of the Premises that may be contemplated by Lessee. County makes no representations or warranties concerning habitability or fitness for any particular purpose. Lessee specifically obligates itself to conduct its own due diligence investigation as to the Premises and the suitability thereof for Lessee's purposes. The Premises, and all components thereof, are leased in "AS IS CONDITION" and "WITH ALL FAULTS." Lessee acknowledges that it is leasing the Premises subject to the noises and sounds and impacts to persons and property that are customarily contained or emanate from an airport. Lessee represents, acknowledges, and agrees that Lessee has had sufficient opportunity to inspect the Premises, and all components thereof, and hereby accepts the Premises, and all components thereof, in "AS IS CONDITION" and "WITH ALL FAULTS." Lessee hereby assumes all risk of
noncompliance of the Premises, or any part thereof, with Applicable Laws. Upon receipt of any notice of noncompliance with any Applicable Laws, Lessee hereby agrees to make all repairs, alterations, and additions to the Premises and to take all corrective measures as may be necessary to bring the Premises into compliance with Applicable Laws. Lessee shall not be entitled to any abatement or adjustment of rent or any other payments based on the condition of the Premises, the failure of any component part(s) to be in working order, the necessity of Lessee to repair or take corrective actions with respect to any part thereof, the inability to obtain, or any delay in obtaining, any development approvals from any governmental body having jurisdiction, including, but not limited to, County.

Lessee hereby releases County from any and all claims, demands, damages, and liabilities whatsoever on account of the condition of the Premises, or any failure of any of the component parts to be in working order, or the necessity of Lessee to repair or take corrective actions with respect to any part thereof, or the necessity to obtain any development approvals from any governmental body, including, without limitation, County.

In the event of any conflict between these provisions and any other provisions of this Agreement, the provisions of this Section 2.10 shall control. Notwithstanding anything herein to the contrary, this Section 2.10 is not intended to address or apply to the release of any Materials at the Premises. In the event of any such release, the provisions of Article 29 shall apply.

2.11 **Federal Aviation Act, Section 308.** Nothing contained in this Agreement shall be deemed to grant to Lessee any exclusive right or privilege within the meaning of Section 308 of the Federal Aviation Act, as codified in 49 USC § 40103, et seq., for the conduct of any activity on the Airport, except that, subject to the terms and conditions hereof, Lessee shall have the right to possess the Premises under this Agreement. The rights granted under this Agreement are nonexclusive and County reserves the right to grant similar privileges to another lessee or other lessees on other parts of the Airport.

**ARTICLE 3.**

**TERM**

**Term.** The Term of this Agreement shall commence on the Effective Date and shall end on the last day of the thirtieth (30th) Lease Year, unless terminated earlier as provided in this Agreement (the "Termination Date").

**ARTICLE 4.**

**RENT, FEES AND OTHER CHARGES**

4.1 **Annual Rental.**

(a) The rent payable by Lessee to County for the first Lease Year shall be One Hundred Seventy-Five Thousand Seven Hundred and Seventeen and 14/100 Dollars ($175,717.14), plus applicable sales taxes thereon. Each monthly installment of rent during the first Lease Year shall be Fourteen Thousand Six Hundred and Forty-Three and 10/100 Dollars
($14,643.10), plus applicable sales taxes. The annual rental is based upon the Full Market Rent, as defined in Section 4.4, as of the Effective Date of this Agreement. Commencing with the first monthly installment payment and continuing for each monthly installment payment thereafter through the end of the first Lease Year, Lessee shall receive a rental credit to offset interruptions to the existing flight school operations during the construction set forth in Article 6 in the amount of Three Hundred Twenty-Nine and 70/100 Dollars ($329.70) per month, for a total credit of Three Thousand Nine Hundred and Fifty-Six and 40/100 Dollars ($3,956.40). The rental credit shall cease on the last monthly installment of the first Lease Year.

(b) Rent shall be due and payable, without billing, set-off, or deduction, commencing on the Effective Date and continuing on the first day of each calendar month after the Effective Date. In the event that the Effective Date is other than the first day of the month, rent shall be payable on the first day of the following month and shall include a prorated amount for the number of Days from the Effective Date to the end of that month. Should the first day of any month fall on a weekend day or County holiday, the applicable monthly installment of rent shall be due and payable on the last County business day of the previous month.

4.2 Annual Increases in Rent. On the first day of the second (2nd) Lease Year and on the first day of each Lease Year thereafter (each such date being referred to as an "Adjustment Date"), County shall adjust the rent in accordance with the percentage rent adjustment provisions of Section 4.3, or in accordance with the appraisal process described in Sections 4.4 through 4.10. The adjusted rent, together with applicable sales taxes thereon, will be the new rent for that Lease Year.

4.3 Percentage Rent Adjustment. On each Adjustment Date (except the first day of the eleventh (11th) Lease Year and the first day of the twenty-first (21st) Lease Year, which are adjusted pursuant to Sections 4.4 through 4.10), the rent shall be increased to an amount equal to the greater of: (a) the product of the rent for the immediately preceding Lease Year multiplied by the "CPI Multiplier" (as hereinafter defined); or (b) the product of the rent established for the immediately preceding Lease Year multiplied by 1.03. The product of that multiplication will be the amount of the rent payable during that Lease Year, subject to any adjustment pursuant to Section 6.18, Section 6.19, and Article 13. Upon determining the rent adjustment, the Aviation Department shall advise Lessee of the new rent and the monthly installment amount of rent. In no event will any adjusted rent established under this Section 4.3 be less than the total rent due during the immediate prior Lease Year.

(a) The "CPI Multiplier" is a fraction, the numerator of which is the "CPI Index Number" (as hereinafter defined) indicated for the month that is three (3) months prior to the Adjustment Date and the denominator of which is the CPI Index Number indicated for the month that is fifteen (15) months prior to the Adjustment Date.

(b) The "CPI Index Number" is the index number of retail commodity prices designated "CONSUMER PRICE INDEX FOR ALL URBAN CONSUMERS-UNITED STATES CITY
AVERAGE - ALL ITEMS" (1982-1984=100) ("Consumer Price Index") issued by the Bureau of Labor Statistics, United States Department of Labor. The rent and the adjustment made based upon the provisions of this section shall be made solely by County. Any publication by either the United States Department of Labor or the United States Department of Commerce in which such CPI Index Numbers are published is admissible in evidence in any legal or judicial proceeding involving this Agreement without further proof of authenticity. Should the Bureau of Labor Statistics cease publishing the above-described index, then such other index as may be published by the United States Department of Labor that most nearly approximates the discontinued index shall be used in making the adjustments described above. Should the United States Department of Labor discontinue publication of an index approximating the index contemplated, then such index as may be published by another United States governmental agency that most nearly approximates the index first above referenced shall govern and be substituted as the index to be used.

4.4 Rent Adjustment Based on Appraisal. On the first day of the eleventh (11th) Lease Year and on the first day of the twenty-first (21st) Lease Year, the rent shall be adjusted (up or down) to an amount equal to the "Full Market Rent," which shall be established as provided in this section, with the exception of the rent for the classroom building to be constructed pursuant to the Phase 2 Improvements, which rent shall be adjusted based upon the appraisals and charged to Lessee only on the value of the Land MR and not the Improvements MR, as both are defined below, to permit the Lessee to amortize the construction costs of the new classroom building. Upon determining the adjusted rents, the Aviation Department shall advise Lessee of the new rental amount and the new monthly installment.

(a) Full Market Rent will be determined based on the Full Market Rent of the entire Premises, considering the current use at the time of the appraisal and considering the existing rent rates for comparable properties within comparable Florida airports with comparable uses taking into consideration the restrictions of this Agreement.

(b) Full Market Rent is equal to the total of the "Land MR," the "Pavement MR," and the "Improvements MR" (as such terms are hereinafter defined).

(c) The "Land MR" shall be determined based upon the market rent of the leased fee, without any value being attributed for any pavement or any other Improvements thereon.

(d) The "Pavement MR" shall be determined based upon the market rent of all pavements at the leased fee, without any value being attributed for any other Improvements located on the pavement.

(e) The "Improvements MR" shall be determined based upon the market rent of all Improvements that exist on the Premises at the time of the appraisal (excluding the pavements).
4.5 Appraiser and Appraisal Report Standards. Any appraiser retained by any of the Parties to prepare an appraisal under this Article 4 must be an MAI Appraiser or a State of Florida Certified General Appraiser (or a member of a professional group of similar stature, that has been approved by the Aviation Department), having an office in Broward, Miami-Dade, or Palm Beach counties. Each appraisal report obtained by County or Lessee will follow the Summary Appraisal format, the content of which will conform to the Uniform Standards of Professional Appraisal Practice. Each appraisal of Full Market Rent must contain determinations of Land MR, Pavement MR, and Improvements MR pursuant to Section 4.4 above, and shall be in accordance with the requirements of this Article 4.

4.6 Requirement for Two County Appraisals. Should an appraisal finding obtained by County result in a projected total Full Market Rent for the aggregate of all Lease Years for the then-remaining Term of the Agreement that exceeds Two Million Dollars ($2,000,000.00), then a second appraisal will be obtained by the Aviation Department, and in that case the Full Market Rent will be determined either by County, through its Department of Public Works, Real Property Section, or successor thereto (the "Real Property Section") acting as the review appraiser, or by a review appraiser selected by the Real Property Section.

4.7 Notice of Adjusted Full Market Rent. The Aviation Department shall provide Lessee written notice of the adjusted Full Market Rent amount based on County's appraisal(s), which notice shall include copies of the appraisal(s) and review appraisal, if any. If Lessee does not agree with the adjusted Full Market Rent amount established by County, Lessee may hire its own appraiser to perform a Full Market Rent appraisal. Lessee's appraisal must be obtained and provided to the Aviation Department within sixty (60) Days after receipt of the Aviation Department's notice of the adjusted Full Market Rent, and Lessee's appraisal must satisfy the requirements of this Article 4. If Lessee fails for any reason whatsoever to obtain an appraisal and provide it to the Aviation Department within the aforesaid sixty (60) day period, Lessee shall have no further right to dispute the adjusted Full Market Rent amount (and all components thereof) as set forth in the Aviation Department's notification of the adjusted rent.

4.8 Lessee's Appraisal. If Lessee obtains an appraisal and provides the appraisal to the Aviation Department within the sixty (60) Day period required by Section 4.7, and if the appraisal's finding of Full Market Rent does not agree with County's finding of Full Market Rent, then the Real Property Section shall compare and review all the appraisal reports. The Real Property Section shall schedule a meeting with the appraiser(s) selected by County and the appraiser selected by Lessee. The Real Property Section will attempt to resolve the appraisal differences within fifteen (15) Days after receipt of the appraisal reports.

4.9 Dispute Resolution Appraiser. If at the end of the aforesaid fifteen (15) Day period, the attempt by Real Property Section to resolve the appraisal differences is not successful for any reason whatsoever, the Real Property Section shall give written notice of the failure to the Aviation Department and Lessee, and thereafter the appraiser(s) selected by County and the appraiser selected by Lessee shall together select another appraiser ("Dispute Resolution Appraiser") within fifteen (15) Days following the date that the Real Property Section provided
the notice of its failure to resolve the appraisal differences. If the appraiser(s) selected by County and the appraiser selected by Lessee fail for any reason whatsoever to select a Dispute Resolution Appraiser within fifteen (15) Days after the Real Property Section provides notice of its failure to resolve the appraisal differences, then Lessee will thereafter have no further rights to dispute the Full Market Rent amount (including all components thereof) as set forth in the Aviation Department’s notification of the adjusted Full Market Rent.

