STAFF REPORT
Davie Towne Centre Plat
058-MP-87

A request to amend the note on the plat has been filed with the Planning and Redevelopment Division. This plat was approved by the County Commission on September 1, 1987, for a mixture of commercial, office and hotel uses on 90.72 acres. The property is located on the east side of University Drive, between State Road 84 and Nova Drive, in the Town of Davie. The plat was recorded on February 25, 1988 (P.B. 133, PG. 33) with the following restrictive note:

This plat is restricted to 675,000 square feet of commercial use, 80,000 square feet of office use and a 550 room hotel. Residential uses are not permitted without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

The applicant is requesting to amend the note to subdivide Parcel A into two parcels, creating Parcel A-1, adding 34,480 square feet of commercial use, decreasing the office use by 72,319 square feet, eliminating 425 hotel rooms and incorporating two existing service stations with a total of 26 fueling positions. The requested note would read as follows:

Parcel A (see attached legal description) is restricted to 452,689 square feet of commercial use (369,765 square feet existing and 82,924 square feet proposed) and 7,681 square feet of office use.

Parcel A-1 (see attached legal description) is restricted to 256,791 square feet of existing commercial use, 125 existing hotel rooms and two existing service stations with a total of 26 fueling positions.

Freestanding banks and/or banks with drive-thru facilities are not permitted within the plat without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

This plat is also included in the Redevco-Davie Development of Regional Impact (DRI), which is vested for 2,734 pm peak hour trips through the Development Order adopted by the Davie Town Council on June 3, 1987 (Ordinance No. 87-71) as most recently amended on December 20, 1995 (Ordinance No. 95-48). The attached letter from the Town of Davie indicates no objection to this request as approved by Town Resolution No. 2014-14, and also states that the proposed note language is consistent with the DRI, which was determined to be "Essentially Built-out" on December 7, 2011, in accordance with Section 380.06(15)(g)3, Florida Statutes, and Town Resolution No. R-2012-93.

This request was evaluated by the Reviewing Agencies.

The attached memorandum from the Broward County Planning Council indicates that the effective Land Use Plan designates the area covered by this plat for the uses permitted in the "Residential 10 du/ac" (i.e. approximately 4.16 acres in the southeast portion of the plat) and "Commercial" (i.e. the remainder of the plat) land use categories.

Continued

Planning Council staff has received written documentation that the Town of Davie has allocated the "5% residential-to-commercial" flexibility rule to the 4.16 acres in the southeast portion of this plat on April 16, 2014. Therefore, the existing and proposed commercial, office, and hotel uses and fueling positions are in compliance with the permitted uses of the effective Land Use Plan. Planning Council staff also notes that this allocation of "flexibility" is not subject to Policy 13.01.10 of the Broward County Land Use Plan as the subject parcel is not located within 500 feet of a Broward County or regional park, or an Environmentally Sensitive Land, as defined by the Broward County Comprehensive Plan, and is not located adjacent to another municipality.

The attached memorandum from the Highway Construction and Engineering Division and the Transit Division indicates no objection to the proposed note amendment. In addition, the Service Development staff of the Transit Division notes that this plat is served on University Drive and Nova Drive by Routes 2 and 12.

The applicant is advised by the Aviation Department that any proposed construction on this property with a height exceeding 200 feet, or the use of cranes or other high-lift equipment, must be reviewed to determine if Federal Aviation Regulation Part 77, Florida Statutes, Chapter 333 and/or the Broward County Airport Zoning Ordinance apply to this development. Based on the location of the proposed project, the FAA may need to conduct a review to determine whether the project is a potential hazard to aviation. To initiate the Federal Aviation Review, access the FAA Web Page at: http://oeaaa.faa.gov/oeaaa/external/portal.jsp.

The attached comments from the Historical Commission indicate that there is little potential for the discovery of unrecorded archaeological and/or historical cultural resources within the proposed project boundary.

The Natural Resources Planning and Management Division has reviewed this request and at this time, this site is not included in the Protected Natural Lands Inventory and is not adjacent to a site in the inventory. The Environmental Review Report, coordinated by the Planning and Redevelopment Division, is attached.

This plat with the amended note satisfies the solid waste disposal concurrency requirement of Section 5-182(h) of the Land Development Code. In addition, based on the County's adopted trip generation rates, this request represents a decrease of 91 pm peak hour trips. The plat is located within the South Central Transportation Concurrency Management District and the Redevco-Davie DRI and meets the regional transportation concurrency standards specified in Section 5-182(a)(5)a) of the Broward County Land Development Code.

Road impact fees for the plat were satisfied by compliance with a Road Construction Agreement for the six-lane widening of University Drive consistent with the Development Order for the Redevco-Davie Development of Regional Impact (DRI). The existing and proposed development on the plat does not exceed the number of trips permitted by the DRI Development Order; therefore, no additional road impact fees or transportation concurrency fees will be assessed based on this request.

Continued

This request was deferred by the applicant from the April 22, 2014 and June 10, 2014, County Commission meetings. Prior to recordation of the agreement amending the note on the plat, the applicant must pay the deferral fee of \$332.00 in accordance with County Commission Resolution No. 95-773, as amended.

Staff recommends APPROVAL of this request, subject to the applicant accomplishing the following:

- 1) Paying the deferral fee of \$322.00 prior to recordation of the note amendment agreement; and
- 2) Recording a document acceptable to the County Attorney's Office to amend the note on the face of the plat prior to **June 24, 2015.**

In addition, staff recommends that the Board authorize the Mayor to sign an order approving this agenda item subject to staff findings, comments, and recommendations.

Finally, the applicant is advised that, in accordance with Section 125.022, Florida Statutes, the issuance of a development permit by the County does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

Plantation, FL 33324

Subject: Davie Towne Center Plat Note - second revision

Dear Mr. Berger:

On January 15, 2014, the Davie Town Council adopted Resolution 2014-014, approving changes to the restrictive note to the above-described plat. I submitted a letter dated February 10, 2014 confirming minor modifications to the language of the note. It my understanding that it is now necessary to modify the language of the note to read:

From:

This plat is restricted to 675,000 square feet of commercial use, 80,000 square feet for office use and a 550 room hotel. Residential uses are not permitted without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

To:

Parcel A (see attached legal description) is restricted to 452,689 square feet of commercial use (369,765 square feet existing, 82,924 square feet proposed) and 7,681 square feet of office use.

Parcel A-1 (see attached legal description) is restricted to 256,791 square feet of existing commercial use, 125 existing hotel rooms, and 26 existing fueling positions.

Freestanding banks or banks with drive-thru facilities are not permitted within the plat without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

The Town has no objection to the above modification in that it is consistent with the overall intent of Resolution 2014-014 and merely re-arranges commercial square footage in order to delineate fueling stations separately. The above modification is also

consistent with the Development of Regional Impact, which was recently determined to be "Essentially Built-out" pursuant to Florida Statutes, as more particularly described in Town Resolution 2012-093.

Sincerely,

David Quigley, AICP

Planning and Zoning Manager

RESOLUTION NO. R-2014-14

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING A DELEGATION REQUEST TO CHANGE THE RESTRICTIVE NOTE ON THE PLAT KNOWN AS "DAVIE TOWNE CENTRE PLAT", AND PROVIDING AN EFFECTIVE DATE

WHEREAS, the plat known as the "Davie Towne Centre Plat" was recorded in the public records of Broward County in Plat Book 133, PG. 33; and

WHEREAS, the owner desires to amend the restrictive note associated with said plat; and

WHEREAS, Broward County requires that the Town of Davie concur with this amendment prior to a review of the proposed revision by Broward County Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA.

SECTION 1. The Town Council of the Town of Davie does hereby approve the proposed amendment to the "Davie Towne Centre Plat" (Plat Book 133, PG. 33, Broward County Records) being specifically described in the exhibit attached hereto.

SECTION 2. Any improvements required to satisfy transit oriented concurrency should be located within the Town of Davie on the local road network.

SECTION 3. This resolution shall take effect immediately upon its passage and adoption.

MAYOR/QOUNCILMEMBER

CTING/TOWN CLERK

APPROVED THIS 15 DAY OF ____ amuany

RESOLUTION NO. R-2012-93

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACKNOWLEDGING THE ESSENTIALLY BUILT-OUT STATUS OF THE REDEVCO-DAVIE DEVELOPMENT OF REGIONAL IMPACT AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, FR Tower Shops, LLC ("Tower Shops") is the owner of that certain 66.5 acre parcel of real property described in Exhibit "A", attached hereto and incorporated herein by reference (the "Tower Shops Property") which lands are located within the Redevco-Davie Development of Regional Impact ("DRI"), a 91 acre (more or less) parcel of real property described in Exhibit "B", attached hereto and incorporated herein by reference; and

WHEREAS, Redevco Corporation ("Redevco"), Tower Shops' predecessor-in-interest to the Tower Shops Property, was the developer of the DRI and, in 1987, filed an Application for Development Approval No. 87-71-DRI (which, together with other exhibits submitted and recorded, is hereinafter referred to as the "Application") with the Town of Davie ("Town"), the State of Florida Department of Community Affairs ("Department") and other appropriate regulatory agencies pursuant to the provisions of Section 380.06, F.S., as amended; and

WHEREAS, the Department is the state land planning agency having the power and duty to execute general supervision of the administration and enforcement of Chapter 380, Florida Statutes ("F.S."), which includes provisions relating to DRI's; and

WHEREAS, the Application proposed a mixed-use retail, office and hotel development, generally bounded by University Drive to the west, Nova Drive to the south and Interstate-595 to the north; and

WHEREAS, on June 3, 1987, the Town approved the Application through a Development Order for the Redevco-Davie DRI pursuant to the provisions of Section 380.06, F.S., by Ordinance No. 87-81; and

WHEREAS, the Development Order was subsequently amended by (i) Ordinance No. 87-81 dated July 1, 1987, (ii) Ordinance No. 88-33 dated July 20, 1988, (iii) Ordinance No. 88-41 dated August 17, 1988 (iv) Ordinance No. 89-4 dated April 5, 1989, (v) Ordinance No. 90-3 dated February

21, 1990, (vi) Ordinance No. 91-16 dated March 6, 1991, (vii) Ordinance No. 93-21 dated July 7, 1993, and (viii) Ordinance No. 95-48 dated December 20, 1995 (collectively referred to herein as the "Development Order"); and

WHEREAS, Exhibit "C" lists the level of development approved, constructed and remaining within the DRI as of June 20, 1997: and

WHEREAS, the Development Order established a DRI Build-Out Date of June 20, 1997; and WHEREAS, all Redevco-Davie DRI Development Order requirements for the contribution of funds, land and public facilities expressly designated and used to mitigate impacts attributable to the development at the time of approval have been satisfied; and

WHEREAS, development within the DRI is substantially in compliance with the Development Order as described in the Annual Report attached hereto as Exhibit "D" and incorporated herein by reference; and

WHEREAS, the Florida Department of Economic Opportunity issued a Clearance Letter on December 7, 2011 confirming the essentially built-out status of the DRI, a copy of which is attached hereto as Exhibit "E".

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA:

SECTION 1. In accordance with Section 380.06(15)(g)3, Florida Statues, the Redevco-Davie DRI is "essentially built-out", as determined by the Department of Economic Opportunity Clearance Letter dated December 7, 2011, because (a) all mitigation requirements in the Development Order have been satisfied, (b) the development is in compliance with all applicable terms and conditions of the Development Order except the Build-Out Date, and (c) the amount of proposed development that remains to be built within the DRI is less than forty percent (40%) of any applicable development of regional impact threshold.

SECTION 2. Given that the remaining entitlements within the DRI consist of 34,938 square feet of retail use, 72,319 square feet of office use and 425 hotel rooms, Tower Shops is permitted to convert the

remaining retail, office and hotel and entitlements to an equivalent use in the DRI provided that the total number of allocated vehicle trips allocated to the DRI is not exceeded, in accordance with the trips conversion analysis prepared by Hughes Hughes, Inc. attached hereto as Exhibit "F".

SECTION 3. In accordance with DEO Clearance Letter attached hereto as Exhibit "E", Development within the DRI may proceed without further review under Section 380.06, F.S., subject to the Town of Davie Comprehensive Plan and Town of Davie Land Development Code, including all Town of Davie site plan review requirements for future development within the DRI.

SECTION 4. This Resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED THIS 2 DAY OF 10 4 . 2012

MAYORCOVNCILMEMBER

APPROVED THIS 3 ND DAY OF May 2012

BROWARD COUNTY PLANNING COUNCIL

115 South Andrews Avenue, Room 307 = Fort Lauderdale, Florida 33301 = Phone: 954.357.6695

TO:

Henry A. Sniezek, Director

Planning and Redevelopment Division

Broward County Environmental Protection and Growth Management Department

FROM:

Barbara Blake Boy, Executive Director

RE:

Delegation Request for Davie Towne Centre Plat

(058-MP-87) Town of Davie

DATE:

April 17, 2014

This memorandum updates our previous comments regarding the referenced plat dated March 14, 2014.

Planning Council staff has reviewed the proposed revision to the restrictive note on the above referenced plat. The proposal is to change the restrictive note on the plat as follows:

FROM:

This plat is restricted to 675,000 square feet of commercial use, 80,000 square feet

of office use and a 550 room hotel.

TO:

Parcel 'A' is restricted to 452,689 square feet of commercial use (369,765 square feet existing, 82,924 square feet proposed) and 7,681 square feet of office use. Parcel 'A-1' is restricted to 256,791 square feet of existing commercial use, 125

existing hotel rooms and 26 existing fueling positions.

The Future Land Use Element of the Town of Davie Comprehensive Plan is the effective land use plan for the Town of Davie. That plan designates the area covered by this plat for the uses permitted in the "Residential 10 du/ac" (i.e. approximately 4.16 aces in the southeast portion of the plat) and "Commercial" (i.e. the remainder of the plat) land use categories. This parcel is generally located on the east side of University Drive, between Interstate 595 and Nova Drive.

Regarding the "Commercial" portion of the plat, the existing and proposed commercial, office, hotel and fueling positions are in compliance with the permitted uses of the effective land use plan.

Regarding the "Residential 10 du/ac" portion of the plat, Planning Council staff has received written documentation that the Town of Davie has allocated the "5% residential-to-commercial" flexibility rule to this plat on April 16, 2014. Therefore, the existing and proposed commercial, office, hotel and fueling positions are in compliance with the permitted uses of the effective land use plan.

Davie Towne Centre Plat April 17, 2014 Page Two

Planning Council staff notes that this allocation of "flexibility" is not subject to Policy 13.01.10 of the Broward County Land Use Plan as the subject parcel is not located within 500 feet of a Broward County or regional park, or an Environmentally Sensitive Land, as defined by the Broward County Comprehensive Plan, and is not located adjacent to another municipality.

The contents of this memorandum are not a judgment as to whether this development proposal complies with the Broward County Trafficways Plan, local zoning, other land development regulations or the development review requirements of the Broward County Land Use Plan including its concurrency requirements.

FROM: David Huizenga, Engineer III

Plat Section, Highway Construction and Engineering Division

Noemi Hew, Planner

Service Development, Transportation Department

SUBJECT: Delegation Request to Amend Plat Note – REVISED COMMENTS

DAVIE TOWNE CENTRE PLAT (058-MP-87)

The Highway Construction and Engineering Division and the Transportation Department have reviewed the Delegation Request to amend the plat restriction note as follows:

Parcel A (see attached legal description) is restricted to 452,689 square feet of commercial use (369,765 square feet existing, 82,924 square feet proposed) and 7,681 square feet of office.

Parcel A-1 (see attached legal description) is restricted to 256,791 square feet of commercial use and 125 hotel rooms and two existing service stations with a total of 26 fueling positions.

Freestanding banks or banks with drive-thru facilities are not permitted without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

The proposed note amendment represents a net decrease in project trips. As a result, we have no objection to the proposed note amendment.

The Service Development staff from the Transportation Department notes that this plat is served by BC Transit Routes 2 and 12 University Drive and Nova Drive.

Susanne Henderson Broward County Development and Environmental Regulation Division One North University Drive, Building A Plantation, Florida 33324

Re:

Broward County Historical Commission Review Davie Town Centre Plat, Plat No 058-MP-87

Dear Ms. Henderson:

I have had an opportunity to review materials relative to Davie Town Centre Plat, Plat No 058-MP-87.

A review of archive materials including current and historic aerial photography, topographical maps, Broward County Land Use maps, and the Florida Master Site File (FMSF) indicates that no historical or archaeological cultural resources are recorded within the plat limits. Additionally, the plat does not contain any areas previously identified as archaeological zone(s) nor does the plat contain any area(s) considered to be sensitive for archaeological materials.

Based on this information, it is unlikely that the proposed plat amendment will impact significant historical or archaeological cultural resources; therefore, the Broward County Historical Commission has no objections to the proposed plat amendment.

In the event archaeological features or artifacts are discovered during the course of development, the Broward County Office of Planning *shall* be notified within twenty four (24) hours of the discovery and sufficient time provided to allow proper recordation, recovery, or preservation of the find (Broward Co. Florida Ord. 92-38).

If, in the event, any unmarked human burial remains are discovered, then work in the vicinity of the burial find is to halt immediately until a determination can be made, in accordance with Florida State Statutes, Chapter 872, by either the state archaeologist or the county medical examiner as to jurisdiction, custody, and disposition of the remains. Should this occur, this office is to be contacted immediately to facilitate the coordination of the find.

If you have any questions regarding these comments or would like additional information please contact me at the Broward County Historical Commission by telephone: (954) 357-5506, or email: mdefelice@broward.org.

Sincerely,
Matthew DeFelice, County Archaeologist

ENVIRONMENTAL REVIEW AND COMMENTS REPORT TO THE PLANNING AND REDEVELOPMENT DIRECTOR

Application: Delegation Request (To amend the note to add 34,480 square feet of

commercial use, to add 26 fueling positions, to reduce 72,319 square feet

of office use, and to reduce 425 hotel rooms.)

File Number: 058-MP-87

Project Name: Davie Town Centre Plat

Comments Due: March 14, 2014

Development Type: Commercial (709,480 Square Feet and 26 Fueling Positions), Office

(7,681 Square Feet), and Hotel (125 Rooms)

The Planning and Redevelopment Division of the Broward County Environmental Protection and Growth Management Department (EPGMD) has coordinated with other Divisions in this Department along with the County Health Department to provide the following comments on the above referenced plat:

Surface Water Management

This plat is located in the Town of Davie and is in the Central Broward Water Control District. Surface water management plans for this plat must meet the criteria of the Water Control District. A surface water management permit must be obtained from this District prior to any construction.

Potable Water Review

This plat is served by the Town of Davie Water Treatment Plant. The treatment plant's design capacity is 7.40 MGD and the maximum daily flow is 6.50 MGD. According to the Broward County Health Department, there is sufficient available water treatment plant capacity to serve the proposed uses on this plat at this point in time.

Wastewater Review

Wastewater Treatment Plant:	Davie 2
Flow Data:	As of 12/13
EPGMD Licensed Capacity	4.8500 MGD
12 Month Average Flow:	3.0300 MGD
Existing Flow Reserved by Building Permit:	0.0880 MGD
Total Committed Flow:	3.1180 MGD
Estimated Project Flow*:	0.0915 MGD

*Most of the development types stated above exist on this plat; and there is duplication in the twelve (12) month average flow calculation and the estimated project flow calculation. In conclusion, the wastewater treatment plant has sufficient capacity for the proposed project at this point in time.

The applicant is advised that a Wastewater Collection/Transmission System License will be required prior to constructing, expanding or altering either a gravity sanitary sewer, a sanitary force main or a pump station.

Natural Resources Preservation

This plat is not located in a wellfield zone of influence as described in the Broward County Wellfield Protection Ordinance 84-60, as amended, and as incorporated into the Broward County Code of Ordinances, Chapter 27, Article XIII.

