To Whom it May Concern;

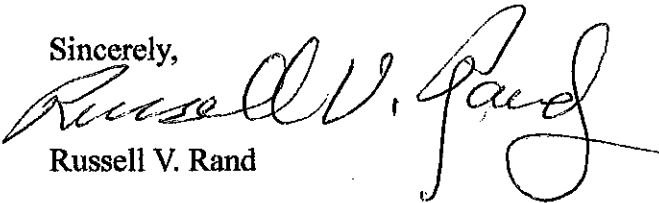

Re: Oct. 27th and Nov. 10th Commission Meeting

As you are aware, I was unable to speak at the Oct. 27th meeting, even though I had signed up to speak on agenda item #45. Unfortunately, I had also been out of town for my father's 90th birthday (he is failing quickly and will not last more than a few weeks). I would still like to address the Board concerning accountability in the HR processes, at some future meeting of the Commission.

Additionally, if possible, I would like to speak on the recent (Nov. 3rd meeting) item concerning the Emergency Management Response to Hurricane Disasters. This is a matter of great public concern and safety, and is something that has been a passionate topic for me over these past 35 years.

Thank you for your considerations in these matters.

Sincerely,

Russell V. Rand
