FIRST AMENDMENT TO SYSTEM AND SERVICES AGREEMENT
BETWEEN BROWARD COUNTY AND RADIO ONE, INC.

This First Amendment ("First Amendment") to the System and Services Agreement Between Broward County and Radio One, Inc., is entered into by and between Broward County, a political subdivision of the State of Florida ("County"), and Radio One, Inc. ("Provider" or "Radio One"), a Florida corporation registered to transact business in the State of Florida (collectively referred to as the "Parties").

RECITALS

A. On March 22, 2018, the Parties entered into the System and Services Agreement ("Agreement") to provide an upgrade to Broward County's existing local government radio system.

B. The Parties desire to amend the Agreement to expand the scope and increase the threshold for Optional Services that County may purchase under the Agreement and to delegate authority to the Director of Purchasing to approve certain purchases.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this First Amendment shall retain the meaning ascribed to such terms in the Agreement.

2. Except as modified herein, all terms and conditions of the Agreement remain in full force and effect. Where applicable herein, changes to the text of the Agreement are shown in strikethrough text to indicate deletions and bold/underlining text to indicate additions.

3. Section 3.4 of the Agreement is amended as follows:

3.4 Change of Scope Procedures. Provider acknowledges that Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the scope of services to be provided under this Agreement except as expressly provided herein. To the extent any goods or services under this Agreement, or the quantity thereof, are identified in this Agreement as optional ("Optional Services"), County may select the type, amount, and timing of such goods or services pursuant to a Work Authorization (Exhibit E) executed by Provider and County pursuant to this section, or pursuant to a purchase order, and provided that no such selection, when combined with those goods or services required under the Agreement, would result in a payment obligation exceeding the applicable maximum amount stated in Section 5.1. To the extent the Optional Services include services other than Support and Maintenance Services, a Work Authorization must be utilized; if the Optional Services do not include
services other than Support and Maintenance Services, a purchase order may be utilized providing the pricing is as stated in Exhibit B. Notwithstanding anything to the contrary in the Agreement, Work Authorizations for Optional Services pursuant to this section shall be executed on behalf of the County as follows: the Contract Administrator may execute Work Authorizations for which the total cost to County in the aggregate is less than $50,000.00 and; the Purchasing Director may execute Work Authorizations for which the total cost to the County in the aggregate is **$50,000.00 or more, up to the applicable not-to-exceed amount stated in Section 5.1** within the Purchasing Director’s delegated authority; any Work Authorizations above the County’s Purchasing Director delegated authority shall require Board approval. Subsequent to the full execution of any Work Authorization, the Contract Administrator will issue a Notice to Proceed for those authorized Optional Services. Provider shall not commence work on any Work Authorization until after receipt of the applicable Notice to Proceed.

4. Section 5.1 of the Agreement is amended as follows:

For the duration of the Agreement, County will pay Provider in accordance with Exhibit B up to the following maximum amount(s):
