Office of Sponsored Programs

January 27, 2015

Mr. Earl Bosworth, Director
Broward County
Cultural Division
100 South Andrews Avenue
Fort Lauderdale, FL 33301

Dear Mr. Bosworth:

On behalf of Nova Southeastern University, NSU Museum of Art Fort Lauderdale and Bonnie Clearwater, Director and Chief Curator, we kindly request that you withdraw our 2014 Tourist Development Tax Capital Challenge Grant Program (TDT-CCGP) application from Broward County Commission's funding consideration.

It is NSU Museum of Art's intention to apply for the current 2015 TDT-CCGP grant to remodel the museum's second floor for additional exhibit space and studio classes. By virtue of this grant application it will allow NSU Museum of Art to provide more exhibitions, seminars, classes and symposia that will benefit the university, the museum and Broward County as a whole. We believe both domestic and international tourists will visit from the additional programming created and will help the cultural growth, visibility and tourism for the county.

Thank you once again for being a partner and advocate of cultural expansion and tourism. Our new application will demonstrate a very strong case for this funding and justify the withdrawal of the 2014 TDT-CCGP application. Please feel free to contact Bonnie Clearwater (954-262-0225; bclearwater@nova.edu) or me (954-262-5366; charlan@nova.edu) should you require any further explanation about our request for withdrawal of our application.

Sincerely,

Catherine M. Harlan, Director
