Dear Committee,

It is indeed a pleasure and honor to support this effort to rename the Center for our deceased and beloved member, Annie L. Weaver. Sister Weaver was a cherished member of our congregation. She worked tirelessly in her church and community.

Sister Weaver had a vision of healthcare for all, no matter the race, creed, color or economic status. She especially expressed concern that children receive adequate health care. The availability of these services in the community in which they lived and worked was of the utmost importance to her.

That is why this effort is so worthy of the support of myself and the entire Bethel AME Church family. We stand in unity in our support.

Please feel free to contact me if there is anything that we can do to assure the success of this effort.

Sincere regards,

Rev. T. R. Francisco, Sr.
