TO WHOM IT MAY CONCERN

Dear Sir / Madam :

This is to inform you that New Creation Baptist Church of Christ, Incorporated is in full agreement with the Committee to rename the Family Success Center located at 2011 Esther Rolle Avenue (NW Third Avenue) in the City of Pompano Beach, Florida to the Annie L. Weaver Health Center.

We believe that the renaming of this County owned building is appropriate because Annie L. Weaver was a Pompano Beach activist and humanitarian who dedicated much of her life working tirelessly to help ensure that the residents of Broward County had access to adequate healthcare.

The naming of streets and other public places is recognized as being an integral part of giving honor. This includes but is not limited to the creation of places that residents and users can relate to and take pride in. Richard Steele once said, " A favour well bestowed is almost as great an honour to one who confers it as to one who receives it. " Therefore, we believe the renaming of this building to the Annie L. Weaver Health Center is the right thing to do because it is a way of etching into our community's history the numerous contributions and accomplishments Mrs. Weaver has made in the area of healthcare.

Attached you will find a copy of the motion made in support of this effort.

Sincerely .

Reverend Michael J. Scott, Pastor
