A request to amend a platted non-vehicular access line has been filed with the Planning and Development Management Division. This plat was approved by the Broward County Board of County Commissioners (“Board”) on August 14, 1989. The property is located on the east and west side of Southwest 30 Avenue, between State Road 84 and Southwest 42 Street, in the City of Hollywood. This plat was recorded on May 21, 1990 (Plat Book 144, Page 2). Currently, the plat is restricted to 660,000 square feet of office; 2,640,000 square feet of industrial; and 88,000 square feet of commercial uses on 275.1 acres.

The applicant is requesting to amend the non-vehicular access line along State Road 84 to establish an 18-foot ingress access opening for right turn in only at 47.80 feet west of the northeast corner of Parcel A.

The attached Resolution No. R-2018-106 from the City of Hollywood indicates that the proposed note amendment was approved by the City Commission on April 4, 2018.

The attached requests for comments were sent to the adjacent City of Fort Lauderdale and Dania Beach. Dania Beach has no objection to this request and Fort Lauderdale did not provide comments within the allotted time.

The attached pre-application letter from the Florida Department of Transportation (FDOT) indicates approval of the proposed modifications on 2.48 acres of the site subject to the conditions and comments contained therein. The applicant is advised to contact Djemcy Limage, FDOT Access Management, at 954-777-4363 or djemcy.Limage@dot.state.fl.us.

Staff from the Highway Construction and Engineering Division and the Transit Division have reviewed this request and recommend APPROVAL subject to the conditions contained in the attached memorandum and shall meet the standards of the Broward County Development Code at the time of permit.

In addition, this approval is subject to the Board authorizing the Mayor to sign an order approving this agenda item subject to staff findings, comments, and recommendations.

The applicant is advised that, in accordance with Section 125.022, Florida Statutes, the issuance of a development permit by the County does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

KDL
MEMORANDUM

DATE: May 14, 2018

TO: Josie Sesodia, Director
   Planning and Development Management Division

FROM: David (D.G.) McGuire, Project Manager
      Plat Section, Highway Construction and Engineering Division

   Noemi Hew, Planner
   Transportation Department, Service Development

SUBJECT: Delegation Request: Modify Conditions of Plat Approval
          (Amendment to Non-Vehicular Access Line)
          Port 95 Commerce Park (019-UP-88)

The Highway Construction and Engineering Division and the Transportation Department, Transit Division have reviewed the application for modifications to the conditions of plat approval for the subject plat. In part, the application is a request to amend the non-vehicular access line (NVAL) along Marina Mile Boulevard (SR 84) adjacent to the plat. Our review included the information contained in the application, the property survey, the site plan (or conceptual access plan), the recorded plat, and the Development Review Report approved by the County Commission. Our review also included changes to the adjacent roadways and changes on the adjoining properties.

As a result of our review, staff has determined that new and amended plat requirements are necessary to ensure safe and adequate access between the adjoining Trafficway(s) and plat to comply with the adequacy standards of the Broward County Land Development Code. Staff recommends APPROVAL of the proposed NVAL amendment subject to the following:
NON-VEHICULAR ACCESS LINE AMENDMENT AGREEMENT

1. The property owners of Port 95 Commercial Park Parcel A (Folio Number 50429400010) must fully execute the Amendment to Nonvehicular Access Lines Agreement (CAF #457) and submit it to the Highway Construction and Engineering Division for review and approval.

2. The applicant must prepare the legal descriptions for the Exhibits to the NVAL Amendment Agreement according to the details outlined in this report.

3. An Opinion of Title from an attorney or a Title Certificate from a title company must be submitted with the NVAL Amendment Agreement and must include the following information:
   a. Same legal description as the affected portion of the recorded plat.
   b. Record owner(s) name(s).
   c. Mortgage holder(s) name(s) If none, it should so state.
   d. Date through which records were searched (within 30 days of submittal).
   e. Original signature and/or seal.

4. For properties held by partnerships or trusts, the applicant must submit copies of the partnership or trust documents, or an opinion from an attorney familiar with the partnership or trust listing the partner(s) or trustee(s) who may execute agreements and deeds.

