**ARTICLE 3 - SCOPE OF SERVICES; WORK AUTHORIZATIONS**

3.1 SAGOMA shall administer and perform the services for the Program as outlined in this Agreement, including without limitation, Exhibit "A," Scope of Services. The services shall be performed in accordance with the applicable guidelines for the Program attached hereto as Exhibit "G," Program Guidelines. The Scope of Services is a description of each party's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by either party impractical, illogical, or unconscionable.

3.2 The Scope of Services included in a Work Authorization issued under the terms of this Agreement is a description of SAGOMA's obligations and responsibilities for a Project and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by SAGOMA impractical, illogical, or unconscionable. The Scope of Services included in a Work Authorization does not delineate every detail and minor work task required to be performed by SAGOMA pursuant to the Work Authorization. In the event SAGOMA determines, during the course of performing services under a Work Authorization, that additional work should be performed which is outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, SAGOMA shall notify the Contract Administrator in writing in a timely manner before proceeding with the work. If SAGOMA proceeds with the work without notifying and obtaining approval of the Contract Administrator, the work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services.

3.3 Any Work Authorization for a Project prepared by SAGOMA for approval by the Contract Administrator in accordance with the terms of this Agreement shall be substantially in the form attached as Exhibit "D," and shall be dated and serially numbered, and shall contain, at a minimum, the following information and requirements:
3.3.1 A description of the work and services to be undertaken for a Project as set forth in Exhibit "A," Scope of Services, specifying the individual tasks, activities, and related deliverables to be performed by SAGOMA.

3.3.2 A maximum not-to-exceed amount payable to SAGOMA upon Project Completion, for Project eligible activities under the Program, which amount shall include the Direct Service Fee, and any other direct costs as described in this Agreement. This amount shall be based upon budget information provided by SAGOMA identifying in sufficient detail the various cost elements for the work to be performed by the Contractor in accordance with the applicable budget for the Program, and pursuant to a standard form Homeowner-Contractor Agreement approved by COUNTY.

3.3.3 A time period setting forth the time for completion of the work and services to be undertaken by SAGOMA or for the submission to COUNTY of documents, reports, and other information pursuant to this Agreement and the scope of work outlined in the Work Authorization.

3.3.4 Any other additional instructions or information relating to the work authorized pursuant to this Agreement.

3.4 SAGOMA shall provide the Contract Administrator with a draft of the Homeowner-Contractor Agreement for a Project utilizing the form approved by COUNTY, at the same time it submits a Work Authorization for approval.

3.5 SAGOMA shall perform the services described in a Work Authorization approved by the Contract Administrator within the time period specified therein. SAGOMA may submit for approval and execution by the Contract Administrator a revised Work Authorization for a Project, providing for an extension in the time for SAGOMA to complete the services as a result of any delay outside of its control, or for additional services resulting from any COUNTY-approved Change Order for work to be performed by a Contractor under a Homeowner-Contractor Agreement as described in Section 3.6. SAGOMA shall be required to notify the Contract Administrator promptly in writing whenever a delay in approval by a governmental agency or performance by the Contractor is anticipated or experienced, and to inform the Contract Administrator of all facts and details related to the delay.

3.6 In the event SAGOMA determines that additional services are needed for a Project, SAGOMA shall submit a Change Order request to the Contract Administrator utilizing the Change Order Form set forth in Exhibit "H." The Change Order Form must include the reason for the change being requested and include supporting documentation to verify the reasonableness of any additional costs included in the Change Order. A Change Order is a written document that when approved by COUNTY authorizes a material change in the work to be
performed by the Contractor pursuant to the Homeowner-Contractor Agreement for a Project.

3.7 The Division Director is authorized to make changes that would increase, decrease, or otherwise modify the Scope of Services for the Program, so long as the changes are consistent with the Program, and there is no increase in compensation to SAGOMA pursuant to Article 5 of this Agreement, unless authorized by the Board.

3.8 In the event a dispute between the Contract Administrator and SAGOMA arises over whether requested services constitute additional services and the dispute cannot be resolved by the Contract Administrator and SAGOMA, the dispute shall be promptly addressed in accordance with the Dispute Resolution provisions in Article 9. During the pendency of any dispute, SAGOMA shall promptly perform the disputed services.

3.9 The Division will carry out periodic monitoring and evaluation activities as determined necessary by the Division. The continuation of this Agreement is dependent upon satisfactory evaluations by the Division. Such evaluations will be based on the terms of this Agreement, comparisons of planned versus actual progress relating to a Project's scheduling, budget, and outcomes. SAGOMA shall furnish to the Division, any records and information relating to a Project deemed necessary by the Division Director. SAGOMA shall submit on a monthly and quarterly basis, and at other times upon the request of the Division Director, information and status reports required by the Division on forms approved by the Division Director.

3.10 SAGOMA shall submit written notification to the Division of all pre-bid and preconstruction meetings at least two (2) weeks prior to the actual date of the meetings. COUNTY shall have the right but not the obligation to attend any pre-bid and preconstruction meeting for a Project under this Agreement.

3.11 SAGOMA shall meet with the Contract Administrator within two (2) business days of a request by the Contract Administrator to discuss a Project.

3.12 During the term of this Agreement as provided in Article 4, SAGOMA shall not perform any services or activities for the Program other than those set forth in this Agreement.

3.13 SAGOMA shall provide COUNTY with Monthly Progress Reports utilizing the form provided in Exhibit "E," which shall indicate the status of all outstanding work that has been authorized by COUNTY for the Program, including the planned versus actual progress of a Project based on the Project's schedule and budget. Such reports shall be submitted to the Division on the first business day following the end of the preceding month.
3.14 No extension of time shall be granted for delays resulting from normal weather conditions prevailing in the area as defined by the average of the last ten (10) years of weather data recorded in the Fort Lauderdale/Hollywood International Airport Weather Station.

ARTICLE 4 - TERM AND TIME OF PERFORMANCE

4.1 The term of this Agreement shall commence upon the complete execution of the Parties ("Effective Date"), and shall end one (1) year from the Effective Date, unless terminated earlier or extended pursuant to the terms of this Agreement. SAGOMA may submit a written request for an extension to the term of this Agreement to the Division Director no less than ninety (90) days prior to the expiration date. In the event COUNTY, in its sole discretion, elects to extend the term of this Agreement, the County Administrator is authorized to execute an amendment to this Agreement extending the term, subject to any restrictions related to the Funds. If the term of this Agreement, or a Work Authorization, extends beyond a single fiscal year of COUNTY, the continuation of this Agreement or a Work Authorization beyond the end of any fiscal year shall be subject to the appropriation and availability of funds in accordance with Chapter 129, Florida Statutes.

4.2 SAGOMA shall comply with the timeframes set forth in Exhibit "B," Program Schedule, and all duties, obligations, and responsibilities of SAGOMA required by this Agreement shall be completed no later than the timeframe for deliverables set forth in Exhibit "B." Time shall be deemed of the essence in performing the duties, obligations, and responsibilities required by this Agreement.

The County Administrator or the Administrator's designee shall notify the Contract Administrator and SAGOMA in writing of the decision within five (5) calendar days from receipt of the claim, unless the County Administrator or the Administrator's designee notifies the Contract Administrator and SAGOMA, in writing, that additional time is needed to review the claim or obtain additional information regarding the claim. During the pendency of any claim or after a written determination is provided in accordance with this Section, the Parties shall be required to continue their respective obligations under this Agreement and act in good faith to mitigate any potential damages.

