Mayor Tim Ryan
Broward County Board of Commissioners
115 South Andrews Avenue
Ft. Lauderdale, FL 33301

Dear Mayor Ryan:

We are pleased to announce that Broward Days Tallahassee events have been scheduled for March 25th and 26th during the 2015 Legislative Session.

Our schedule will include timely and informative educational sessions, lively receptions and outstanding speakers. Our Issues Teams have been meeting throughout the interim and many of them have completed their specific priority agendas, while others are in the process of finalizing their work. We have spent months securing new sponsors and re-enlisting past supporters, and we are ready to begin compiling the ever-popular Broward Days' Magazine.

We are delighted to participate in the excitement of Broward County's Centennial celebration this year and are working closely with the Broward County Cultural Division to coordinate our efforts to collectively showcase this monumental event in Broward's history.

The on-going support of the Broward County Commission is an integral part of the success of Broward Days, and we are extraordinarily appreciative of the financial resources that have been made available and the general support of our advocacy efforts over the years. Once again, we are asking for a \$5,000 commitment from the County to aid in our efforts to advance the issues that are critically important to all Broward's citizens directly to our state's lawmakers and leaders.

Thank you in advance for your thoughtful consideration of this request. We continue to look forward to working in partnership with you and the entire commission as we bring the best of Broward to Tallahassee.

All the best,

Kelly A. Skidmore