4.10 Dispute Resolution Appraisal. The Dispute Resolution Appraiser selected in accordance with Section 4.9 above shall, within fifteen (15) Days after receipt of the appraisal reports, compare and review all the appraisal reports and schedule a meeting with the appraisers. At that meeting, the Dispute Resolution Appraiser shall try to resolve the appraisal differences. If for any reason whatsoever the Dispute Resolution Appraiser fails within thirty (30) Days after the selection of the Dispute Resolution Appraiser to resolve the appraisal differences, the Dispute Resolution Appraiser shall proceed as follows:

(a) The Dispute Resolution Appraiser shall prepare and complete an appraisal ("Dispute Resolution Appraisal") within sixty (60) Days after its selection that sets forth the Dispute Resolution Appraiser’s findings of Full Market Rent, including determinations of Land MR, Pavement MR, and Improvements MR pursuant to Section 4.4. The Dispute Resolution Appraiser shall provide copies of the Dispute Resolution Appraisal to both the Aviation Department and Lessee.

(b) If the values established by County’s appraisal(s), Lessee’s appraisal, and the Dispute Resolution Appraisal as to Full Market Rent are all within a ten percent (10%) range (without regard to the values of the individual components of the appraisals), then the average of the Full Market Rent amounts that are stated in all of the appraisal reports will be the value for establishing the Full Market Rent. This determination shall be binding on Lessee and County, and the Parties will have no right to dispute that Full Market Rent amount.

(c) If the values established by County’s appraisal(s), Lessee’s appraisal, and the Dispute Resolution Appraisal as to Full Market Rent are not all within a ten percent (10%) range, then the finding of Full Market Rent (and all components thereof) established by the Dispute Resolution Appraisal shall be binding on Lessee and County, and the Parties will have no right to dispute the Full Market Rent amount (and all components thereof) as set forth in the Dispute Resolution Appraisal.

(d) The Parties shall share equally the expense of obtaining the Dispute Resolution Appraisal. Lessee’s portion of that expense will be paid to County within five (5) Days after receipt of County’s invoice for same.

4.11 Effective Date of Rental Adjustment. If a rent adjustment is required under this Article 4, or under Section 6.18 or Section 6.19, or Article 13, the previous monthly rent amount shall continue to be paid by Lessee until the Aviation Department provides notice of the adjusted rent amount. The adjusted rent amount shall be retroactive to the date the rent should have been
adjusted ("Corrective Date"). The amount that is the difference between the total rent paid by Lessee from the Corrective Date and the total amount of rent due for such period until Lessee commences paying the adjusted rent shall be due and payable to County within thirty (30) Days following the Aviation Department's notice of the new adjusted rent amount. If Lessee disputes the amount of any adjustment of rent payments, Lessee shall continue paying rent to County in the amount required before the rent adjustment until such time as the dispute has been settled, at which time an adjustment, with interest thereon, will be made retroactive to the beginning of the adjustment period in which the dispute arose.

4.12 Notification of New Rental. Upon determining a rent adjustment pursuant to this Agreement, the Aviation Department shall advise Lessee of the new monthly rent installment for such period, accompanied by evidence supporting the manner in which the new adjusted rent was determined, in sufficient detail to enable Lessee to verify the calculations.

4.13 County Policy on Rent Adjustments. Notwithstanding anything herein to the contrary, if County adopts a policy to require all rent adjustments at the Airport to be made on the same date, the adjustments of rent addressed herein shall be made in accordance with, and at the uniform times established by, that policy.

4.14 Fuel Flowage Fees. In addition to rent payments, Lessee shall pay to County Fuel Flowage Fees based on the gallons of aviation fuels and lubricating oils purchased by Lessee and its sublessees from the supplier of such products.

(a) Fuel Flowage Fees are established by the Board and may be increased or decreased from time to time in its sole discretion.

(b) Lessee may either pay the Fuel Flowage Fees directly to County, using the forms required by the Aviation Department, or Lessee may elect to have the fuel supplier collect the Fuel Flowage Fees from Lessee and its sublessees and remit them to County.

(c) If Lessee makes direct payments to County, payments of the Fuel Flowage Fees incurred in the preceding month are due monthly, on the tenth (10th) Day of each month. If Lessee elects to have its fuel supplier collect the Fuel Flowage Fees, Lessee, its Sublessees, and the supplier shall complete and execute the required Aviation Department release and authorization form ("Release and Authorization Form") and provide the original executed Release and Authorization Form to the Aviation Department. Lessee shall require the fuel supplier to make monthly payments of the required Fuel Flowage Fees to County on or before the tenth (10th) day of the month following the month in which the aviation fuels and lubricating oils were sold by the fuel supplier. All payments of Fuel Flowage Fees to the County shall be accompanied by the reporting form required by the Aviation Department.

(d) Lessee shall provide to County all reports and back-up documentation required by the Aviation Department on a monthly basis to verify all Fuel Flowage Fees payable to
County. All required reports and documentation must be provided on or before the tenth (10th) Day of each month.

4.15 Licenses, Fees and Taxes. Lessee shall pay, on or before their respective due dates, all federal, state, County, and local taxes and fees, and all special assessments of any kind, that are now or may hereafter be levied upon the Premises (including all Improvements), the estate hereby granted, the business conducted on the Premises, any of Lessee's property used in connection therewith, and upon any rents or other sums payable hereunder, including, but not limited to any ad valorem taxes attributable to the Premises, sales or excise taxes on rents, and personal property taxes against Lessee's tangible and intangible personal property. Lessee shall maintain in full force and effect all federal, state, county and local licenses, local business, tax, and permits required for Lessee's business operation.

4.16 Utilities. Lessee shall pay, when due, all utilities fees or charges that are now or hereafter charged or assessed with respect to operations at the Premises.

4.17 Other Fees and Charges. County has established, or may establish, from time to time, various fees and charges for the use of various facilities, equipment, and services provided by County and not leased to or specifically provided to Lessee, which may include, but are not limited to, landing fees. In addition to rent, Lessee shall pay, in the manner prescribed by County, all rents, rates, fees, and charges due from Lessee for the use of any Airport facilities or under any agreement between Lessee and County pertaining to Lessee's operations at the Airport. Lessee shall collect from its customers and sublessees, as applicable, and remit to County, all rents, rates, fees, and charges that may now, or in the future, be established by County regarding general aviation uses of the Airport, which may include, but are not limited to, landing fees (collectively, "County Fees"). Lessee shall collect and submit County Fees to County in accordance with all County established procedures, including completion and submittal of any required forms in the format provided by or acceptable to County. Lessee shall separately designate County Fees on receipts it provides to its customers and Sublessees. Fees designated by Lessee as County Fees shall not exceed actual County Fees. Lessee shall not attribute or imply that any fees, other than County Fees, collected by Lessee from its customers and Sublessees are fees imposed by County. Lessee shall honestly and fairly represent its prices and policies and County's prices and policies to its customers. Lessee shall not charge any amount to its customers or Sublessees and attribute such amount to County except for County Fees that are payable by Lessee to County. Any charges or fees imposed by Lessee on its customers for use of any facilities of Lessee shall be separately stated on Lessee's invoice or charge slip and shall not be aggregated together with any County Fees.

4.18 Additional Rent and Charges. If County is required or elects to pay any sum or incur any obligation or expense by reason of the failure, neglect, or refusal of Lessee to perform or fulfill any one or more of the conditions, covenants, or requirements contained in this Agreement, or as a result of any act or omission of Lessee, or Lessee fails to pay any obligation arising under this Agreement, Lessee shall pay to County the sum paid or the expense incurred by County, including all costs, damages, penalties, and interest at the rate of eighteen percent (18%) per annum from
the date due until the date paid ("Additional Payment Obligation"). The Additional Payment Obligation shall be added to the next installment of rent due. The Additional Payment Obligation will become additional rent, subject to all applicable taxes, and recoverable by County in the same manner and with like remedies as if it were originally a part of the rent due and owing pursuant to this Agreement. Lessee shall pay the Additional Payment Obligation in the next installment of rent following a written notice of demand. In the event that no further rent payments are due, Lessee shall pay the Additional Payment Obligation within fifteen (15) Days after County's written demand.

4.19 Late Payments - Interest. County shall be entitled to collect interest at the rate of eighteen percent (18%) per annum from the date due until the date any amounts payable under this Agreement are paid. The right of County to require payment of interest and the obligation of Lessee to pay interest to County shall be in addition to, and not in lieu of, the right of County to enforce any remedy provided in this Agreement or under applicable law.

4.20 Dishonored Check or Draft. In the event Lessee delivers a dishonored check or draft to County in payment of any obligation arising under this Agreement, Lessee shall incur and pay a service charge in the then-prevailing amount established by County. In such event, the Aviation Department may require that future payments be made by cashier's check or other means acceptable to the Aviation Department, and the Security Deposit required herein may be increased, in the Aviation Department's sole discretion.

4.21 Place of Payments. All payments required to be made by Lessee under this Agreement shall be made payable to "Broward County" and payment shall be paid to the Finance Division, Broward County Aviation Department, 2200 SW 45th Street, Suite 101, Dania Beach, FL 33312, or to such other office or address as may be substituted for this address.

4.22 Books and Records. Lessee shall keep true and accurate books and records, which must, at a minimum, show all County Fees, Fuel Flowage Fees, Capital Expenditures, all labor, overhead, and all sales tax collected, any other records required under this Agreement, and the aggregate amount of all sales and services and orders of all Lessee's business done upon or within the Premises or in connection with the Airport. Lessee shall also keep and maintain copies of all invoices, cash receipts, financial records, supporting records, supporting documents, statistical records, and all other documents pertinent to this Agreement. Lessee shall keep its books and records in accordance with generally accepted accounting principles and shall maintain such other books and records as County, its employees, or agents, may request. Lessee shall ensure that the provisions of this Section 4.22 shall apply to all of Lessee's Sublessees and to all others that engage in any activities with respect to this Agreement, including without limitation, all Affiliates and any of their sublessees (Collectively "All Others"). Lessee shall ensure that All Others shall keep separate books and records for operations covered by this Agreement.

(a) Lessee shall ensure that all books and records are kept and maintained during the "Retention Period." The "Retention Period" is defined as the longer of: (1) the required retention period under the Florida public records law (Chapter 119, Florida Statutes), if applicable; (2) the period covering the Term of this Agreement and for three (3) years
after the end of the Term of this Agreement; or (3) until the final resolution of any audit findings.

(b) As to County Fees, Lessee shall, at a minimum, keep and maintain such records as would ordinarily and necessarily be required by County if County were collecting such County Fees. Lessee shall comply with the provisions of Section 32.30 of this Agreement.

(c) Upon County's request, Lessee shall provide its agreements, invoices, cash receipts, and all other books and records of Lessee and All Others for inspection by County's authorized representatives. Upon reasonable notice to Lessee, County may audit, or cause to be audited, all such books and records relating to operations under this Agreement to determine the correctness of County Fees, Fuel Flowage Fees, Capital Expenditures, and any other amounts payable by Lessee or any others pursuant to this Agreement, and to ensure compliance with all the provisions of this Agreement. Lessee shall make all books and records covered by this Section 4.22 available upon fourteen (14) Days' notice. Lessee shall make all books and records required to be maintained hereunder available to County at Lessee's Premises, the Premises of its Sublessees, at the Aviation Department's offices, or at such other place as may be directed by the Aviation Department. All books, records, and accounts of Lessee and All Others shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Lessee and All Others, as applicable, shall make same available at no cost to County in written form.