9.2 In the event the determination of a claim under Section 9.1 is unacceptable to either party, the party objecting to the determination must notify the other party in writing within ten (10) calendar days of receipt of the written determination. The notice must state the basis of the objection and must be accompanied by a statement that any claim relating to the time for performance, Work Authorization, or price adjustment is the entire claim to which the objecting party believes it is entitled under the terms of this Agreement. EACH PARTY SPECIFICALLY WAIVES ALL OF ITS RIGHTS, INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR ADJUSTMENTS TO THE TIME FOR PERFORMANCE AND COMPENSATION, INCLUDING ITS RIGHTS AND REMEDIES UNDER FLORIDA LAW, IF SAID PARTY FAILS TO COMPLY IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS ARTICLE 9.

Failure by SAGOMA to carry out any of the requirements of this Section shall constitute a material breach of this Agreement, which shall permit COUNTY to terminate this Agreement or to exercise any other remedy provided under this Agreement, Broward County Code of Ordinances, Broward County Administrative Code, or under other applicable law, all such remedies being cumulative.
10.2 The County Business Enterprise ("CBE") Program, which is implemented under the Broward County Business Opportunity Act of 2012, Section 1-81, Broward County Code of Ordinances, provides for the establishment and implementation of CBE participation goals, initiatives, and other opportunities for COUNTY contracts. There are no CBE goals set for this Agreement; however, SAGOMA is encouraged to utilize, whenever possible local COUNTY small business enterprises as the sources of supplies, equipment, and services.

By execution of this Agreement, SAGOMA represents that it has not been placed on the discriminatory vendor list as provided in Section 287.134, Florida Statutes. COUNTY hereby materiality relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle COUNTY to terminate this Agreement and recover from SAGOMA all monies paid by COUNTY pursuant to this Agreement, and may result in debarment from COUNTY’s competitive procurement activities.

11.3 PUBLIC RECORDS

COUNTY is a public agency subject to Chapter 119, Florida Statutes. To the extent SAGOMA is acting on behalf of COUNTY pursuant to Section 119.0701, Florida Statutes, SAGOMA shall:

11.3.1 Keep and maintain public records that ordinarily and necessarily would be required to be kept and maintained by COUNTY were COUNTY performing the services under this Agreement;

11.3.2 Provide the public with access to such public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

11.3.3 Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law; and

11.3.4 Meet all requirements for retaining public records and transfer to COUNTY, at no cost, all public records in possession of SAGOMA upon termination of this Agreement and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to COUNTY in a format that is compatible with the information technology systems of COUNTY.

The failure of SAGOMA to comply with the provisions set forth in this Section 11.3 shall constitute a default and breach of this Agreement and COUNTY shall enforce the default in accordance with the provisions set forth in Section 8.2.
11.4 AUDIT RIGHTS, AND RETENTION OF RECORDS

COUNTY shall have the right to audit the books, records, and accounts of SAGOMA and its Subcontractors that are related to this Agreement. SAGOMA and its Subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement and performance thereunder. All books, records, and accounts of SAGOMA and its Subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, SAGOMA, or its Subcontractor, as applicable, shall make same available at no cost to COUNTY in written form.

SAGOMA and its Subcontractors shall preserve and make available, at reasonable times for examination and audit by COUNTY, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period for each funding source or a minimum of four (4) years after Final Program Completion or earlier termination of this Agreement, or until resolution of any audit findings, whichever is longer. COUNTY audits and inspections pursuant to this Section may be performed by any COUNTY representative (including any outside representative engaged by COUNTY). COUNTY reserves the right to conduct such audit or review at SAGOMA’s place of business, if deemed appropriate by COUNTY, with seventy-two (72) hours’ advance notice.

Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for COUNTY’s disallowance and recovery of any payment upon such entry. If an audit or inspection in accordance with this Section discloses overpricing or overcharges to COUNTY of any nature by SAGOMA or SAGOMA’s Subcontractors in excess of five percent (5%) of the total contract billings reviewed by COUNTY, the reasonable actual cost of COUNTY’s audit shall be reimbursed to COUNTY by SAGOMA in addition to making adjustments for the overcharges. Any adjustments and/or payments due as a result of such audit or inspection shall be made within thirty (30) days from presentation of COUNTY’s findings to SAGOMA.