NON VEHICULAR ACCESS LINE REQUIREMENTS

5. Exhibit "C" to the NVAL Amendment Agreement shall describe and illustrate a new non vehicular access line along Marina Mile Boulevard (SR 84) adjacent to the plat except at the following openings:
   a. An 18-foot opening centered 57 feet west of the nearest end of the corner chord. This opening shall be labeled on Exhibit C: RIGHT TURNS IN ONLY.

ACCESS REQUIREMENTS

6. A channelized driveway shall consist of one lane with a pavement width of 15 feet, with minimum entrance radii of 50 feet.

7. The minimum distance from the non-vehicular access line of Marina Mile Boulevard (SR 84), at any ingress or egress driveway, to the outer edge of
any interior service drive or parking space with direct access to such driveway shall be 100 feet.

TRAFFICWAYS IMPROVEMENTS (Secure and Construct)

8. The physical channelization of the driveway in the 18-foot opening on Marina Mile Boulevard (SR 84) as specified under the non-vehicular access line requirements.

SIDEWALK REQUIREMENTS (Secure and Construct)

9. Along Marina Mile Boulevard (SR 84) adjacent to this plat.

COMMUNICATION CONDUIT/INTERCONNECT (Secure and Construct)

10. Construction of the required improvements shall include relocating or replacing any existing communication conduit/interconnect on Marina Mile Boulevard (SR 84) that may be damaged by construction. The security amount for communication conduit/interconnect must be approved by the Traffic Engineering Division.

PAVEMENT MARKINGS AND SIGNS (Secure and Construct)

11. Construction of the required improvements shall include installation of pavement markings and signs. All pavement markings shall be thermoplastic. Pavement markings and signing materials shall be fully reflectorized with high intensity materials. The security amount for pavement markings and signs will be based on the approved construction plans or the approved engineer’s cost estimate as outlined below.

IMPROVEMENT AGREEMENT AND SECURITY REQUIREMENTS

12. County Commission Policy requires a recordable agreement listing all of the plat required improvements. The owner of this plat shall enter into the standard Installation of Required Improvements Agreement (CAF#450) and submit it to the Highway Construction and Engineering Division for review and approval prior to recordation of the NVAL Amendment Agreement. The completion date for all required improvements listed as Exhibit "B" shall indicate completion prior to issuance of Certificates of Occupancy. Alternate phasing schedules must receive prior approval from the Highway Construction & Engineering Division. The use of a non-standard agreement will require independent approval by the County Commission.
13. The Installation of Required Improvements Agreement shall be secured by letter of credit, cash, lien, or other security acceptable to the County. Security instruments for all required improvements shall be submitted prior to NVAL Amendment Agreement recordation and/or commencement of construction. Security amounts shall be based upon the one of the following:

a. Approved construction plans. When security is based on approved construction plans, the security will be calculated at one hundred (100%) percent of the cost of the improvements. Requirements for submitting construction plans are outlined below.

b. Engineer’s cost estimate. When security is based on an engineer’s cost estimate, the security will be calculated at one hundred twenty-five (125%) percent of the cost of the improvements. Engineer’s cost estimate(s) must be submitted for review by the Highway Construction and Engineering Division. Use of approved cost estimate forms is required. Payment of the applicable review fee is required pursuant to Chapter 38.8 of the Broward County Administrative Code.

c. All forms are available on the Highway Construction & Engineering Division’s web page at: http://bcegov2.broward.org/bcengineering/Plats/PlatsForms.asp

IMPROVEMENT PLAN SUBMITTAL REQUIREMENTS

14. The construction plans for the required improvements (including pavement marking and signing plans) shall be submitted to Highway Construction and Engineering Division for review, and must be approved prior to the commencement of construction. Construction shall be subject to inspection and approval by the County. Pavement marking and signing shall be provided for all of the Improvements and shall be subject to review, field inspections and final approval by the Traffic Engineering Division. Security for pavement markings and signing shall not be released without field inspection and final approval by the Traffic Engineering Division of all materials, installations and locations.

15. Communication Conduit/Interconnect plans (3 sets and a cost estimate) shall be submitted to the Traffic Engineering Division. Any easements necessary for relocation and maintenance of the conduit must be provided and shown on the submitted plans. No security shall be released without field inspection and final approval of all
materials, installations and locations by the Traffic Engineering Division.

GENERAL REQUIREMENTS

16. The Traffic Engineering Division, the Highway Construction and Engineering Division, and the Office of Transportation recommendations for this Delegation Request may be modified for minor technical conflicts which are identified by details included in submitted construction plans.