(d) If any audit reflects that the total amounts Lessee or any other entity covered by this Agreement actually paid to County during a Lease Year were less than the amounts due and owing for that Lease Year, upon written demand, Lessee shall immediately pay County the difference with interest thereon from the date the amounts were due until said amounts are paid to the County. If, as a result of any audit, it is established that any amounts owed to County under this Agreement are understated in any report filed with County by 10% or more of the amount paid to County during the reporting period, Lessee shall bear the entire expense of that audit, which amount shall be paid with in fifteen (15) Days after written demand. County shall provide Lessee with a copy of any audit results obtained by County, upon Lessee's written request.

Lessee shall ensure that the requirements of this section are included in all agreements with All Others.

Any change that requires the issuance of a building permit or modifies an existing building permit is a material change.

6.8 **Identification of Utilities on Plans.** All plans and specifications, including without limitation, "as-built" plans provided under Section 6.17 below, shall identify the purpose of utilities and any conduits by generic reference only (e.g., "phone conduit," "telecommunications conduit," or "power conduit"), and shall not identify any utility or conduit ducts for cable, telecommunications, electric service, and the like, by any specific company name.

All construction, installation, or refurbishment of any Improvements,
equipment, interior design, and decor constructed or installed at the Premises shall comply, as
determined solely by the County, with Airport system architecture, Master Plan, reasonable
standards of safety and quality, and Applicable Laws. The Aviation Department's consent to any
plans, specifications, or designs is not a representation or warranty as to such compliance, and
the responsibility for compliance shall at all times remain with Lessee. The Aviation Department
may refuse to grant consent to construction, installation, or refurbishment of any Improvements
on the Premises if, in its sole opinion, the proposed facilities as shown on the plans and
specifications will not satisfy the provisions of this Agreement, Applicable Laws, or for any other
reason whatsoever, in its sole discretion.

6.11 Construction of Approved Facilities and Improvements. Upon approval of plans,
specifications and schedules by the Aviation Department and receipt of all other necessary
approvals, Lessee shall immediately begin construction, installation, or refurbishment, as
applicable, of the Improvements. Lessee shall perform any work that impacts portions of the
Airport, other than the Premises, within schedules approved in writing in advance by the Aviation

pavements, and other Improvements and any additions and alterations made or located upon
the Premises (except trade fixtures, equipment, and personalty that are not permanently affixed
to the Premises, the Aircraft Fuel Farm Facility, and its appurtenances) are leasehold
Improvements and title thereto shall vest with County upon the expiration or earlier termination
of this Agreement. Any addition, fixture or other Improvement that is nailed, bolted, stapled, or
otherwise affixed to the Premises and is not readily removable as a trade fixture or item of
equipment is a leasehold improvement. If the removal of any personalty, trade fixture, or
equipment causes damage to the Premises, Lessee shall repair such damage and restore the
Premises to the condition in which it existed before the damage occurred.

6.14 Certified Statements. Within one hundred twenty (120) Days following the CO Date and
also at such other times as shall be requested by the Aviation Department, Lessee shall provide
the following to the Aviation Department:

construction cost and stating that the Improvements are free and clear of all liens, claims,

or engineer's fees and that the Improvements have been constructed in accordance with
the Approved Plans and in compliance with all Applicable Laws; and
Any back-up documentation and releases of lien as required by the Aviation Department.

The schedule shall show by line item, detailed information as to each cost per phase, including but not limited to, description, payee, and date of payment. The Independent Auditor’s Report shall be based on an audit of the costs in the schedule that is conducted by a CPA in accordance with generally accepted accounting principles and standards and shall contain a statement as to whether the Capital Expenditure amounts set forth in the schedule meet the requirements of this Agreement, the phasing schedule, and whether the phasing schedule is in conformity with generally accepted accounting principles. The Independent Auditor’s Report must clearly indicate any items on the schedule that do not qualify as Capital Expenditures. Lessee shall document to the satisfaction of the CPA and the Aviation Department that the monies were expended, that they are true and correct, and how they are eligible to be included in the Capital Expenditure amount. Lessee shall provide, upon request, such invoices and other back-up documentation as may be required by the Aviation Department or the CPA to verify that each phase of Minimum Capital Expenditures has been individually met by Lessee by the respective Phase 1 Completion Date and the respective Phase 2 Completion Date.

6.16 **Liens, Claims, and Encumbrances.** Lessee shall not do, nor permit to be done, anything that shall result in the imposition of any liens, claims, or encumbrances on the Premises, or portion thereof, or the Improvements. If any lien or notice of lien shall be filed against the Premises, or portion thereof, or the Improvements, Lessee shall cause the same to be discharged of record by payment, deposit, bond, or order of a court of competent jurisdiction within thirty (30) Days after notice of the filing thereof. Lessee shall not be deemed to be County's agent so as to confer upon any contractor or subcontractor providing labor or materials to the Premises or Improvements a mechanic's lien upon County's estate under the provisions of Chapter 713, Florida Statutes. The provisions of this section shall not apply to any leasehold mortgage to which the County has consented as provided in Article 18 or any purchase money security interest in any movable trade fixtures of Lessee installed at the Premises. County's interest in this Agreement shall not be subordinate to any leasehold mortgage or any claim, lien, or encumbrance affecting Lessee's interests in this Agreement.

All of Lessee's assets that are brought onto the Premises and used in connection with its business conducted on the Premises shall be subject to County's landlord lien on such assets as provided by applicable Florida law.

6.17 **Reporting of Issuance of COs and "As-Built" Plans.** Lessee shall report the issuance of COs to the Aviation Department and forward a copy of each CO issued for construction, installation,

6.18 Increase of Rent Upon Failure to Complete Construction of Phase 1 Improvements By Phase 1 Completion Date. If Lessee does not complete construction of all Phase 1 Improvements as required on or before the Phase 1 Completion Date, then, beginning on the Phase 1 Completion Date, the rent for the entire Premises shall be increased to equal twice the rent in effect immediately prior to the Phase 1 Completion Date ("Phase 1 Adjusted Rent"). The Phase 1 Adjusted Rent shall remain in effect until the Phase 1 Improvements have been properly completed. During the period that the Phase 1 Adjusted Rent is in effect, it shall be subject to adjustment at the commencement of each Lease Year in accordance with Section 4.3 and other adjustments in accordance with this Agreement, as applicable, including without limitation Section 6.19; provided, however, the Phase 1 Adjusted Rent shall not be subject to adjustment based on the provisions of Sections 4.4 through 4.10. On the date Lessee completes construction of the Phase 1 Improvements, subject to the provisions of Section 6.19, the annual rent shall be adjusted to the rent that would otherwise be in effect pursuant to the provisions of this Agreement, including but not limited to, Sections 4.4 through 4.10, if the Phase 1 Adjusted Rent had not been imposed. The provisions of this Section 6.18 are in addition to all other rights and remedies of County, including without limitation, those set forth in Article 7 and Article 31 of this Agreement.

6.19 Increase of Rent Upon Failure to Complete Construction of Phase 2 Improvements By Phase 2 Completion Date. If Lessee does not complete construction of all Phase 2 Improvements as required by this Agreement on or before the Phase 2 Completion Date, then, beginning on the Phase 2 Completion Date, the rent then in effect for the entire Premises, whether such rent was established accordance with Article 4 or is Phase 1 Adjusted Rent, shall be increased to equal twice the rent that was in effect immediately prior to the Phase 2 Completion Date ("Phase 2 Adjusted Rent"). The Phase 2 Adjusted Rent shall remain in effect until the Phase 2 Improvements have been properly completed. During the period that the Phase 2 Adjusted Rent is in effect, it shall be subject to future adjustments at the commencement of each Lease Year in accordance with Section 4.3 and other adjustments in accordance with this Agreement, as applicable, including without limitation Section 6.18; however, the Phase 2 Adjusted Rent shall not be subject to adjustment based on the provisions of Sections 4.4 through 4.10. On the date Lessee has completed both the Phase 1 and the Phase 2 Improvements, the rent shall be adjusted to the rent that would otherwise be in effect pursuant to the provisions of this Agreement, including any adjustments pursuant to this Agreement, if the Phase 2 Adjusted Rent had not been imposed. The provisions of this Section 6.19 are in addition to all other rights and remedies of County, including without limitation, those set forth in Article 7 and Article 31 of this Agreement.
Failure to Expend Minimum Capital Expenditure Requirement or to Satisfy All Completion Requirements By Completion Date. The Parties agree that if Lessee has not expended the Phase 1 Minimum Capital Expenditure in constructing the Phase 1 Improvements by the Phase 1 Completion Date, or if Lessee has not expended the Phase 2 Minimum Capital Expenditure in constructing the Phase 2 Improvements by the Phase 2 Completion Date, Lessee shall be required to pay the Shortfall (as defined herein) to the County over a ten-year period commencing on the first day of the calendar month after the Completion Date. The "Shortfall" is the amount by which the total Minimum Capital Expenditure Requirement exceeds the total amount of Capital Expenditures paid by Lessee as of the Completion Date. The Shortfall shall be payable in 120 equal monthly installments over said ten-year period (the "Shortfall Monthly Payments"), and shall be paid to County with the monthly rent payments on the first day of each month. The Shortfall Monthly Payment(s) shall be payable by Lessee in addition to rents and other payments due from Lessee to County pursuant to the terms of this Agreement. After the date on which the Shortfall occurs, if the Lessee makes any Capital Expenditures authorized in writing by the Aviation Department ("Subsequent Capital Expenditure"), then the amount of the Subsequent Capital Expenditures shall be credited against the next Shortfall Monthly Payment(s) due. If Subsequent Capital Expenditures exceed the total amount of the remaining Shortfall Monthly Payments, no further Shortfall Monthly Payments shall be due from Lessee to the County. The Shortfall Monthly Payments paid by Lessee to the County pursuant to this section shall not be considered to be Capital Expenditures. The County shall have no obligation to credit or set-off to Lessee any Shortfall Monthly Payments made to the County prior to Subsequent Capital Expenditures. The provisions of this section are the only remedy available to the County under this Agreement with respect to a Shortfall in expending the Minimum Capital Expenditure Requirement. Except as elsewhere provided in this Lease, the Completion Date may be extended only for good cause and only if the Board approves such extension.

The Letter of Credit shall be deemed a parent guarantee.

(a) The Letter of Credit must provide coverage from the Effective Date of this Agreement and must be kept in full force until the Aviation Department provides a written consent to release the Letter of Credit. A failure to renew the Letter of Credit shall entitle County to draw down the full amount of such Letter of Credit.

(b) The County shall not draw on the Letter of Credit without first giving Lessee written notice of its intent to draw sums under the Letter of Credit together with an explanation of the amount sought to be drawn and the basis for such draw with reasonable supporting documentation. County may draw on the Letter of Credit (i) in the event that Lessee has failed to perform one or more of its obligations described in subsection (d)(i) through (d)(iii) below, (ii) upon the occurrence of a bankruptcy event involving Lessee, or (iii) upon cancellation or nonrenewal of the Letter of Credit as required by this Article 7. ii) Performance of all of Lessee’s obligations to County following termination of this Agreement during the Due Diligence Period; and

iii) Performance of all construction and Capital Expenditure obligations.

Any cash security deposit shall be in the amount and subject to all the requirements of Article 7. In the event that County draws down on the cash deposit as authorized in this Article 7, Lessee shall replenish the funds drawn by County within three (3) Days. The security deposit shall not be returned to Lessee until Lessee has performed all of its obligations as set forth in subsection (d)(i) through (d)(iii) above. County shall not pay interest on any security deposit.