SAGOMA shall ensure that the requirements of this Section 11.4 are included in all agreements with its Subcontractors performing services for the Project.

11.5 TRUTH-IN-NEGOTIATION REPRESENTATION

SAGOMA’s compensation under this Agreement is based upon representations supplied to COUNTY by SAGOMA, and SAGOMA certifies that the information supplied, including without limitation in the negotiation of this Agreement, is accurate, complete, and current at the time of contracting. COUNTY shall be entitled to recover any damages it incurs to the extent such representation is untrue.
11.6 PUBLIC ENTITY CRIME ACT

SAGOMA represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. In addition to the foregoing, SAGOMA further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether SAGOMA has been placed on the convicted vendor list. Notwithstanding any provision in this Agreement to the contrary, if any representation stated in this Section is false, COUNTY shall have the right to immediately terminate this Agreement and recover all the Funds paid to SAGOMA under this Agreement.

11.7 INDEPENDENT CONTRACTOR

SAGOMA is an independent contractor under this Agreement. In providing services under this Agreement, neither SAGOMA nor its agents shall act as officers, employees, or agents of COUNTY. SAGOMA shall not have the right to bind COUNTY to any obligation not expressly undertaken by COUNTY under this Agreement.

11.8 THIRD PARTY BENEFICIARIES

Neither SAGOMA nor COUNTY intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third party beneficiaries to this Agreement and no third party shall be entitled to assert a claim against either of them based upon this Agreement.

11.9 ASSIGNMENT AND PERFORMANCE

Except for subcontracting approved in writing by COUNTY at the time of its execution of this Agreement or any written amendment hereto, neither this Agreement nor any right or interest herein may be assigned, transferred, subcontracted, or encumbered by SAGOMA without the prior written consent of COUNTY. If SAGOMA violates this provision, COUNTY shall have the right to immediately terminate this Agreement. SAGOMA represents that each person and entity that will provide services under this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render services. SAGOMA agrees that all services under this Agreement shall be performed in a skillful and respectful manner, and that the quality of all such services shall equal or exceed prevailing industry standards for the provision of such services.
11.10 CONFLICT OF INTEREST

Neither SAGOMA nor SAGOMA's officers and employees shall obtain a financial interest or benefit from any Program activity funded by COUNTY under this Agreement nor have an interest in any contract, subcontract, or agreement involving the Funds, either for themselves or those whom they have family or business ties, during their tenure or for one (1) year thereafter. Any possible conflicting interest on the part of SAGOMA, its officers, employees, or agents, shall be disclosed in writing to the Division.

11.11 CONFLICTS

Neither SAGOMA nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with SAGOMA's loyal and conscientious exercise of judgment related to its performance under this Agreement. None of SAGOMA's employees shall, during the term of this Agreement, serve as an expert witness against COUNTY in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her opinion, which is adverse or prejudicial to the interests of COUNTY in connection with any such pending or threatened legal or administrative proceeding. The limitations of this Section shall not preclude SAGOMA or any person in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding regarding this Agreement. In the event SAGOMA is permitted pursuant to this Agreement to utilize third party contractors to perform any services required by this Agreement, SAGOMA shall require such third party contractors, by written contract, to comply with the provisions of this section to the same extent as SAGOMA.

11.12 MATERIALITY AND WAIVER OF BREACH

Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement, and each is, therefore, a material term hereof. COUNTY's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

11.13 NOTICE

In order for a notice to a party to be effective under this Agreement, notice must be sent via U.S. first-class mail with a contemporaneous copy via e-mail to the addresses listed below and shall be effective upon mailing. The addresses for

11.20 AMENDMENTS

The Parties may amend this Agreement to conform to changes in federal, state, or local laws, regulations, directives, and objectives. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the Board and SAGOMA or others delegated authority to or otherwise authorized to execute same on their behalf. The County Administrator shall be authorized to execute amendments that extend the term of this Agreement as provided in Article 5, and provide line item budget changes to the Program Budget set forth in Exhibit "B," which do not

There is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document.