Page 2 058-MP-87 Davie Towne Centre Plat

Review of available information indicates that, at this time, there are no wetlands within the boundaries of this plat, therefore, a Conceptual Dredge and Fill Review Report is not required. Based upon the present conditions within the site, filling of the land area will not require an Environmental Resource License. Other activities, such as lake or canal excavation regulated under Article XI of the Natural Resource Protection Code, may require a license. The Applicant is encouraged to contact the Aquatic and Wetland Resources Section of the Environmental Licensing and Building Permitting Division at 954-519-1483 at the earliest time to determine if, and what type of, a license may be required prior to undertaking any surface disturbing activities.

Applicant has been informed that the proposed development contains or abuts water bodies or will be creating same. Excavation or filling of lakes or canals is regulated under Article XI of the Natural Resource Protection Code and may require an Environmental Resource License. Design criteria shall be in compliance with Section 27-337, which requires that lake slopes be a minimum of 4:1 (H:V) to a depth of two (2) feet below the average dry season low water elevation as demonstrated by water management district or county maps. Littoral areas should be constructed and designed to encourage the growth of native, aquatic vegetation to improve filtration of runoff and to increase biological productivity per South Florida Water Management District and Broward County surface water management requirements.

The Aquatic and Wetland Resources Section of the Environmental Licensing and Building Permitting Division encourages all invasive exotic vegetation including Melaleuca, Brazilian-pepper, Australian pine and others as listed in the Exotic Pest Plant Council's List of Florida's Most Invasive Species to be removed during the development process, and a management plan may be necessary to control re-invasion of same. In addition, landscape material should not include any plants considered to be invasive of south Florida's native plant communities. The Exotic Pest Plant Council's List of Florida's Most Invasive Species is available from the Aquatic and Wetland Resources Section.

Review of aerial photographs indicates that the subject site contains tree canopy. Development of the site must comply with the Tree Preservation Regulations of the Town of Davie if trees are to be removed or relocated. The applicant is encouraged to minimize the number of trees to be removed by incorporating existing trees in the site plan. If trees cannot be incorporated into the site plan in their current location, the applicant is encouraged to relocate trees, especially those of specimen size and quality.

This site is not included in the Protected Natural Lands Inventory and is not adjacent to a site in the inventory. The Protected Natural Lands Inventory is a comprehensive database of public and private native vegetative communities that have been protected through acquisition or regulatory mechanisms and are managed for conservation purposes. The Protected Natural Lands Inventory may be accessed at:

http://bcgis.maps.arcgis.com/apps/OnePane/basicviewer/index.html?appid=85f453365417459f8ba45fa6e5dddb9c.

Page 3 058-MP-87 Davie Towne Centre Plat

Additional Comments Addressing Certain Environmental Protection Actions Needing to be Taken to Implement the Project

- 1. A Parking Facility License may be required for parking facilities. Contact the Pollution Prevention, Remediation and Air Quality Division at 954-519-1260 for specific license requirements.
- 2. A Demolition Notification may be required. Contact the Pollution Prevention, Remediation and Air Quality Division at 954-519-1260 for additional information.
- 3. A Hazardous Material License may be required. Contact the Pollution Prevention, Remediation and Air Quality Division at 954-519-1260 for specific license requirements.
- 4. A Storage Tank License may be required. Contact the Pollution Prevention, Remediation and Air Quality Division at 954-519-1260 for specific license requirements.
- 5. Any discharges to ground or surface waters, excluding stormwater, will require review and approval from the Environmental Engineering and Licensing Section of the Environmental Licensing and Building Permitting Division prior to discharge. Any vehicle washing facility not connected to a sanitary sewer system must recycle 100% of its wash water and no discharge to the drainage system will be permitted.
- 6. An Environmental Resource License may be required for any activities regulated under Article XI of the Natural Resource Protection Code. Contact the Aquatic and Wetland Resources Section of the Environmental Licensing and Building Permitting Division at 954-519-1483 for specific license requirements.
- 7. The subject plat is in the vicinity of a known contaminated site and the following should be noted: For any site that overlies or contains potential or actual sources of pollution to ground or groundwater, the Pollution Prevention, Remediation and Air Quality Division's approval of an application for a building permit or approval to construct or alter shall not be granted until the Division is satisfied that the construction or alteration will not interfere with the cleanup of the contaminants on site [Section 27-66(h) Broward County Code of Ordinances]. It should also be noted that the Pollution Prevention, Remediation and Air Quality Division must approve any dewatering activities at the subject location.
- 8. Wastewater receiving lift stations and force mains are critical components to the conveyance system. Accordingly, adequate capacity for this project will need to be demonstrated of the receiving off-site sanitary sewer conveyance system. Contact the Environmental Engineering and Licensing Section of the Environmental Licensing and Building Permitting Division at 954-519-1483.