(c) Alternate Form of Security. In lieu of providing Performance and Payment Bonds, Lessee may furnish County an alternate form of security, which may be in the form of cash, money order, certified check, cashier's check, or unconditional letter of credit in the amount equal one hundred percent (100%) of the cost of the construction or repairs to any facilities located on the Premises, respectively. Such alternate form of security shall be subject to the approval of County, and include all the same conditions as set forth in subsections (a) and (b) above, and shall be held by County for one (1) year after Final Completion of the construction or repairs to any facilities located on the Premises.

The required certificates of insurance shall not only name the types of coverage provided, but also shall refer specifically to this Agreement with the type of insurance which is being furnished, and shall state that such insurance is as required by such sections of this Agreement. 11.3 Right to Entry, Inspection, and Testing. Lessee and all Sublessees shall permit entry, inspection, and testing, at all reasonable times, by inspectors of any federal, state or County agency having jurisdiction under any law, rule, regulation, or order, applicable to the Premises or the operations at the Premises. This right of entry, inspection and testing does not impose a duty on County to take any action and will not impart liability on County should it not take any action. County, by its officers, employees, agents, representatives and contractors may, at all reasonable times, enter the Premises to inspect the Premises, to observe Lessee’s performance of its obligations under this Agreement, and to do any act or thing that County must or may do under this Agreement or otherwise. Additionally, representatives of County, including without limitation Aviation Department representatives, may in their sole discretion, enter the Premises at reasonable times to inspect same to determine if Lessee is maintaining the Premises as required by this Agreement. If Lessee fails in any material respect to: (i) commence to maintain, clean, repair, replace, rebuild, or paint the Premises within the period of time required under this Agreement, or as may be requested by the Aviation Department, and after written notice from the Aviation Department to do so; or (ii) fails in any material respect to diligently continue to completion the maintenance, repair, replacement, rebuilding, or painting of the Premises as required pursuant to this Agreement, then the Aviation Department may, at its option, and in addition to all other remedies that may be available, maintain, repair, replace, rebuild, or paint all or any part of the Premises, and Lessee shall pay the cost thereof. Lessee shall pay County within fifteen (15) Days after written demand by County.

ARTICLE 12.
INSURANCE REQUIREMENTS

12.1 Lessee shall, at a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement, the insurance coverages set forth in Exhibit G, in accordance with the terms and conditions required by this article. If services are required of Lessee pursuant to this Agreement subsequent to the expiration of the Agreement, Lessee shall provide, pay for, and maintain in force such insurance coverages until County determines all services required of Lessee have been completed. Such policy or policies shall be issued by companies authorized to do business in the State of Florida with a minimum AM Best financial rating of A-, and having agents upon whom service of process may be made in Broward County, Florida.

12.2 Lessee shall specifically protect County by naming Broward County as an additional insured/loss payee under the primary and non-contributory General Liability Policy, Business Automobile Liability, Excess Liability, and any Property or Environmental Insurance policies.

All retentions, deductibles, and exclusions must be declared in writing and approved by County. Lessee shall be solely responsible to pay all deductibles or retentions applicable to a claim against County.
If Lessee maintains broader coverage or higher limits than the minimums shown above, County requires, and shall be entitled to, the broader coverage or the higher limits maintained by Lessee.

12.3 Lessee shall provide written notice to County of any cancellation or restriction of insurance at least thirty (30) Days prior to the date of expiration, or ten (10) Days prior to the date of expiration for cancellation due to non-payment, and shall concurrently provide County with a copy of its updated Certificates of Insurance. County reserves the right to obtain a copy of any policy required by this article within fourteen (14) Days of a written request to Lessee, either by a personal inspection of the policy at Broward County Aviation Department or by receiving a copy of the policy. Any insurance coverage that is written on a “claims made” basis must remain in force for two (2) years after the termination or expiration of this Agreement. Commercial General Liability Insurance shall be written on an “occurrence” basis only.

12.4 County may modify the insurance coverages required under this Article at any time as County determines necessary to protect County’s interest. In such event, County shall notify Lessee of the modified requirements, and Lessee shall provide an updated Certificate of Insurance evidencing such modified coverages within thirty (30) Days after County’s notice of the modification to the requirements.

12.5 Subrogation. Notwithstanding anything to the contrary in this Agreement, Lessee waives any right of recovery against County for any loss or damage to the extent the same is required to be covered by Lessee’s insurance hereunder. Lessee shall obtain from its insurers a waiver of subrogation in favor of County in connection with any loss or damage covered by Lessee’s insurance.

12.6 Certificate Holder Address. The certificate holder address shall read “Broward County, c/o Aviation Department, 2200 SW 45 Street, Suite 101, Dania Beach, FL 33312” or such other address as may from time to time be required by County.

12.7 Subcontractor Coverage. Any subcontractor performing work for Lessee shall have Broward County listed as a certificate holder for all coverages and as an additional insured for its General Liability, Excess Liability, and Pollution coverages. Lessee shall require their subcontractors to provide all appropriate and necessary insurance coverages in their respective agreements.

12.8 The failure of County to demand evidence of the required insurance or to identify any deficiency in Lessee’s coverage based on the evidence of insurance provided shall not be construed as a waiver by County. The insurance requirements required under this Agreement are minimum requirements, and shall in no way limit the Lessee’s liability arising out of the work performed or related activities.
ARTICLE 13.
DAMAGE TO OR DESTRUCTION OF PREMISES

13.1 Removal of Debris. If the Premises, or any part thereof, is damaged by fire, the elements, or other casualty, Lessee shall promptly remove all debris resulting from such damage and shall promptly take all necessary action and repairs to protect the safety of persons entering the Premises. To the extent that such measures are covered by Lessee's insurance, all proceeds thereof shall be used by Lessee for such purpose. If Lessee fails to promptly comply with the provisions hereof, County may take any measures it deems necessary to render the Premises in a safe condition and Lessee shall be fully responsible for any of County's expenses. Lessee shall pay all expenses incurred by County within ten (10) Days of written demand from County. If there are insurance proceeds covering such measures, the proceeds shall be paid to County.

13.2 Minor Damage. If the Premises, or any part thereof, is damaged by fire, the elements, or other casualty, but not rendered untenantable or unusable, there will be no abatement of rent. Lessee, at its sole expense, shall repair the Premises within ninety (90) Days following the occurrence. All repairs shall be made in accordance with the plans and specifications for the Premises as they existed before such damage or in accordance with new plans approved as required in Article 6. The proceeds of any insurance covering such repairs by Lessee will be adjusted with and paid to Lessee.

13.3 Major Damage to or Destruction of the Premises. If the Premises, or any part thereof, is destroyed or so damaged by fire, the elements or other casualty as to render the Premises untenantable or unusable:

(a) Lessee shall have the option to make the necessary repairs or replace the Premises in accordance with the plans and specifications as the same existed before the damage or destruction. Lessee shall have a period of ninety (90) Days after the occurrence of the damage or destruction (the "Election Period") in which to notify County in writing of Lessee's election. If Lessee elects to make the repairs or replacements it shall do so within one hundred eighty (180) Days from the date of Lessee's notice to County and, if such destruction or damage was covered by insurance, the proceeds thereof will be adjusted with and paid to Lessee.

(b) If by the end of the Election Period, Lessee has failed to notify County in writing of Lessee's election, or if Lessee notifies County in writing that Lessee does not intend to make the repairs or replacements, County, may at its sole option, make the repairs or replacements. If County elects to make the repairs or replacements, County shall notify Lessee of its election to do so within ninety (90) Days after the expiration of the Election Period. If County elects to make the repairs or replacements, it shall do so in its sole discretion and without cost to Lessee, except that if such destruction or damage was covered by insurance, the proceeds thereof will be adjusted with and paid to County. If County makes the repairs or replacements, the rent required to be paid by Lessee under Article 4 will be adjusted upwards on the first day of the month following completion of the repairs and replacements to an amount equal to the rent in effect immediately before
the adjustment, plus ten percent (10%) of County's actual cost of the repairs and replacement of the Improvements ("Replacement and Repair Adjustment"). County shall give Lessee written notice of the amount of the Replacement and Repair Adjustment and its effective date. Thereafter, the Replacement and Repair Adjustment shall be the new rent subject to future adjustments in accordance with Article 4 and Sections 6.18 and 6.19, as applicable.

(c) In the event the restoration is made pursuant to either subparagraph (a) or (b), above, rent will abate from the date of the damage or destruction until the Premises have been placed in a usable condition. Such abatement will be made pursuant to Article 27. All restoration work will be made under the plans and specifications that have received County's prior approval, and all such work will comply with the provisions and conditions of this Agreement, including without limitation, Article 6.

(d) In the event that neither Party elects to make the necessary repairs or replacements, this Agreement shall terminate upon the date established in the written notice provided by County to Lessee. Any and all proceeds collected from Lessee's insurance will be applied first to County's costs and expenses associated with restoring the Premises to a safe, tenantable, and usable condition as determined by County in its sole discretion, which costs shall include, but are not limited to, the removal of debris, the removal or demolition of any Improvements, and general cleanup of the Premises. Thereafter, the remaining insurance proceeds shall be distributed between Lessee and County as follows: (i) the proceeds payable to Lessee shall not exceed the unamortized value of the Improvements existing on the Premises as of the date immediately preceding the date of the casualty (excepting any Improvements for which rent has been paid by Lessee based on a percentage of the value of the Improvements as determined by County, which shall be excluded from the calculation) depreciated over the remainder of the Term of the Agreement, and (ii) County shall receive any balance remaining of the insurance proceeds after payment to Lessee in accordance with subparagraph (i), preceding. In such event, the payment of rent shall terminate as of the date of the damage or destruction. If there is any leasehold mortgage recorded against the Premises, prior to the termination date established in the written notice from County to Lessee, Lessee shall obtain a full satisfaction of such mortgage and shall provide a certified copy of the recorded mortgage satisfaction to the Aviation Department.

ARTICLE 14.
INDEMNITY

Lessee shall at all times hereafter indemnify, hold harmless and defend County and all of County's current and former officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities and expenditures of any kind, including attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any person or entity not a party to this Agreement, which Claim is caused or alleged to be caused, in whole or in part, by any intentional, reckless or negligent act or omission of
Lessee, its current or former officers, employees, agents, or servants, arising from, relating to, or in connection with this Agreement. In the event any Claim is brought against an Indemnified Party, Lessee shall, upon written notice from County, defend each Indemnified Party against each such Claim by counsel satisfactory to County or, at County's option, pay for an attorney selected by County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the Aviation Department and the County Attorney, any sums due Lessee under this Agreement may be retained by County until all of County's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by County.

**ARTICLE 15. SIGNS**

15.1 **Prior Written Approval.** Lessee shall not erect, maintain, or display any signs or any advertising at or on the exterior parts of the Premises or in the Premises so as to be visible from outside the Premises without obtaining the Aviation Department's prior written approval, which approval may be withheld by the Aviation Department in its sole discretion. No billboards are permitted.

15.2 **Removal of Signs on Expiration or Early Termination of the Agreement.** Upon the expiration or early termination of this Agreement, Lessee shall remove, obliterate, or paint out, as the Aviation Department may direct, any and all signs and advertising on the Premises and restore the portion of the Premises affected by such signs or advertising to the same condition as existed before the placement of such signs or advertising. If Lessee fails to remove, obliterate, or paint out each and every sign or advertising and to restore the Premises, the Aviation Department may perform the necessary work and Lessee shall pay the all expenses incurred by County within ten (10) Days of written demand from County. The provisions of this Section 15.2 shall survive the expiration or early termination of this Agreement.