This paragraph shall not apply to any claim for interest, including for post-judgment interest, if such application would be contrary to applicable law.

11.22.2 Rate of Interest. If, for whatever reason, the preceding subsection is determined to be invalid or unenforceable by a court of competent jurisdiction, the annual rate of interest payable by COUNTY under this Agreement, whether as prejudgment interest or for any other purpose, shall be, to the full extent permissible under applicable law, 0.25% (one quarter of one percent) simple interest (uncompounded).

This Section shall not supersede or prevent the exercise of any right the Parties may otherwise have to terminate this Agreement.

11.27 **USE OF COUNTY LOGO**

SAGOMA shall not use COUNTY's name, logo, or otherwise refer to this Agreement in any marketing or publicity materials without the prior written consent of COUNTY.

11.28 **REPRESENTATION OF AUTHORITY**

Each individual executing this Agreement on behalf of a party hereto hereby represents and warrants that he or she is, on the date he or she signs this Agreement, duly authorized by all necessary and appropriate action to execute this Agreement on behalf of such party and does so with full legal authority.

EXHIBIT "A"
SCOPE OF SERVICES

The Parties shall perform their respective obligations set forth in the Agreement and this Exhibit relating to administration of the Program described in the Agreement. The Program activities consist of water and sewer connections and minor home repairs including exterior painting.

SAGOMA'S RESPONSIBILITIES:

A. SAGOMA shall provide the following services and activities for the Program:

1. Following referral of an applicant for assistance by COUNTY, SAGOMA shall process and review the application in accordance with the Program Guidelines set forth in Exhibit "G" of the Agreement.

2. Verify the applicant's ownership of the home.

3. Perform an initial inspection (feasibility study) of each applicant's home to determine if it meets the applicable Program Guidelines.

4. Schedule detailed inspections of the applicant's home including, but not limited to, lead-based paint and termite inspections, as needed.

5. Prepare cost estimates for the work to be performed for a Project.

6. Develop a scope of work and written plans and specifications addressing the minor home repair activities or water and sewer connections needed for a Project in accordance with the Program Guidelines, prior to proceeding with the Request for Quotations process for the work to be performed by a Contractor for a Homeowner under the Project.

7. Prepare, schedule, analyze, and manage the Request for Quotations process for the work to be performed by a Contractor for a Homeowner under the Project.

9. Competitively select a Contractor for a Project in accordance with the following procurement procedures:

   a. Requirement for Quotations. All awards for a Project shall be solicited using sealed quotations ("Request for Quotations"), which shall be requested from a minimum of three (3) contractors on COUNTY's Office of Small Business and Economic Development's Certified Firm Directory ("Certified Firm Directory"), for the type of services to be performed for the Project, and on
a rotational basis. The Request for Quotations request shall include an estimate of the cost of the proposed scope of work prepared by SAGOMA and all terms and conditions applicable to the procurement. The contractors that were invited to submit a Request for Quotations shall be provided an opportunity to complete a site review prior to submitting their Quotation.

b. Quotations Opening. Quotations shall be received by SAGOMA’s authorized representative and shall be publicly opened. Publicly opened means the Quotations are opened in the presence of one or more witnesses. Additionally, all contractors that submitted a Quotation shall be provided written notice of the time and place of the public opening and shall be informed that they have a right to attend. A public opening does not require the opening be advertised.

c. Quotation Evaluation and Acceptance. All Quotations shall be evaluated based on the requirements set forth in the Request for Quotations, which may include criteria to determine suitability for a particular purpose. Any criteria that will affect the price quoted and be considered in the evaluation for award, excluding cash discounts, shall be objectively measurable. The Quotations submitted shall be accepted without alteration or correction, except as provided for in subsection d. below. SAGOMA shall accept the Quotation which addresses all the items required in the Request for Quotations in all material respects, and which is deemed the lowest responsible and responsive Quotation as provided in subsection e. below.

d. Addition, Correction, Cancellation, or Withdrawal of a Quotation.

