RESOLUTION NO. 2018-

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF BROWARD COUNTY, FLORIDA, EXPRESSING SUPPORT FOR THE CITIES FOR CITIZENSHIP INITIATIVE; DIRECTING AND AUTHORIZING THE COUNTY ADMINISTRATOR TO TAKE ALL NECESSARY ADMINISTRATIVE AND BUDGETARY ACTIONS SO THAT BROWARD COUNTY MAY BE DESIGNATED AS A PARTICIPATING COMMUNITY IN THE CITIES FOR CITIZENSHIP INITIATIVE; AUTHORIZING AND DIRECTING THE COUNTY ADMINISTRATOR TO DEVELOP A CITIZENSHIP INITIATIVE; AUTHORIZING AND DIRECTING THE COUNTY ADMINISTRATOR TO APPLY FOR GRANTS AVAILABLE THROUGH THE CITIZENS FOR CITIZENSHIP INITIATIVE; DIRECTING THE COUNTY ADMINISTRATOR TO SUBMIT A REPORT REGARDING THE IMPLEMENTATION OF THE CITIES FOR CITIZENSHIP INITIATIVE; AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the United States has always been a home to those seeking freedom, opportunity, and refuge from persecution and who have become lawful permanent residents and pursued their American Dreams, helping to build our nation and contributing with their hard work; and

WHEREAS, there are over 8.8 million immigrants in the United States who are currently eligible to become citizens; and

WHEREAS, 1.17 million of the nation’s lawful permanent residents reside in Florida and, of those, approximately 835,097 are eligible to become citizens through naturalization; and

WHEREAS, a recent study conducted by the Pew Hispanic Center found that roughly one-third of immigrants eligible to naturalize fail to do so for reasons that include, but are not limited to, the cost and complexity of the citizenship process; and
WHEREAS, when immigrants naturalize, they have made an affirmative decision to study English, U.S. history and government, and swear allegiance to our Constitution; and

WHEREAS, naturalization provides benefits to lawful permanent residents by providing them with full civil and political rights, protection against deportation, easier travel abroad, and full access to government jobs and assistance; and

WHEREAS, naturalized citizens have higher income, generate more taxes, connect with their neighbors more easily, and assume their full rights and responsibilities in this country, to proudly say “America is Home”; and

WHEREAS, research suggests that a targeted initiative to reach out to and assist the 112,863 Broward County residents who are eligible for citizenship could provide a significant boost to our local economy as these individuals are more likely to invest in the local economy, which they now identify as their home; and

WHEREAS, Cities for Citizenship is a collaboration co-chaired by the mayors of Chicago, Los Angeles, and New York that was established to promote large-scale naturalization campaigns in metropolitan areas with large immigrant populations; and

WHEREAS, participating metropolitan areas in Cities for Citizenship include Atlanta, Baltimore, Boston, Chattanooga, Chicago, Denver, Los Angeles, Nashville, New York City, Milwaukee, Philadelphia, Pittsburg, Redding, Seattle, and Washington, D.C.; and

WHEREAS, participating communities are required to commit to (1) track naturalization numbers and report those figures regularly to the Cities for Citizenship Leadership Council, (2) establish a target for annual naturalization numbers,
participate in at least one Cities for Citizenship initiative each year, and (4) share citizenship initiative materials and plans with the Cities for Citizenship initiative; and

WHEREAS, Cities for Citizenship has launched the “America is Home” initiative, which will, among other things, provide two-year challenge grants to promote citizenship programs and provide scholarships to grantees to attend the National Immigrant Integration Conference in December 2018; and

WHEREAS, Broward County is an ideal location for the Cities for Citizenship initiative due to its considerable immigrant population and the extensive existing network of profit, nonprofit, and governmental organizations, that currently and capably work towards reducing the barriers deterring lawful permanent residents from becoming citizens; and

WHEREAS, the Board of County Commissioners of Broward County, Florida ("Board"), currently supports programs with the Florida Immigrant Coalition and the Community Access Center, which have processed citizenship applications for approximately 3,000 individuals, 85% of whom were eligible for fee waivers; and

WHEREAS, the Board wishes to express its support for the Citizens for Citizenship initiative and to authorize the County Administrator to take all actions necessary so that Broward County may join the Citizens for Citizenship initiative, NOW, THEREFORE,

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF BROWARD COUNTY, FLORIDA:
