August 9, 2010

Mayor Ken Keechl and Members of the Broward County Board of County Commissioners
 Broward County Governmental Center
 115 South Andrews Avenue, Suite 421
 Fort Lauderdale, Florida 33301

Dear Mayor Keechl and members of the Broward County Commission:

As Chair of the Children's Services Board (CSB) and pursuant to the Broward County Advisory Board Policies as revised April 2010, it is my pleasure to request your approval of the children's Services Advisory Board's funding recommendations in the Human Services Department's funding resolution for fiscal year 2011.

The new services on the exhibit attached to the resolution were advertised by the Human Services Department in the HSD Request for Proposals (RFP) for FY2011 Services. The proposals were received by the Department, reviewed by staff and community experts in each category, and approved by unanimous vote of the Children's Services Board on July 9, 2010 to be forwarded to you to request final approval, authorizing the County Administrator to execute contracts with the organizations for the specified services and dollar amounts. Those being recommended as renewals under Children's Services were also approved by the CSB after similar funding processes during the previous two fiscal years. The total Children's Services recommendations for new and renewing contracts reflect a targeted reduction in children's NPO dollars. The CSB understands the County Commission's difficult task in balancing the FY11 budget and hopes the attached recommendations can be approved without additional reductions in services for children.

The CSB hopes the recommendations are met with approval.

With appreciation for the County Commission's continuing commitment to Broward's children,

Sincerely,

A handwritten signature in blue ink that reads "Donna Korn".

Donna Korn, Chair
 Broward County Children's Services Board
