Dear Broward County Commissioner, My name is Douglas Paul and I live in Broward County. I attended a community meeting on April 3 with 1800 other people at which Commissioner Holness was present. One of the things that was discussed is the upcoming Broward Workforce Investment Ordinance. I am writing to express my support for the passing of this ordinance. This ordinance would be a strong step toward helping the 54000 unemployed people living in Broward County. In order for it to be effective it need to be a requirement for all companies doing business with Broward County, not a voluntary program. On April 8th at the public hearing, as a representative of Broward County, please support the ordinance. Thank you.

Subject: Support Workforce Investment Ordinance

Dear Mayor Sharief,

I want to thank you for the letter you sent to BOLD Justice in support of passing the Workforce Investment Ordinance this Tuesday. I'm sorry you weren't able to join us for the Nehemiah Action event, but we understand that you were showing support for your daughter on Thursday. As a parent, I can appreciate that.

I am contacting you to express my support for passing the Workforce Investment Ordinance. This ordinance would be a strong step towards helping the 54,000 unemployed people living in Broward County. In order for this to be effective, it needs to be a requirement for all companies doing business with Broward County, not a voluntary program.

On April 8th at the public hearing, as the mayor of Broward County, please support the ordinance as you've already said that you will. Many of us will be there to show our support for the ordinance. We're trusting that we can count on your support, too.

Sincerely,

Ron McCoy