15.3 **Removal of Unauthorized Signs.** County reserves the right to remove and dispose of any signs not authorized by County which are located anywhere on Airport property. Any removal and disposal by County will be without any recompense to Lessee or Lessee's Parties. In the event County removes and/or disposes of any unauthorized signs, Lessee shall pay all expenses incurred by County within ten (10) Days of written demand from County.

**ARTICLE 16. OBSTRUCTION LIGHTS**

Lessee shall install, maintain, and operate, at its own expense, such obstruction lights on the Premises as the FAA or the Aviation Department may direct. Lessee shall energize the obstruction lights daily, starting thirty (30) minutes before sunset and ending thirty (30) minutes after sunrise, and for such other periods as may be directed or requested by the air traffic control tower of the Airport.
ARTICLE 17.
RIGHTS OF COUNTY RESERVED

17.1 Utility, Mechanical, and Other Systems. County, may, or cause or permit others to, construct, maintain, repair, alter, replace, install, and rebuild, over, in, or under the Premises, existing and future utility, mechanical, electrical and other systems and parts thereof, and enter the Premises at all reasonable times for any such purposes, as may, in County's opinion, be deemed necessary or advisable. County, in the exercise of rights hereunder, will not unreasonably interfere with Lessee's actual use and occupancy of the Premises.

17.2 Lessee Must Not Obstruct County's Access. If any personal property of Lessee obstructs the access of County, its officers, employees, agents or contractors to any existing or future utility, mechanical, electrical and other systems or any part thereof, Lessee shall move such property, as directed by County, in order to provide access to the utility, mechanical, electrical or other systems or parts thereof. If Lessee fails to remove the property after direction from County to do so, County may remove such property and Lessee shall pay all expenses incurred by County within ten (10) Days of written demand from County.

17.3 Entry to Show. At any time during Lessee's ordinary business hours, County, through its agents and employees, whether or not accompanied by prospective occupiers or users of the Premises, may enter the Premises to show it to prospective tenants.

17.4 No Eviction of Lessee. The exercise of any or all of the foregoing rights by County or others shall not be construed to be an eviction of Lessee nor be made the grounds for any abatement of rent or the basis for any claim or demand for damages, consequential or otherwise.

17.5 Police and Regulatory Powers. Nothing herein contained shall limit County's ability to exercise its police and regulatory powers or its powers of eminent domain.

ARTICLE 18.
ASSIGNMENT, SUBLEASE, LEASEHOLD MORTGAGE

18.1 Lessee shall not sell, transfer, assign, sublet, pledge, mortgage, or otherwise encumber this Agreement or any portion of the Premises, or any rights or obligations hereunder, or allow same to be assigned by operation of law or otherwise or contract for the performance of any of the services to be provided by Lessee under this Agreement (any such action shall be an "Assignment") without the prior written consent of County. County's consent may include such additional terms and conditions deemed necessary in the reasonable discretion of County, or the Aviation Department, acting on behalf of County. Lessee's written request for consent to an assignment shall include copies of documentation pertaining to the assignment. In addition, Lessee shall provide the Aviation Department with such additional information and documentation, as may be reasonably requested. The factors upon which the decision on whether to grant consent, shall include, but not be limited to (a) an assessment of whether the proposed assignee meets standards of creditworthiness; (b) whether the assigned space will be used for the purposes permitted herein; and (c) an assessment of the ability of the proposed
assignee to perform the obligations under this Agreement. In the event of any assignment, Lessee shall not be released of any liability hereunder. In the event Lessee shall seek County's consent to an assignment to an Affiliate, as a condition of such assignment, Lessee (or those persons or entities that have majority ownership of Lessee, directly or indirectly) may be required to execute an irrevocable Guaranty of Payment and Performance of this Agreement which shall be in form and substance satisfactory to County. Any written consent or approval required hereunder shall not be effective unless evidenced by a written document signed by the authorized representative of the County.

18.2 In no case will an assignment be permitted if a default hereunder remains uncured.

18.3 An Assignment shall include any transfer of this Agreement by merger, consolidation, liquidation, or by operation of law. If Lessee is a corporation, an Assignment shall occur in the event of any change in control, ownership, power to vote a majority of the outstanding voting stock of Lessee, or of any parent corporation of Lessee, from the owners of such stock or those controlling the power to vote such stock on the date of this Agreement (whether occurring as a result of a single transaction or as a result of a series of transactions). If Lessee is a limited or a general partnership or joint venture, an Assignment shall occur in the event of any transfer of an interest in the partnership or joint venture (or a transfer of an interest in a corporate general partner or corporate joint venturer) which results in a change in control (either directly or indirectly) of such partnership or joint venture from those controlling such partnership or joint venture on the date of this Agreement (whether occurring as a result of a single transaction or as a result of a series of transactions). Notwithstanding the foregoing, a transfer of stock among current stockholders or among current stockholders and their immediate families, any transfer of stock resulting from the death of a stockholder, a transfer of partnership or joint venture interests among existing partners or among existing partners or joint venturers and their immediate families, or any transfer of such an interest resulting from the death of a partner or joint venturer, shall not be deemed an Assignment for purposes of this section. Notwithstanding the foregoing, the provisions of this section shall not apply to any public trades of registered stock of Lessee that occurs on a national stock exchange.

18.4 In the event any Assignment as defined in this Article 18 shall be taken without the prior written consent of County, then any such Assignment or other action shall be null and void and of no force or effect.

18.5 Lessee shall be liable for the acts and omissions by any licensee, assignee, Sublessee, transferee, purchaser, agent, contractor, subcontractor, or any other party in privity with Lessee relating to, or in connection with, Lessee's obligations established in this Agreement.

18.6 Lessee's Mortgage Does Not Bind County. No mortgage of Lessee's interest under this Agreement shall be binding upon or operate to restrain County in the enforcement of its rights under this Agreement.

18.7 Right of Lessee to Mortgage Lessee's Interest under this Agreement and Rights of Approved Leasehold Mortgagees. Subject to County's prior written consent as required herein,
Lessee has the right to mortgage Lessee's interest under this Agreement to any lender that is both authorized to make leasehold mortgage loans in the State of Florida and that has been approved by County pursuant to this Article 18, subject to the other provisions of this Agreement.

An Approved Leasehold Mortgagee shall deliver to County, at the addresses stated for County in Article 25, a copy of the Approved Leasehold Mortgage certified as a true copy by the Office of Official Records of Broward County, Florida together with a written notice setting forth the name and address of the Approved Leasehold Mortgagee. Following delivery, then, until the time that the Approved Leasehold Mortgage shall be satisfied of record, the following provisions shall apply:

(a) County shall provide to each Approved Leasehold Mortgagee a copy of any notice of default given to Lessee. The notice shall be provided by certified mail, return receipt requested, or any other method of delivery which can be confirmed and verified, to the address set forth in the Approved Leasehold Mortgage or as provided in subsection 18.7(a). Lessee and the Approved Leasehold Mortgagee shall ensure that County has the correct and current mailing address for both Lessee and Approved Leasehold Mortgagee.

(b) In the event County has notified Lessee of any default hereunder, Lessee shall promptly notify the Approved Leasehold Mortgagee of the alleged default and include all actions Lessee has taken, or will take, to cure the default. Lessee shall simultaneously provide the Aviation Department with a copy of the notice it provides to the Approved Leasehold Mortgagee.

(c) The Approved Leasehold Mortgagee shall have the right to cure any default of Lessee within the time period established by this Agreement. County shall accept the performance on the part of the Approved Leasehold Mortgagee as though the same had been done or performed by Lessee.

(d) County will provide the Approved Leasehold Mortgage with a notice of termination of the Agreement ("Notice of Termination") when such notice is given to Lessee.

At any time prior to the Board's approval of the Notice of Termination, the Approved Leasehold Mortgagee may: (1) obtain the rights to the leasehold Premises and cure the default if the default is susceptible to being cured following its acquisition of leasehold rights as Lessee; or (2) institute foreclosure proceedings and complete such foreclosure or otherwise acquire Lessee's interest under this Agreement with diligence and continuity and thereafter commence and diligently proceed to cure such default. Nothing in this Section 18.7(e) shall preclude County from exercising any rights or remedies under this Agreement for any other default by Lessee during any period of forbearance.

(e) The Approved Leasehold Mortgagee may become the legal owner and holder of this Agreement by foreclosure of its mortgage or as a result of the assignment of this
Agreement in lieu of foreclosure, whereupon the Approved Leasehold Mortgagee will immediately become and remain liable under this Agreement. However, in no event may the Approved Leasehold Mortgagee sell, assign, transfer, convey or otherwise dispose of its interest in its leasehold to a third party without County's prior written consent under this Article 18.

(f) If an Approved Leasehold Mortgagee becomes the owner or holder of Lessee's interest by foreclosure of its mortgage, by assignment of this Agreement in lieu of foreclosure or otherwise, the term "Lessee," as used in this Agreement, means only the owner or holder of Lessee's interest. In the event County has provided prior written consent as required in Section 18.1 of a sale, assignment or other disposition of Lessee's interest in this Agreement by the Approved Leasehold Mortgagee, and the Approved Leasehold Mortgagee has no interest or claim in or to the leasehold or against County, the Approved Leasehold Mortgagee will be relieved of all Lessee's covenants and obligations under this Agreement. No further agreement shall be necessary between County and the Approved Leasehold Mortgagee or among County, the Approved Leasehold Mortgagee and the Approved Leasehold Mortgagee's purchaser or assignee, that the purchaser or assignee of Lessee's interest has assumed and agreed to carry out any and all covenants and obligations of Lessee under this Agreement, including all covenants and obligations that accrued before the sale, assignment or other disposition of this Agreement by the Approved Leasehold Mortgagee.

(g) Within thirty (30) Days of a written request by Lessee or by Lessee's Approved Leasehold Mortgagee, or if County needs an estoppel statement upon any sale, assignment or mortgaging of Lessee's interest in this Agreement by Lessee or Lessee's Approved Leasehold Mortgagee, County and Lessee shall each deliver a certificate to any proposed Approved Leasehold Mortgagee certifying the following (if such be the case): (1) the amount of rent and additional rent due under the Agreement if any, and the date to which rents have been paid; (2) whether the Agreement is in full force and effect; and (3) that County and Lessee have no knowledge of any default under this Agreement, or if any default is known to exist, specifying the nature of the default.

(h) So long as Lessee's interest in this Agreement is mortgaged to an Approved Leasehold Mortgagee, County will not sell, grant or convey to Lessee all or any portion of County's fee simple title to the Premises without the prior written consent of that Approved Leasehold Mortgagee. In the event of any such sale, grant, or conveyance by County to Lessee, the sale, grant, or conveyance will not create a merger of this Agreement into a fee simple title to the Premises. Nothing in this Article 18 shall prevent County from selling, granting, or conveying its fee simple title to any person, firm or corporation other than Lessee, its successors, legal representatives, and assigns.

(i) Reference in this Agreement to an Approved Leasehold Mortgagee refers, where circumstances require, to any assignee of an Approved Leasehold Mortgagee; so long as the transfer to such assignee received County's prior written consent as provided in this
Article 18, and the assignee forwards to County the assignment of the Approved Leasehold Mortgage certified as a true copy by the Office of the Official Records of Broward County together with a written notice setting forth the name and address of the assignee.

(j) Any Approved Leasehold Mortgage is specifically subject and subordinate to County's rights under this Agreement. Despite any provision which is or may appear to be to the contrary in this Agreement, under no circumstances whatsoever will County's fee simple title interest in the Premises be subordinated to this Agreement or to any leasehold mortgage, or to any other encumbrance. In the event of any conflict or ambiguity, this subsection controls. No Leasehold Mortgagee may impose a lien of any kind or nature on County's interest in the Premises.

(k) County shall accept performance by an Approved Leasehold Mortgagee of any provision of this Agreement required to be performed by Lessee with the same force and effect as though performed by Lessee.

(l) The Aviation Department shall, upon reasonable written request, provide an Approved Leasehold Mortgagee with estoppel information as to the status of the Agreement. Any assignment of Lessee's interest as Lessee to any leasehold mortgagee does not give Lessee or its assignee any lien or encumbrance upon the fee simple interest in the Premises which is vested in Broward County, State of Florida.

ARTICLE 19.
DEFAULT, TERMINATION

19.1 Events of Default. The occurrence of any one or more of the following events is a default under this Agreement:

(a) By or pursuant to or under authority of any legislative act, resolution, or rule or any order or decree of any court or governmental board, agency, or officer having jurisdiction, a receiver, trustee, or liquidator takes possession or control of all or substantially all of the property of Lessee, and such possession or control continues in effect for a period of thirty (30) Days; or

(b) Lessee voluntarily abandons, deserts, or vacates the Premises or discontinues its operation at the Airport for a period of thirty (30) Days; or

(c) Any lien, claim, or other encumbrance which is filed against the Premises is not removed or is not adequately secured by bond within thirty (30) Days after Lessee has received notice thereof; or

(d) Lessee fails to pay any rent when due to County and continues such failure for a period of ten (10) Days after written notice from County that any payments are past due; or
(e) Lessee fails to make any other monetary obligation or payment required hereunder when due and Lessee continues such failure for a period of ten (10) Days after written notice to cure nonpayment; or

(f) Lessee fails to obtain the prior written consent of County prior to any sale, transfer, assignment, sublet, pledge, mortgage, or other encumbrance of the Premises or this Agreement; or

(g) Any business is conducted, service is performed, or product is sold from the Premises that is not specifically authorized by this Agreement, and such activity does not cease within ten (10) Days after written notice thereof; or

(h) Lessee fails to keep, perform, and observe each and every other nonmonetary promise, covenant, and provision set forth in this Agreement on its part to be kept, performed, or observed, and continues such failure for a period of thirty (30) Days after receipt of notice of default thereunder, or in the case of the default in any obligation that cannot be cured with due diligence and good faith within thirty (30) Days, if Lessee fails to proceed promptly and with due diligence to cure the default within thirty (30) Days after notice, or having begun to cure the default in a timely manner fails to diligently prosecute the cure to completion; or

(i) Lessee fails to collect or remit to County all, or any portion of, County Fees; or

(j) Lessee fails to maintain or renew a required Letter of Credit or Security Deposit; or

(k) Suspension for a period of three (3) or more consecutive months or revocation of Lessee’s right to operate by a governmental unit or agency having jurisdiction over the Premises and/or the business as being conducted thereon; or

(l) If Lessee or an officer, director, executive, partner, member, shareholder, employee, or agent who is active in the management of Lessee, or any of Lessee’s Parties, is found guilty or convicted of illegal conduct or activity (with or without an adjudication of guilt) as a result of a jury verdict, nonjury trial, entry of a plea of guilty or nolo contendere where the illegal conduct or activity (i) is considered to be a Public Entity Crime as defined by Chapter 287, Florida Statutes, as amended; or (ii) is customarily considered to be a "white collar crime" or theft-related crime such as fraud, smuggling, bribery, embezzlement, or misappropriation of funds; or (iii) involves an act of moral turpitude meaning conduct or acts that tend to degrade the principals or owners in society or bring them into public hatred, contempt, scorn, or ridicule, or that tends to shock, insult, or offend the community, or ridicule public morals, or decency or harm the image of County by virtue of its association with Lessee; or (iv) results in a felony conviction. Notwithstanding, Lessee may abate this event by submitting evidence satisfactory to County that Lessee has implemented best business practices seeking to prevent and address such illegal conduct or activity from reoccurring, and requiring the
offending person(s) to resign and remove himself/herself from Lessee's management activities related to this Agreement; or

(m) Any subsequent breach or default following notice of Habitual Default as described in Section 19.3; or

(n) The material inaccuracy of any representation or warranty made or given by Lessee in this Agreement; or

(o) Lessee fails to comply with its environmental responsibilities as required in Article 29.

19.2 Result of Default. If any one or more of the events of default set forth in Section 19.1 occurs, or at any time thereafter during the continuance of such event, County may, at its sole option, exercise one or more of the following rights:

(a) Terminate the rights of Lessee hereunder by giving thirty (30) Days written notice thereof, which termination shall be effective upon the date specified in such notice, in which event the Term and all rights of Lessee hereunder shall expire and terminate on such date and County shall be released and relieved of all liability under this Agreement; or

(b) Sue Lessee for all damages, costs, and expenses arising from Lessee committing an event of default, and to recover all such damages, costs, and expenses, including reasonable attorneys' fees at both trial and appellate levels; or

(c) Restrain, by injunction, the commission or attempted commission of an event of default and to obtain a decree specifically compelling performance of any such term or provision of this Agreement. Lessee acknowledges that County would not have an adequate remedy at law for an event of default and that injunctive relief or specific performance are required to protect the public from irreparable harm;

(d) Draw down on the Letter of Credit or Security Deposit; and/or

(e) Exercise any and all other remedies available to County under this Agreement or at law or in equity.

In the event of any termination by County, County may accelerate and declare immediately due and payable all unpaid amounts due and other sums required to be paid under this Agreement (excluding rent and any other amounts not yet payable prior to the termination). In addition, Lessee shall be liable for all damages incurred by County in connection with Lessee's default or the termination of this Agreement upon such a default, including without limitation, all direct damages, such as collection costs and reasonable attorney's fees, as well as indirect, consequential, and all other damages whatsoever. The exercise by County of any right of termination shall be without prejudice to any other such rights and remedies. No remedy herein conferred upon or reserved to
County is intended to be exclusive of any other remedy provided in this Agreement or otherwise available, and each and every remedy shall be cumulative.

In the event of termination, Lessee and its Sublessees shall immediately and peaceably quit and surrender possession of the Premises and Improvements to County and each shall cease its operations on the Premises. At any time, or from time to time, after any such expiration or termination, County shall have the right, but not the obligation, to re-let the Premises or any part thereof for such term or terms, which may be greater or lesser than the period which would have otherwise constituted the balance of the Term, on such conditions, which may include concessions or free rent, as County, in its sole and uncontrolled discretion, may determine and may collect and receive the rents therefor. County shall in no way be responsible for any failure to re-let the Premises or any part thereof, or for the failure to collect any rent for any such re-letting. Any such termination by County shall be without prejudice to every other remedy available pursuant to this Agreement to County and at law or in equity.

Upon any termination pursuant to this Article 19, Lessee shall have no right to any reimbursements from County or any right to any payments under Section 32.18 of this Agreement.

19.3 Habitual Default. Notwithstanding the foregoing, if Lessee has, in the sole discretion of the Aviation Department, frequently, regularly, or repetitively defaulted in the performance of, or breached any of, or been in noncompliance with any of the terms and conditions required herein to be kept and performed by Lessee, and regardless of whether Lessee has cured each individual condition of breach or default, the Lessee may be determined by the Aviation Department to be a "habitual violator." At the time such determination is made, the Aviation Department shall issue to Lessee a written notice advising of such determination and citing the circumstances. The notice shall also advise that there shall be no further notice or cure periods to correct any subsequent breaches or defaults and that any subsequent breaches or defaults of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively, shall constitute a condition of noncurable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the County may terminate this Agreement upon the giving of written notice of termination to Lessee. Such termination shall be effective upon delivery of the notice to Lessee.

19.4 County's Acceptance of Payment Is Not a Waiver. County's acceptance of rent, fees, charges, or other payments, in whole or in part, for any period or periods after a default of any of the terms, covenants and conditions hereof to be performed, kept, or observed by Lessee does not waive County's right to terminate this Agreement, or to exercise any other available remedies.

Upon the expiration or early termination of this Agreement, Lessee shall immediately cease all operations on the Premises, vacate and peacefully surrender the Premises to County in accordance with the terms and conditions set forth in this Agreement, cause all occupants, legal or otherwise, to vacate the Premises, and pay in full all fees
and other amounts payable to County required in this Agreement that are then due and owing. **ARTICLE 20.**
**REMEDIES TO BE NONEXCLUSIVE**

Unless otherwise expressly stated herein, no remedy herein conferred upon or reserved to County or Lessee is intended to be exclusive of any other remedy herein provided or otherwise available, and each shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. Unless otherwise expressly stated herein, all rights and remedies of the parties hereunder or at law or in equity are cumulative, and the exercise of any right or remedy does not exclude or waive the right to the exercise of any other.

Such activities will be performed at Lessee's sole expense, despite the acceptance of any site into any government funded cleanup program that might not require immediate assessment or remediation based on a site ranking or scoring within that program. If County requires environmental assessment or
remediation of any such site, then upon County's demand and at Lessee's sole expense, Lessee shall immediately contain, remove, abate, and remediate the site to the Aviation Department's and County's satisfaction. Any action taken by either Lessee or County to contain, remove, or abate a release or discharge of Materials, whether such action is taken voluntarily or not, is not an admission of liability as to the source of, or the person who caused the pollution or its release. Lessee shall assess or remediate any impacted property in accordance with timetables acceptable to County and within Applicable Laws.

The Aviation Department shall cooperate with Lessee with respect to Lessee's obligations under these provisions, including making Public Records available to Lessee in accordance with Florida law. However, nothing herein releases Lessee of its obligations in this Agreement or creates any affirmative duty of County to abrogate its sovereign right to exercise its police powers and governmental powers by approving or disapproving or taking any other action in accordance with all Applicable Laws. The Aviation Department and its employees, contractors, and agents, upon reasonable written notice to Lessee, and the federal, state, local, and other County agencies and their employees, contractors, and agents, at all times in accordance with all Applicable Laws, shall have the right to enter the Premises to exercise police powers and governmental powers and to conduct all appropriate environmental assessments, inspections, testing, sampling, examinations, and audits as deemed appropriate by the Aviation Department.

County shall use reasonable efforts to not disrupt Lessee's business. In no event is Lessee entitled to any amount on account of lost profits, lost rents, or other damages as a result of County's clean-up activities and any disruption caused thereby to Lessee's operations.

Two (2) years before the Termination Date, or within one hundred eighty (180) Days after the date of termination if the Agreement is terminated earlier under the provisions of the Agreement, Lessee and County shall conduct an inspection of the Premises and Lessee shall cause to be performed an exit environmental assessment of the Premises ("Exit Environmental Assessment") at Lessee's sole expense which may include, but is not limited to, soil and water sampling and analysis consistent with a Phase II Environmental Assessment. Lessee must develop the scope of the work for the Exit Environmental Assessment in cooperation with the Aviation Department. If the Exit Environmental Assessment or inspections indicate that further actions should be conducted, then County may have such further actions conducted by Lessee at Lessee's sole expense to County's satisfaction. Nothing herein will limit County's right of entry onto the Premises under other provisions of this Article or of this Agreement, or under its regulatory powers. County shall have the right to split any soil or water samples obtained by Lessee and Lessee shall have the right to split any soil or water samples obtained by County.

(a) If County performs the inspections or the Exit Environmental Assessment due to Lessee's denial or failure to perform as required in this provision, then Lessee will reimburse County for the cost of such Exit Environmental Assessment and inspections plus any administrative costs, within fifteen (15) Days following written demand.