Be advised that approval of a delegation request does not infer any approval to connect to any wastewater collection, treatment, or disposal system. Nor does it infer that sufficient capacity will exist at time of Building Permit approval. Connections to such systems are approved by the Environmental Licensing and Building Permitting Division as a prerequisite to, and just prior to, approval of Building Permits by the appropriate Building Department for any structures that are to be built on the platted site. These comments do not indicate a waiver or approval of any license or permit that is, or may be, required for any aspect of the project.

FOR APPLICATIONS PROPOSING INDUSTRIAL USE(S) - SUPPLEMENTAL REQUIREMENT

Proposed industrial plat notes which abut residential land use plan categories or are separated from a residential land use plan category by rights-of-way, easements, canals or lakes with a width 100 feet or less must submit written documentation from the municipality stating how the city will address compatibility between the proposed industrial use(s) and the residential land use plan category. Industrial uses include manufacturing, assembly, processing, indoor and outside storage, warehouse, distribution, excavation and landfills. Residential land use plan categories include all residentially named categories plus Agricultural, Rural Ranches, Rural Estates, TOC, TOD, RAC and LAC. Please consult with Planning and Redevelopment staff if you have any questions.

REQUIRED DOCUMENTATION-All copies of plats, site plans, surveys or drawings must be folded to a size approximately 9" X 12"

For major changes in Land Use and/or Square Footage, and Number of Dwelling	increases in DEI Units, the followin	VSITY or INTL g must be sub	ENSITY which	n may includ	e Trips, Students,]	
 Twenty-two (22) folded copies of the plat. Letter of approval from the applicable municipality, dated within six (6) months of this application, specifically stating the precise note language. If the property is located within a Development of Regional Impact (DRI), the letter shall also indicate if the proposed note is consistent with the approved DRI Development Order. A current letter is required from the appropriate utility service area stating the location of the closest approved potable water line and/or sanitary sewer line and the exact distance to the property if on-site wells for potable water and/or septic tanks that are currently in use or proposed. A check made payable to the Broward County Board of County Commissioners for the application fees. Please consult the Development Permit Application Fee Schedule. A signed and sealed sketch and legal description for any new parcel or tract created by the application. 							
For decreases in Trips, no changes in Trips, or no major change in Land Use; the following items must be submitted: Six (6) folded copies of the plat. Letter of approval from the applicable municipality specifically stating the precise note language. A check made payable to the Broward County Board of County Commissioners for the application fees.

SURVEY NOTES:

THE LEGAL DESCRIPTION SHOWN HEREON WAS PREPARED BY THE SURVEYOR.

KEITH AND ASSOCIATES, INC. CERTIFICATE OF AUTHORIZATION NUMBER IS L.B. #6860.

THIS SKETCH IS NOT VALID WITHOUT THE SIGNATURE AND ORIGINAL RAISED SEAL OF A FLORIDA LICENSED SURVEYOR AND MAPPER. IT IS A VIOLATION OF RULE 5J-17 OF THE FLORIDA ADMINISTRATIVE CODE TO ALTER THIS SKETCH AND DESCRIPTION WITHOUT THE EXPRESSED PRIOR WRITTEN CONSENT OF THE SURVEYOR. ADDITIONS AND DELETIONS MADE TO THE FACE OF THIS SKETCH AND DESCRIPTION WILL MAKE THIS DOCUMENT INVALID.

THIS SKETCH AND DESCRIPTION DOES NOT CONSTITUTE A BOUNDARY SURVEY.

- BEARINGS SHOWN HEREON ARE BASED ON THE NORTH LINE OF PARCEL "A", DAVIE TOWNE CENTRE PLAT, PLAT BOOK 133, PAGE 33, BROWARD COUNTY RECORDS WITH AN ASSUMED BEARING OF SOUTH 84'00'00" EAST.
 LANDS SHOWN HEREON WERE NOT ABSTRACTED FOR RIGHTS OF WAY, EASEMENTS, OWNERSHIP, OR OTHER INSTRUMENTS OF RECORD.

THE INTENDED DISPLAY SCALE FOR THIS SKETCH IS 1"= 300' OR SMALLER.

CERTIFICATION:

I HEREBY CERTIFY THAT THE ATTACHED SKETCH & DESCRIPTION OF THE HEREON DESCRIBED PROPERTY IS DEPICTED TO THE BEST OF MY KNOWLEDGE AND BELIEF AND THE INFORMATION AS SURVEYED UNDER MY DIRECTION ON OCTOBER 8, 2013 MEETS THE MINIMUM TECHNICAL STANDARDS SET FORTH BY THE FLORIDA BOARD OF PROFESSIONAL SURVEYORS AND MAPPERS IN CHAPTER 5J-17, FLORIDA ADMINISTRATIVE CODE, PURSUANT TO SECTION 472.027, FLORIDA STATUTES, SUBJECT TO THE QUALIFICATIONS NOTED HEREON.

Tower Shops – Phase II 1902 South University Drive Plat Note Amendment Project Narrative

FR Tower Shops LLC ("Petitioner") has submitted applications to the Town of Davie to redevelop a +/- 5.91 acre portion of the Tower Shops Shopping Center ("Shopping Center"), which is generally located on the east side of University Drive between Nova Drive and Interstate-595 ("Property") within the Town of Davie ("Town") and Broward County ("County"). The Property is currently developed with +/- 435,285 square feet of commercial/retail and office uses, including national retailers such as Home Depot, Best Buy, Old Navy, Office Depot and other national and local restaurants, retail shops and automotive uses. Petitioner is seeking to redevelop a portion of the Property with an additional +/-50,000 square feet of retail tenant space ("Project").

The Property is located within the Redeveco-Davie DRI, which is a +/- 91 acre area encompassing the Shopping Center as well as adjacent properties that include a Costco and 125 room hotel. In 2011, the Town approved a resolution acknowledging that the DRI is "essentially built out" with development rights to remaining entitlements. As part of the EBO Resolution, Tower Shops is permitted to convert the remaining office and hotel entitlements remaining within the DRI to allow an additional 90,000 square feet of commercial/retail use and a 12 pump gas station. Please see attached for a copy of the EBO Resolution.

The DRI shares the same boundaries as the "Davie Towne Centre Plat", as recorded in Plat Book 133, Page 33 ("Plat"). The current restrictive note does not provide enough commercial square footage to accommodate the Project. On January 15th, 2014 the Town approved a delegation request to change the restrictive note on the Plat as follows:

From:

This Plat is restricted to 675,000 square feet of commercial use, 80,000 square feet for office use and a 550 room hotel. Residential uses are not permitted without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

To:

Parcel A (see attached legal description) is restricted to 452,689 square feet of commercial use (369,765 square feet existing, 82,924 square feet proposed) and 7,681 square feet of office use.

Parcel A-1 (see attached legal description) is restricted to 256,791 square feet of existing commercial use, 125 existing hotel rooms, and two existing service stations with a total of 26 fueling positions.

Freestanding banks or banks with drive-thru facilities are not permitted within the plat without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

Petitioner respectfully requests that the County approve this delegation request application to amend the note on the face of the Plat as described above. Please contact Scott Backman, Esq. or Christina Bilenki, Esq. at (561) 405-3300 should you have any questions or need additional information to process this request.
