October 16th Board Meeting

This is to acknowledge that at the Central County Community Advisory Board meeting of October 16, 2013, the Board approved the following on a 5 – 0 vote:

MOTION to recommend that the County Commission consider allowing mobile food units in the B-3 Intense Commercial Business Districts located in the Central County Community Overlay District. Such proposal should be generally consistent with the draft language discussed at the Central County Community Advisory Board meeting of October 16, 2013, with accessory outdoor grilling also being permitted, and deleting reference to a 5 year limit for renewal of a certificate of use.

Signed