(b) If an Exit Environmental Assessment discloses Recognized Environmental Conditions or Materials on the Premises caused by Lessee or Lessee's Parties beyond those levels established in the Initial Environmental Assessment's baseline and the Agreement naturally expires or is terminated, Lessee shall be required to complete all required environmental remediation in compliance with Applicable Laws.

In addition the Aviation Department, upon fourteen (14) Days written notice to Lessee, may require an increase in the amount of the Security Deposit Letter of Credit up to an additional amount equal to five (5) additional months' rent installments due to increased obligations hereunder, or if upon a review of Lessee's payment or performance history at the Airport,

Any termination of the Security Deposit Letter of Credit without the written consent of the Aviation Department before the end of the aforesaid six (6) month period following the Termination Date shall be a default of this Agreement. A failure to renew a Security Deposit Letter of Credit, or to increase the amount of the Security Deposit, if required, shall entitle County to draw down the full amount of such Security Deposit.

(c) The County shall not draw on the Security Deposit Letter of Credit without first giving Lessee written notice of its intent to draw sums under the Security Deposit Letter of Credit together with an explanation of the amount sought to be drawn and the basis for such draw with reasonable supporting documentation. County may draw on the Security Deposit Letter of Credit (i) in the event that Lessee has failed to perform one or more of its obligations described in subsection (d) below, (ii) upon the occurrence of a bankruptcy event involving Lessee, or (iii) upon cancellation or non-renewal of the Security Deposit Letter of Credit as required by this Article 31. If any deficiencies in performance claimed by County in the notice are not cured within thirty (30) Days after such notice to County’s reasonable satisfaction, the draw on the Letter of Credit may be immediately submitted by County. Upon the occurrence of a bankruptcy event involving Lessee, or upon cancellation or non-renewal of the Security Deposit Letter of Credit as required in this Article 31, the draw on the Security Deposit Letter of Credit may be immediately submitted by County. Lessee hereby irrevocably directs the then Issuer of the Security Deposit Letter of Credit to honor any such draw immediately upon submission thereof by County.

(d) The Parties acknowledge and agree that the Security Deposit Letter of Credit shall be security for the performance of the obligations set forth below:

i) Payment of all monies due to County; and

ii) Performance of all of Lessees obligations to County.

31.2 In the alternative, Lessee may deliver to County, in lieu of the Security Deposit Letter of Credit, a security deposit in cash. Any cash security deposit shall be in the amount and subject to all the requirements of Article 31. In the event that County draws down on the cash deposit as authorized in this Article 31, Lessee shall replenish the funds drawn by County within three (3) Days. The security deposit shall not be returned to Lessee until six (6) months after the expiration or earlier termination of this Agreement and all obligations of this Agreement are performed and satisfied. County shall not pay interest on the any security deposit.

In the event that the United States Government, or any of its departments or agencies require modifications or changes in this Agreement as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, Lessee shall consent to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions, or requirements of this Agreement as may be reasonably required (collectively, a "Required Amendment"). Notwithstanding the foregoing, in the event any such Required Amendment would unreasonably interfere with the business operations of Lessee, then Lessee may refuse to consent to such Required Amendment, but Lessee must give immediate notice to County of any such refusal to consent and such notice must state with specificity the reasons for any such refusal. County shall have the right to immediately terminate this Agreement upon the failure of Lessee to consent to any such Required Amendment. national origin, sex, age, or disability, be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This Agreement incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act ("FLSA"), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Lessee has full responsibility to monitor compliance to the referenced statute or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

Lessee retains full responsibility to monitor its compliance and its sublessees, and subcontractors' compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

If Lessee is not a resident of the State of Florida, is an association or partnership without a member or partner resident of said State, or is a foreign corporation, then Lessee hereby designates the Secretary of State of the State of Florida as its agent for the purpose of service of process in any court action between it and County arising out of or based upon this Agreement, and service shall be made as provided by the laws of the State of Florida for service upon a non-resident who has designated the Secretary of State as agent for service. If for any reason service of such process is not possible, as an alternative method of service of process, Lessee may be personally served with such process out of this State by certified mailing to Lessee at the address set forth in this Agreement. Any such service out of this State shall constitute valid service upon Lessee as of the date of mailing. Lessee is amenable to and agrees to the process so served, submits to the jurisdiction, and waives any and all objections and protest thereto.
32.18 Condemnation. If at any time during the Term, the power of eminent domain shall be exercised or threatened whether by condemnation proceeding or threat or imminence thereof (a "Taking") of the entirety of the Premises or of substantially all of the Premises so as to render the Premises untenable shall occur, such Taking shall be deemed to have caused this Agreement to terminate and expire as of the date of such Taking. For purposes of this Agreement, the date of Taking shall be the earlier of the date upon which actual possession of the Premises or a portion thereof, as the case may be, is acquired by any lawful power or authority, or the date in which title vests in such lawful power or authority. The rent required to be paid by Lessee shall be paid up to the date of such Taking. Lessee shall in all respects keep, observe, and perform all the terms and conditions of this Agreement up to the date of such Taking.

County agrees to promptly notify Lessee of any eminent domain proceeding, and Lessee, at its sole cost and expense, will be entitled to join such proceeding and to defend Lessee’s interest in the Premises affected by such proceeding, and, to the extent permitted by law, to be awarded damages attributable to the value of Lessee's unexpired leasehold estate in the Premises. If at any time during the Term a Taking of less than the whole of the Premises shall occur, rent shall thereafter be reduced in proportion to the reduction in the rentable area of the Premises.

Termination of this Agreement by County or severance of any portion of this Agreement by a court of competent jurisdiction shall not be deemed a taking under any eminent domain or other law so as to entitle Lessee to compensation for any interest suffered or lost as a result of termination of this Agreement, including any residual interest in the Agreement, or any other facts or circumstances arising out of or in connection with this Agreement.

32.19 Waiver of Claims. Lessee hereby waives any claim against County and its officers, commissioners and employees, for any consequential damages, including, but not limited to, any loss of business or anticipated profits. No officer, commissioner, or employee of County shall be charged personally or held contractually liable under any term or provisions of this Agreement, including as amended, due to an actual or alleged breach of this Agreement or the execution or attempted execution of this Agreement.

32.20 Successors and Assigns Bound. Without waiving any of the requirements of Article 18, this Agreement shall be binding upon and inure to the benefit of the successors and the permitted assigns of the Parties.

32.21 Counterparts and Multiple Originals. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

32.22 Prevailing Wage Requirement. If applicable, Lessee shall fully comply with the requirements of Section 26-5, Broward County Code of Ordinances and comply with, Prevailing Wage and complete the requirements set forth in Exhibit E and Exhibit F.

32.23 Written Approvals. All notices, approvals and consents required to be obtained hereunder must be in writing to be effective.
32.24 Force Majeure. If the performance of this Agreement, or any obligation hereunder is prevented by reason of hurricane, earthquake, or other casualty caused by nature, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency, the party so affected, upon giving prompt notice to the other party, shall be excused from such performance to the extent of such prevention, provided that the party so affected shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such non-performance exceeds sixty (60) Days, the party that is not prevented from performance by the force majeure event shall have the right to terminate this Agreement upon written notice to the party so affected. This section shall not supersede or prevent the exercise of any right the Parties may otherwise have to terminate this Agreement.

32.25 MOA for Land Use Controls. To the extent applicable, this Agreement is subject to the Memorandum of Agreement for Land Use Controls, dated July 1, 2015, between County and the Division of Waste Management, Florida Department of Environmental Protection, recorded on July 23, 2015, at instrument # 113129335 of the Official Records of Broward County, Florida, which enables County to assess and remediate contamination at the Airport consistent with applicable standards and procedures.

32.26 Use of County Logo. Lessee shall not use County's name, logo, or otherwise refer to this Agreement in any marketing or publicity materials without the prior written consent of County.

32.27 Time of Essence. Time is of the essence with respect to this Agreement and shall apply to all terms and conditions contained in this Agreement.

32.28 Authorized Representatives. Unless otherwise expressly stated herein or in the applicable Procurement Code, Code of County Ordinances, or Administrative Code of Broward County, staff of the Broward County Aviation Department may act on behalf of County to exercise the authority and powers of County under this Agreement.

32.29 Public Records. To the extent Lessee is acting on behalf of County as stated in Section 119.0701, Florida Statutes, Lessee shall:

(a) Keep and maintain public records required by County to perform the services under this Agreement;

(b) Upon request from County, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public record requirements are not disclosed except as authorized by law for the duration of this
Agreement and following completion or termination of this Agreement if the records are not transferred to County; and

(d) Upon completion or termination of this Agreement, transfer to County, at no cost, all public records in possession of Lessee or keep and maintain public records required by County to perform the services. If Lessee transfers the records to County, Lessee shall destroy any duplicate public records that are exempt or confidential and exempt. If Lessee keeps and maintains public records, Lessee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to County upon request in a format that is compatible with the information technology systems of County.

The failure of Lessee to comply with the provisions of this section shall constitute a material breach of this Agreement entitling County to exercise any remedy provided in this Agreement or under applicable law.

A request for public records regarding this Agreement must be made directly to County, who will be responsible for responding to any such public records requests. Lessee will provide any requested records to County to enable County to respond to the public records request.

Any material submitted to County that Lessee contends constitutes or contains trade secrets or is otherwise exempt from production under Florida public records laws (including Florida Statutes Chapter 119) ("Trade Secret Materials") must be separately submitted and conspicuously labeled "EXEMPT FROM PUBLIC RECORD PRODUCT – TRADE SECRET." In addition, Lessee must, simultaneous with the submission of any Trade Secret Materials, provide a sworn affidavit from a person with personal knowledge attesting that the Trade Secret Materials constitute trade secrets under Florida Statutes Section 812.081 and stating the factual basis for same. In the event that a third party submits a request to County for records designated by Lessee as Trade Secret Materials, County shall refrain from disclosing the Trade Secret Materials, unless otherwise ordered by a court of competent jurisdiction or authorized in writing by Lessee. Lessee shall indemnify and defend County and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments and liabilities of any kind, including attorneys’ fees, litigation expenses, and court costs, relating to the non-disclosure of any Trade Secret Materials in response to a records request by a third party.

IF LESSEE HAS QUESTIONS REGARDING THE APPLICATION OF FLORIDA STATUTES CHAPTER 119 TO LESSEE’S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (954) 359-6100, SCOOPER@BROWARD.ORG, 2200 SW 45TH STREET, SUITE 101, DANIA BEACH, FLORIDA 33312.

32.30 Survival. Upon termination or expiration of this Agreement, Lessee shall remain liable for all obligations and liabilities that have accrued prior to the date of termination or expiration. Notwithstanding any provision of this Agreement to the contrary, no obligation which accrued
but has not been satisfied under any prior agreements between the Parties shall terminate or be considered canceled upon execution of this Agreement. Rather, such obligation shall continue as if it had accrued under this Agreement until the obligation is satisfied.

32.31 No Recordation of Lease; Memorandum of Lease. Neither Lessee nor any sublessee may record this Agreement or any sublease of any of the Premises in the Official Records of Broward County, Florida. A violation of this Section 32.32 by Lessee will automatically void those provisions and portions of this Lease which run to the benefit of Lessee. Lessee may record a Memorandum of Lease in the Official Records of Broward County, Florida, which Memorandum will set forth, and will only set forth: (a) the names of the Parties; (b) the Effective Date and Term of the Lease; and (c) the legal description of the Premises. The Director of Aviation is authorized to execute a memorandum of lease on behalf of the County.

32.32 Development and Expansion of Airport. If at any point County seeks federal, state, or local government approval regarding the operation or modification of the Airport, Lessee shall provide any and all reasonably requested cooperation and support, including, without limitation, supporting County’s efforts to obtain any such approvals and executing any documents or instruments reasonably requested by County. Lessee shall not be required to bear any additional expense and shall not be deemed an agent of County.

32.33 County as Landlord, Police/Regulatory Powers. County is the public body, agency, or instrumentality that is a party to this Agreement and for which this Agreement is to be performed. In all respects, County’s performance under this Agreement is pursuant to County’s position as landlord. In the event County exercises its regulatory authority as a governmental body, County cannot, and hereby specifically does not, waive or relinquish any of its regulatory approval or enforcement rights and obligations as it may relate to regulations governing the Premises, any Improvements thereon, or any operations at the Premises. Nothing in this Agreement shall be deemed to create an affirmative duty of County to abrogate its sovereign right to exercise its police powers and governmental powers by approving or disapproving or taking any other action in accordance with its zoning and land use codes, administrative codes, ordinances, rules, and regulations, federal laws and regulations, state laws and regulations, and grant agreements. In addition, nothing in this Agreement shall be considered zoning by contract.

1990, 17 USC §§ 106A and 113 (the "Act"), Lessee shall not (i) hire any artist or permit any sublessee to hire any artist for the purpose of installing or incorporating any work of art into or at the Premises, or (ii) permit the installation or incorporation of any work of art in or at the Premises without the prior written approval of County. Lessee shall provide such reasonable documentation as County may request in connection with any request for such approval and the approval of County may be conditioned upon the execution by the artist of a waiver of the provisions of the Act, in form and substance acceptable to County.

32.36 **Damage to Airport Facilities.** Lessee is responsible for any and all damage to the Airport caused by the negligence of Lessee, its agents, employees, contractors, subcontractors, or invitees including, but not limited to, damage to terminal areas, ramp and Taxiway areas, engine run-up areas, Runways, hangar facilities and any and all areas where any activities are performed by Lessee.

NONDISCRIMINATION REQUIREMENTS

I. During the performance of this Agreement, the Lessee for itself, its personal representatives, sublessees, assigns and successors in interest (hereinafter referred to collectively as the "Lessee") agrees as follows:

(a) Compliance With Regulations. The Lessee shall comply with the Regulations relative to nondiscrimination in Federally Assisted Programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the "Regulations"), which are herein incorporated by reference and made a part of this contract.

(b) Nondiscrimination. The Lessee shall not discriminate on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation in the selection and retention of contractors or subcontractors, including procurement of materials and leases of equipment. The Lessee shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

(c) Solicitation for Subcontracts, Including Procurement of Materials and Equipment. In all solicitation either by competitive bidding or negotiation made by the Lessee for work to be performed hereunder, including procurement of materials or leases of equipment, each potential contractor, subcontractor or supplier shall be notified by the Lessee of the Lessee's obligation under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation.

(d) Information and Reports. The Lessee shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by County or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish this information, the Lessee shall so certify to County or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.

(e) Sanctions for Noncompliance. In the event of the Lessee's noncompliance with the nondiscrimination provisions of this contract, County shall impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to: (1) withholding of payments under the contract until there is compliance, and/or (2) cancellation, termination, or suspension of the contract, in whole or in part. In the event of cancellation or termination of the contract (if such contract is a lease), County shall have the right to re-enter the Premises as if said lease had never been made or issued.
These provisions shall not be effective until the procedures of Title 49 CFR Part 21 are followed and completed, including exercise or expiration of appeal rights.

(f) **Incorporation of Provisions.** The Lessee shall include the provisions of paragraphs (a) through (e), above, in every contract or subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. The Lessee shall take such action with respect to any contract, subcontract, or procurement as County or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event Lessee becomes involved in, or is threatened with, litigation with a contractor, subcontractor or supplier as a result of such direction, the Lessee may request County to enter into such litigation to protect the interests of County and, in addition, the Lessee may request the United States to enter into such litigation to protect the interests of the United States.

(g) The Lessee, as a part of the consideration hereof, does hereby covenant and agree that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this contract, for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulation may be amended.

(h) The Lessee, as a part of the consideration hereof, does hereby covenant and agree that: (1) no person on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under the premises and the furnishing of services thereon, no person on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

II. During the performance of this contract, the Lessee, for itself, its sublessees, assignees and successors in interest agrees as follows:

The Lessee agrees to undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to ensure that no person shall on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation be excluded from participation in any
employment, contracting, or leasing activities covered in 14 CFR Part 152, Subpart E. The Lessee agrees that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this Subpart. The Lessee agrees that it will require its covered suborganizations to provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations as required by 14 CFR Part 152, Subpart E, to the same effect.

The Lessee agrees to comply with any affirmative action plan or steps for equal employment opportunity required by 14 CFR Part 152, Subpart E, as part of the affirmative action program, and by any federal, state, County or local agency or court, including those resulting from a conciliation agreement, a consent decree, court order or similar mechanism. The Lessee agrees that state or County affirmative action plans will be used in lieu of any affirmative action plan or steps required by 14 CFR Part 152, Subpart E, only when they fully meet the standards set forth in 14 CFR 152.409. The Lessee agrees to obtain a similar assurance from its covered organizations, and to cause them to require a similar assurance of their covered suborganizations, as required by 14 CFR Part 152, Subpart E.

If required by 14 CFR Part 152, Lessee shall prepare and keep on file for review by the FAA Office of Civil Rights an affirmative action plan developed in accordance with the standards in Part 152. The Lessee shall similarly require each of its covered suborganizations (if required under Part 152) to prepare and to keep on file for review by the FAA Office of Civil Rights, an affirmative action plan developed in accordance with the standards in Part 152.

If Lessee is not subject to an affirmative action plan, regulatory goals and timetables, or other mechanism providing for short and long-range goals for equal employment opportunity under Part 152, then Lessee shall nevertheless make good faith efforts to recruit and hire minorities and women for its aviation workforce as vacancies occur, by taking any affirmative action steps required by Part 152. Lessee shall similarly require such affirmative action steps of any of its covered suborganizations, as required under Part 152.

Lessee shall keep on file, for the period set forth in Part 152, reports (other than those submitted to the FAA), records, and affirmative action plans, if applicable, that will enable the FAA Office of Civil Rights to ascertain if there has been and is compliance with this subpart, and Lessee shall require its covered suborganizations to keep similar records as applicable.

Lessee shall, if required by Part 152, annually submit to County the reports required by Section 152.415 and Lessee shall cause each of its covered suborganizations that are covered by Part 152 to annually submit the reports required by Section 152.415 to the Lessee who shall, in turn, submit same to County for transmittal to the FAA.
III. The Lessee, for itself, its sublessees, assignees and successors in interest agrees that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall, on the grounds of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation be excluded from participating in any activity conducted with or benefiting from Federal assistance. This "Provision" obligates the Lessee or its transforee, for the period during which Federal assistance is extended to the airport program, except where Federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the Provision obligates the party or any transforee for the longer of the following periods: (a) the period during which the property is used by the sponsor or any transforee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (b) the period during which the airport sponsor or any transforee retains ownership or possession of the property. In the case of Lessees, this Provision binds the Lessees from the bid solicitation period through the completion of the contract.

IV. Lessees shall not discriminate on the basis of race, color, religion, gender, national origin, age, marital status, political affiliation, familial status, physical or mental disability, or sexual orientation in the performance of this contract. Failure by the Lessee to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as County deems appropriate.

2. All mechanics, laborers, and apprentices, employed or working directly upon the site of the work shall be paid in accordance with the above-referenced wage rates. Lessee shall post notice of these provisions at the site of the work in a prominent place where it can be easily seen by the workers.

3. If the Parties cannot agree on the proper classification of a particular class of laborers or mechanics or apprentices to be used, the Contract Administrator shall submit the question, together with its recommendation, to the County Administrator for final determination.

4. In the event it is found by the Contract Administrator that any laborer or mechanic or apprentice employed by Lessee, or any Subcontractor directly on the site of the work has been or is being paid at a rate of wages less than the rate of wages required by the ordinance, the Contract Administrator may: (1) by written notice to Lessee terminate its right to proceed with the work or such part of work for which there has been a failure to pay said required wages; and (2) prosecute the work or portion thereof to completion by contract or otherwise. Whereupon, Lessee and its sureties shall be liable to County for any excess costs occasioned to County thereby.

5. These provisions shall apply to the Lessee, its contractors and any Subcontractors.

6. Lessee shall maintain payrolls and basic records relating thereto during the course of the work and shall preserve such for a period of three (3) years thereafter for all laborers, mechanics, and apprentices working at the site of the work. Such records shall contain the name and address of each such employee; its current classification; rate of pay (including rates of contributions for, or costs assumed to provide, fringe benefits); daily and weekly number of hours worked; deductions made; and actual wages paid.

7. Lessee shall submit, with each requisition for payment, a signed and sworn "Statement of Compliance" attesting to compliance with Broward County Ordinance No. 83-72. The Statement shall be in the form attached as Exhibit C.

8. The Contract Administrator may withhold or cause to be withheld from Lessee as much of the payments requisitioned as may be considered necessary to pay laborers and
mechanics, including apprentices, trainees, watchpersons, and guards employed by Lessee or any Subcontractor on the work, the full amount of wages required by this Agreement.

9. If Lessee or any Contractor or Subcontractor fails to pay any laborer, mechanic, or apprentice employed or working on the site of the work all or part of the wages required by this Agreement, the Contract Administrator may, after written notice to Lessee, take such action as may be necessary to cause suspension of any further payments or advances until such violations have ceased.

BY THIS BOND, We ________________________________, as Principal, hereinafter called Contractor, and ________________________________, as Surety, are bound to __________________________, as Obligee, (hereinafter called “Lessee”), in the amount of __________________________ Dollars ($_________________) for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, Contractor has by written agreement entered into a Contract, Bid/Contract No.: ____________, dated the ______ day of __________________, 20____, with Lessee, which Contract Documents are by reference incorporated herein and made a part hereof, and may specifically include provision for Liquidated Damages, and other damages identified, and for the purposes of this Bond are hereafter referred to as the "Contract";

THE CONDITION OF THIS BOND is that if Contractor:

1) Performs the Contract between Contractor and Lessee for construction of ________________________________, the Contract being made a part of this Bond by reference, at the times and in the manner prescribed in the Contract; and,

2) Pays Lessee all losses, Liquidated Damages, expenses, costs and attorney’s fees including appellate proceedings, that Lessee sustains as a result of default by Contractor under the Contract; and,

3) Performs the guaranties of all work and materials furnished under the Contract for the time specified in the Contract; then THIS BOND IS VOID, OTHERWISE IT REMAINS IN FULL FORCE AND EFFECT.

Whenever Contractor shall be, and declared by Lessee to be, in default under the Contract, Lessee having performed Lessee obligations thereunder, the Surety may promptly remedy the default, or shall promptly:

a) Complete the Project in accordance with the terms and conditions of the Contract Documents; or

b) Obtain a bid or bids for completing the Project in accordance with the terms and conditions of the Contract Documents, and upon determination by Surety of the lowest responsible Bidder, or, if Lessee elects, upon determination by Lessee and Surety jointly of the lowest responsible Bidder, arrange for a contract between such Bidder and Lessee, and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay
the cost of completion less the balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the Contract Price," as used in this paragraph, shall mean the total amount payable by Lessee to Contractor under the Contract and any amendments thereto, less the amount properly paid by Lessee to Contractor.

No right of action shall accrue on this bond to or for the use of any person or corporation other than Lessee named herein and Broward County.

The Surety hereby waives notice of and agrees that any changes in or under the Contract Documents and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this Bond.