1. Addition to a Quotation. Notwithstanding any provision to the contrary contained in subsection c. above, after the Quotations opening, a contractor shall be permitted an opportunity to furnish information required under the Request for Quotations that was inadvertently not provided due to an oversight, so long as the information does not affect any price included in the Quotation or any criteria required to be submitted to determine whether the Quotation is responsive to the Request for Quotations. Contractors may be asked to provide additional information required to make a determination as to the responsibility of the contractor submitting the Quotation.

2. Correction of a Quotation. Notwithstanding any provision to the contrary contained in subsection c. above, after the Quotations opening, a contractor may correct mathematical or clerical errors; however, the unit prices included in a Quotation shall not be changed. A voluntary reduction in price may be permitted if the reduction is not conditioned upon, nor results in, the modification or deletion of any requirement in the Request for Quotations. A voluntary reduction may not be used to ascertain the lowest responsive Quotation.

3. Withdrawal or Amendment of a Quotation. Prior to the Quotations opening, a contractor may voluntarily withdraw or amend a
Quotation by providing notice to SAGOMA that its Quotation is being withdrawn from consideration, or amended. In the event a contractor elects to amend its Quotation, the notice must describe the changes being made to the Quotation.

e. Award Authority. A Project shall be awarded by SAGOMA in writing to the contractor who is determined by SAGOMA to have submitted the lowest responsible and responsive Quotation meeting the requirements and award criteria set forth in the Request for Quotations. A responsible Quotation means the contractor is on COUNTY’s Office of Small Business and Economic Development's Certified Firm Directory and properly licensed or certified to perform the work requested in the Request for Quotations, has the capability in all respects to perform fully the contract requirements, and has the integrity and reliability which will assure good faith performance. SAGOMA shall consider performance history of a contractor on a prior Project in the evaluation of whether a contractor submitted a responsible Quotation. A Responsive Quotation means the contractor has submitted a Quotation which addresses and conforms in all material respects to the Request for Quotations, and must be submitted on the required forms, which contain all required information, signatures, notarizations, and insurance, to be submitted at the time of Quotations opening.

f. Documentation Requirements. SAGOMA shall prepare and retain for audit by COUNTY all documentation necessary to demonstrate compliance with the Quotation procedures described in this Section including, but not limited to, the Request for Quotations, all Quotations received, all correspondence and any other documents relating to repair estimates, dates and times of the Quotation opening, and a list of all persons in attendance at the Quotation opening.

10. Following the selection of a Contractor for a Project, SAGOMA shall submit to the Contract Administrator for review and approval a Work Authorization executed by SAGOMA for the work to be performed for the Project and a draft of the Homeowner-Contractor Agreement to be executed by the Homeowner and Contractor. In the event the Contract Administrator approves and executes the Work Authorization provided by SAGOMA and approves the draft of the Homeowner-Contractor Agreement, SAGOMA shall provide the Contractor and Homeowner with a copy of the approved draft of the Homeowner-Contractor Agreement for their review, and schedule the preconstruction meeting. At the preconstruction meeting, SAGOMA shall facilitate the complete execution by the Homeowner and Contractor of the Homeowner-Contractor Agreement for the Project, and execution by the Homeowner of a Mortgage and Promissory Note, or Receipt of Grant form, as applicable, provided by the Contract Administrator. In the event the Contract Administrator disapproves the Work Authorization submitted by SAGOMA for the Project, SAGOMA shall work with the Contract Administrator to resolve any issues which led to the disapproval. Following resolution of the issues and approval and execution of the Work Authorization by the Contract Administrator, and approval of
the draft of the Homeowner-Contractor Agreement, SAGOMA shall proceed as provided above in this Section. SAGOMA shall not authorize the Contractor to commence any work on the Project prior to the complete execution of the referenced documents.

If the Project provides for minor home repair activities (excluding exterior painting), SAGOMA shall obtain from COUNTY a Mortgage and Promissory Note to be executed by the Homeowner. If the Project provides for exterior painting or water and sewer connections activities, SAGOMA shall obtain from COUNTY a Receipt of Grant form to be executed by the Homeowner instead of a Mortgage and Promissory Note.

11. Following commencement of a Project, prepare requested Change Orders, as needed, for review and approval by the Contract Administrator, to authorize additional work, change the time for performance, or increase the amount of compensation to the Contractor under the Homeowner-Contractor Agreement for a Project.

12. Monitor performance of work by the Contractor for a Project pursuant to the terms of the Homeowner-Contractor Agreement.

13. Act as a liaison between the Homeowner and the Contractor for the work to be performed for a Project, provide dispute resolution for the Project as provided in the Homeowner-Contract Agreement, and document in writing the issue or dispute and the resolution. In the event SAGOMA is unable to resolve any questions, difficulties, or disputes of whatever nature arising between the Homeowner and Contractor relating to the Homeowner-Contractor Agreement, or if the Homeowner fails to execute the Contractor's Request for Payment as provided in the Homeowner-Contractor Agreement, SAGOMA shall notify COUNTY in writing of the issue or dispute that it is not able to resolve in order for COUNTY to perform dispute resolution as provided in the Homeowner-Contractor Agreement.

14. Obtain a Homeowner Satisfaction Survey, in a form provided by COUNTY, after the work for a Project is completed by the Contractor pursuant to the Homeowner-Contractor Agreement and prior to Project Completion.

15. Submit Monthly Reports to COUNTY as provided in Exhibit "E" of the Agreement.

16. Perform all other activities required under the terms of the Agreement.

**COUNTY'S RESPONSIBILITIES:**

A. COUNTY shall provide the following services and activities for the Program in accordance with the terms of the Agreement:

1. Perform community outreach regarding the Program and refer individuals to SAGOMA.
2. Perform income certification of an applicant after SAGOMA processes the application for assistance under the Program and performs the feasibility inspection of the home.

3. Review a Work Authorization prepared and executed by SAGOMA, the draft of the Homeowner-Contractor Agreement prepared by SAGOMA, and any other related documents submitted by SAGOMA to the Contract Administrator for a Project, and respond in writing within three (3) business days as to whether the Work Authorization and the draft of the Homeowner-Contractor Agreement are approved or denied. If the Contract Administrator approves the Work Authorization and the draft of the Homeowner-Contractor Agreement, SAGOMA shall be provided a fully executed Work Authorization. If the Contract Administrator denies the Work Authorization or the draft of the Homeowner-Contractor Agreement, the Contract Administrator will advise SAGOMA of the reason for the denial in order for SAGOMA to revise or correct the information and provide a revised Work Authorization or draft Homeowner-Contractor Agreement for review and approval.

4. Following the Contract Administrator's approval of a Work Authorization and the draft of the Homeowner-Contractor Agreement, COUNTY shall prepare the Mortgage and Promissory Note or Receipt of Grant Form, as applicable, in accordance with the funding amount included in the Work Authorization, and provide the documents to SAGOMA for execution by the Homeowner and the Contractor at the preconstruction meeting.

5. Perform interim and final inspections of the work performed by the Contractor for a Project.

6. Make available and provide to SAGOMA any information COUNTY receives that it deems, in its sole judgment, to be pertinent to a Project including, but not limited to, changes to the Program Guidelines, or any other information relative to the Program that impacts or may impact a Project.

7. Provide prompt written notice to SAGOMA whenever COUNTY observes or otherwise becomes aware of any issue that affects a Project including, but not limited to, the scope of work, time for performance, or alleged defect in the Contractor's work.

8. Review and approve Requests for Payment submitted by SAGOMA under the Agreement upon Project Completion in accordance with the terms of the Agreement.

9. Comply with the applicable reporting requirements for each funding source for the Program.
