- Contract's Estimated Value = \$8,755,690.00
- Proposed CBE Sub-Contract Amount = \$2,213,023.00
- Proposed CBE Participation: 25.28%

CBE Compliance Comments

This solicitation was originally advertised on May 8, 2009, with an established 25% Community Disadvantaged Business Enterprise (CDBE) participation goal. Subsequent to the enactment of the County Business Enterprise (CBE) Act on June 23, 2009; and as part of the transition into the new program, firms currently certified by the Broward County Small Business Development Division under the CDBE program will automatically be certified under the new CBE program. Therefore, all certified firms submitted by the responsive bidders are compliant with the current program requirements.

Tran Construction and Palm Beach Grading submitted incomplete Letters of Intent for their intended sub-contractors. Per the County Business Enterprise Act of 2009, Sec. 1-81.4(d), the bidder has the opportunity to cure any technical issues, pertaining to the submission of incomplete information or documentation, within three (3) business days after notification from the County. Staff contacted the bidders to request properly executed Letters of Intent to include the participation percentages for the sub-contractors. The bidders complied with the requests and submitted completed Letters of Intent indicating the participation for their sub-contractors.

This master agreement for general roadway and miscellaneous construction will be used on an as-needed basis. As such, the sub-contractors' participation will be calculated based on the actual usage of the contract.
