The Operator will manage aircraft movement with Virtual Airfield Management System (VAMS) technologies provided by the Airport. The Airport's VAMS infrastructure includes the Enhanced Airport Vision Display (EAVD) system, which integrates day/night visible, thermal, and pan-tilt-zoom cameras with aircraft surveillance data from the Federal Aviation Administration's (FAA) Airport Surface Detection Equipment – Model X (ASDE-X) to seamlessly display multiple sources of real-time information. The Operator shall provide RC services on a first-come, first-serve basis whenever practicable; however, reasonable deviation to the recommended protocol is acceptable to alleviate potential undue delays to other aircraft.

The RC services shall include ground traffic management of aircraft within the non-movement area of air carrier ramps, including ingress and egress to aircraft gates and remote parking areas. The Operator shall provide RC services seven (7) days a week, eighteen (18) hours per day, typically from 0530 lcl to 2330 lcl in two (2) work shifts, or as otherwise directed by BCAD. Collaboration is essential to developing operational procedures acceptable to all airport stakeholders. In addition to RC services, the Operator will participate in various coordination meetings and collaborate with BCAD staff, FAA Air Traffic Control Tower (ATCT) staff and other pertinent Airport stakeholders to develop best management practices and procedures. The Operator shall provide monthly invoices to BCAD staff detailing contractual expenses, as well as maintaining and preparing operational activity reports on operational issues and statistics as directed by BCAD's Director of Operations or designee. The Operator should keep all business records on file for five (5) years or otherwise directed by BCAD.

In addition, the Operator shall work closely with the Director of Operations or designee, to develop Memoranda of Understanding (MOU) to document operational agreements and establish open communications with BCAD staff to share pertinent operational information.

### **Hours of Operation**

RC services will typically commence at 0530 lcl and terminate at 2330 lcl, or as directed by BCAD. An employee will be assigned a shift that starts at 0520 lcl in order to receive a complete briefing from the FAA ATCT prior to assuming RC services from the tower. At 2330 lcl, control of the ramp will be given back to the FAA ATCT. A complete briefing of the activities on the ramp shall be given to Ft. FAA ATCT prior to 2330 lcl.

### **Area of Responsibility**

Ramp Control Services with Virtual Airfield Management System services will be provided on the designated non-movement areas. Transfer of control to FAA will be in accordance with the Letter of Agreement between Broward County Aviation Department (BCAD) and the FAA ATCT.

#### **M. Copyrighted Materials**

Copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes. Copyrighted material will be accepted as part of a submittal only if accompanied by a waiver that will allow the County to make paper and electronic copies necessary for the use of County staff and agents. The final determination of responsiveness rests solely on the decision of the committee.

### SUBCONTRACTORS/SUBCONSULTANTS/SUPPLIERS INFORMATION FORM

The following forms and supporting information (if applicable) should be returned with Vendor's submittal. If not provided with submittal, the Vendor must submit within three business days of County's request. Failure to timely submit may affect Vendor's evaluation.

- A. The Vendor shall submit a listing of all subcontractors, subconsultants and major material suppliers (firms), if any, and the portion of the contract they will perform. A major material supplier is considered any firm that provides construction material for construction contracts, or commodities for service contracts in excess of \$50,000, to the Vendor.
- B. If participation goals apply to the contract, only non-certified firms shall be identified on the form. A non certified firm is a firm that is not listed as a firm for attainment of participation goals (ex. County Business Enterprise or Disadvantaged Business Enterprise), if applicable to the solicitation.
- C. This list shall be kept up-to-date for the duration of the contract. If subcontractors, subconsultants or suppliers are stated, this does not relieve the Vendor from the prime responsibility of full and complete satisfactory performance under any awarded contract.
- D. After completion of the contract/final payment, the Vendor shall certify the final list of non-certified subcontractors, subconsultants, and suppliers that performed or provided services to the County for the referenced contract.

If none, state "none" on this form. Use additional sheets as needed.

**VOLUME OF PREVIOUS WORK ATTESTATION FORM**

The completed and signed form should be returned with the Vendor's submittal. If not provided with submittal, the Vendor must submit within three business days of County's request. Failure to provide timely may affect the Vendor's evaluation. This completed form must be included with the Vendor's submittal at the time of the opening deadline to be considered for a Tie Breaker criterion (if applicable).

The calculation for Volume of Previous Work is all amounts paid to the prime Vendor by Broward County Board of County Commissioners at the time of the solicitation opening date within a five-year timeframe. The calculation of Volume of Previous Work for a prime Vendor previously awarded a contract as a member of a Joint Venture firm is based on the actual equity ownership of the Joint Venture firm.

In accordance with Section 21.31.d. of the Broward County Procurement Code, the Vendor with the lowest dollar volume of work previously paid by the County over a five-year period from the date of the submittal opening will receive the Tie Breaker.

Vendor must list all projects it received payment from Broward County Board of County Commissioners during the past five years. If the Vendor is submitting as a joint venture, the information provided should encompass the joint venture and each of the entities forming the joint venture. The Vendor attests to the following:
