RE: Letter of Support

Dear Commissioner Jacobs:

It is with great pleasure that I write this letter of support to rename the Family Success Human Services Center located at 2011 Esther Rolle Avenue, Pompano Beach, to the Annie L. Weaver Health Center.

As you may already be aware, Annie Weaver moved to Pompano Beach in 1954 and served our community in many ways until she died in 2004. She was a Governor's appointment to the North Broward Hospital District Board of Directors, where she served as the first African American Chairperson. Ms. Weaver was also co-owner of Playtown Day Care Center in Pompano Beach along with her husband Karl Weaver.

Annie Weaver was not only civic minded, but always went that extra mile to help those in need. It is only fitting that I support the memory of Annie L. Weaver by renaming the Family Success Human Services Center.

Sincerely,

Lamar Fisher
Mayor
