Dear Ms. Turner,

On behalf of Broward County Animal Care and Adoption, I would like to express our sincere gratitude to Cooling & Winter LLC. As you can imagine, it is very difficult to provide for all the comforts our shelter and community pets deserve. It is encouraging to know that we have the support of individuals who also care deeply for the animals in our community. Your donation will be used to help animals by focusing on programs aimed at reducing unnecessary euthanasia.

While we continue to celebrate the ongoing success of reducing the number of homeless pets, providing care for the sick and injured, as well as protecting animals against abuse, there is still much to do. Working as a community devoted to collective efforts, we can undoubtedly make our community a safe haven for pets.

Sincerely,
