PURPOSE

Accept U.S. EPA Section 105 Cooperative Agreement grant award. This is a two-year grant, from October 1, 2014 to September 30, 2016, and requires a County match. The Agreement total funding is \$1,231,748, of which the County in-kind match is \$586,600. This grant involves multiple partial awards.

This action approves a new award in the amount of \$79,028 to Broward County, to support the County's program to protect air quality so that it achieves established ambient air standards and protects human health. The program includes ambient air monitoring and various other activities to reduce or control air pollutants such as ozone, particulate matter, regional haze, sulfur dioxide, carbon monoxide, and mercury. The Pollution Prevention Division of the Environmental Protection and Growth Management Department is a federally and state approved local air quality program, responsible for protecting and improving air quality in Broward County.
