HOMELESS INITIATIVE PARTNERSHIP ADVISORY BOARD
BROWARD COUNTY, FLORIDA

August 6, 2010

Board of County Commissioners
Broward County, Florida

Subject: Fiscal Year 2011 Homeless Initiative Partnership (HIP) Budget Recommendations for the Homeless Continuum of Care

Dear Commissioners:

As Chair of the Homeless Initiative Partnership (HIP) Advisory Board, and pursuant to the Broward County Advisory Board Policies as revised December 9, 2008, it is my pleasure to request your approval of the Homeless Services recommendations in the Human Services Department's funding resolution for fiscal year 2011.

The new services on the exhibit attached to the resolution were advertised by the Human Services Department in the HSD Request for Proposals for FY 2011 Services. The proposals were received by the department, reviewed by staff and community experts in each category, and approved by the HIP Advisory Board on June 24, 2010 to be forwarded to you to request final approval, authorizing the County Administrator to execute contracts with organizations for the specified services and amounts. Those being recommended as renewals under Homeless Services were also approved by the HIP Advisory Board after similar funding processes during the previous two fiscal years.

The HIP Advisory Board understands the County Commission's difficult task in balancing the FY 2011 budget and hopes the attached recommendations will be approved without reductions in services for homeless individuals and families.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Robert Gregg".

Robert Gregg, Chair

On behalf of Broward County Homeless Initiative Partnership Advisory Board