17. All construction must include all necessary transitions to existing pavement, the lengths of which shall be determined by the design speed of the roadway. All designs, constructions, studies, etc., shall conform to the applicable sections of the following:

- State of Florida Department of Transportation:
  - "Design Standards".
  - "Standards Specifications".
  - “Transit Facilities Guidelines”
- Broward County: "Minimum Construction Standards for Roadways Under Broward County Jurisdiction"
- In addition, all designs for construction shall be certified by a Professional Engineer or Land Surveyor registered in the State of Florida, that they meet the standards included above.

18. The developer shall be responsible for the cost of relocating utilities, drainage facilities, traffic control poles, interconnect cables, and related equipment as necessary to complete required improvements.

19. Standard forms are available for downloading from the Highway Construction & Engineering Division’s web page.

20. The developer shall prepare and deliver all required documents, securities, deeds, easements, and agreement(s) within 18 months of approval of this Delegation Request. Failure to complete this process within the 18 month time frame shall render the approval of this Delegation Request null and void.

dgm
THIS PRE-APPLICATION LETTER IS EXTENDED UNTIL – October 5, 2018
THIS LETTER IS NOT A PERMIT APPROVAL

Michael Troxell
Thomas Engineering Group, LLC
1000 Corporate Drive, Suite 250
Fort Lauderdale, FL 33334

Dear Michael Troxell:

RE: October 5, 2017 - Pre-application Meeting for Category E Driveway, Date of Previous Pre-application Meeting: May 12, 2016.
Broward County - City of Hollywood, Urban; SR 84; Sec. # 86080; MP: 16.900
Access Class - 03; Posted Speed - 45 mph; SIS - N;
Request: Right-in only driveway on State Road 84, located approximately 100 feet west of SW 30th Avenue.

SITE SPECIFIC INFORMATION
Project Name & Address: Cumberland Farms - SR 84 & SW 30th Ave
Applicant/Property Owner: West Pond Associates LLC, Louis Paolino D Jr.
Parcel Size: 2.46 Acres Max. Sq.ft./Proposed LU: 16 F.P. Gas Station & 5,000 S.F. Convenience Store

WE APPROVE YOUR REQUEST
This decision is based on your presentation of the facts, site plan and survey - please see the conditions and comments below. You may choose to review this concept further with the District Access Management Review Committee (AMRC).

Conditions:
- A minimum driveway length of 100 feet, as measured from the ultimate right-of-way line to the first conflict point shall be provided.
- The proposed in-only driveway shall be channelized and have a maximum width of 16 feet.

Comments:
- Drainage mitigation is required for any impacts within FDOT right-of-way (i.e. increased runoff or reduction of existing storage). A Storm Water Pollution Prevention Plan must be submitted with the application for more than one acre of "disturbed area" as defined by the Florida Department of Environmental Protection (FDEP).
- The applicant shall donate the right-of-way to the Department if right-of-way dedication is required to implement the improvements.
- Any driveways not approved in this letter must be fully removed and the area restored.
- Dimensions between driveways are measured from the near edge of pavement to near edge of pavement and for median openings are measured from centerline to centerline unless otherwise indicated.

The purpose of this Pre-Application letter is to document the conceptual review of the approximate location of driveway(s) to the State Highway system and to note required improvements, if any. This letter shall be submitted with any further reviews and for permitting. The Department’s personnel shall review permit plans for compliance with this letter as well as current Department standards and/or specifications. Final design must consider the existing roadway profile and any impacts to the existing drainage system. NOTE, this letter does not guarantee permit approval. The permit may be denied based on the review of the submitted engineering plans. Be aware that any approved median openings may be modified (or closed) in the future, at the sole discretion of the Department. For right-of-way dedication requirements go to: https://gis.dot.state.fl.us/OneStopPermitting; click on Statewide Permit News; Scroll down to District 4; Scroll down to Additional Information and Examples and choose Right-of-Way Donations/Dedications.

Please contact Geysa Sosa, P.E. at the District Permits Office with any questions regarding permits – Tel. # 954-777-4377 or e-mail: geysa.sosa@dot.state.fl.us.

Sincerely,

Dalila Fernandez, P.E.
District Traffic Access Manager

Application to Change or Waive Requirements  
of the Broward County Land Development Code  

INSTRUCTIONS  
This form is used to apply for changes or waivers to requirements of development permit applications  
processed under the Broward County Land Development Code. These include changes or waivers to the  
following:

ROADWAY RELATED  
1. Non-Vehicular Access Lines  
2. Curb Improvements (such as turn lanes, bus bays, traffic signals, etc.)  
3. Right-of-Way Dedications  
4. Sidewalks and Paved Access  
5. Design Criteria  

NON-ROADWAY RELATED  
6. Design Criteria  
7. Waste Water Disposal/Source of Potable Water  
8. Fire Protection  
9. Parks and/or School Dedications  
10. Impact/Concurrency Fee(s)  
11. Environmental Impact Report  
12. Other Changes  

For your application to be officially accepted for processing and scheduled for a County Commission meeting,  
you must complete this application in full. The owner/agent certification (on the reverse side of this form) must  
be signed and notarized with the appropriate documentation attached. Please type this application or print  
legibly in black ink.

PROPOSED CHANGES  
Use this space below to provide the following information and clearly describe the proposed changes you are  
requesting. If you are requesting changes to a specific staff recommendation(s) listed in a Development Review  
Report, please specify the staff recommendation number(s). If you are requesting a waiver or variation of a  
provision of the Land Development Code, please cite the specific section(s).

Staff Recommendation No(s): __________  
Land Development Code citation(s): None  
Have you contacted anyone in County Government regarding this request?  
☐ Yes  ☐ No

If yes, indicate name(s), department and date

Narrative explaining proposed changes in detail including the desired result and justification for the request  
(attach additional sheet if necessary):

Establish an 18 foot ingress only access opening on SE 84th a  
distance of 47.80 feet West of the Northeast corner of parcel 4

Please see the reverse side of this form for Required Documentation and Owner/Agent Certification

(Revised 10/15)
REQUIRED DOCUMENTATION: Submit one (1) original of each document and electronic copy of each item listed below. Each document listed below must also be submitted electronically as a separate pdf on a CD, flash drive, etc.

All requests listed on this application must include the following documents:

☑ Letter from the applicable municipality, dated within six (6) months of this application, stating the city's position on this request.

☑ Approved or recorded plat (a survey and site plan may be accepted for single family and duplex applications. Please consult with Planning and Development Management Division staff).

☑ A check for the application fees (if applicable) made payable to: Broward County Board of County Commissioners. Please consult the Development Permit Application Fee Schedule.

For ROADWAY RELATED items (1 through 5) listed under INSTRUCTIONS on Page 1 of this form, the following additional documents are also required:

☑ The proposed site plan (2 original) which shows, at a minimum, the on-site traffic circulation system, adjacent roadway details, and the location of all existing and proposed driveway(s). The site plan must provide relevant dimensions and must be drawn to scale.

☑ Signed and sealed drawings (2 original) clearly illustrating the proposed change(s). The drawings must provide relevant dimensions and must be drawn to scale.

☑ A valid Pre-Application approval letter from the Florida Department of Transportation is required for all roadway and/or access related applications which abut a Trafficway that is functionally classified as a State Road. This requirement includes the creation or amendment of vehicular access and/or any improvements requiring permits from the State.

For NON-ROADWAY RELATED items (6 through 12) listed under INSTRUCTIONS on Page 1 of this form, please consult with Planning and Development Management staff to determine any additional required documentation.

OWNER/AGENT CERTIFICATION

RE: “PORT 95 COMMERCE PARK” PLAT (19-UP-88)- DELEGATION REQUEST TO AMEND THE NON-VEHICULAR ACCESS LINE

Dear Ms. Turner,

Enclosed please find the submittal of the Delegation Request to amend the non-vehicular access line on the “PORT 95 COMMERCE PLAT” Plat Book 144 Page 2). We are seeking an amendment to allow us to establish an 18-foot ingress only access opening on SR 84, a distance of 47.80 feet west of the northeast corner of Parcel A. This amendment to the non-vehicular access line will improve access to the site and circulation on the site.

Please review and kindly place us on the next available County Commission meeting. If you have any questions, please do not hesitate to contact us. As always, it's a pleasure to work with you.

Sincerely,

PULICE LAND SURVEYORS, INC.
