SUBJECT: No CBE Goal for Airport Ramp Control Services at the Fort Lauderdale-Hollywood International Airport (FLL)

The Broward County Aviation Department (BCAD) is seeking a vendor to provide Airport Ramp Control Services at FLL. A review of the Broward County Certified Firm Directory revealed that there are no certified County Business Enterprise (CBE) firms that are able to provide the required services. Therefore, consistent with the Broward County Business Opportunity Act of 2012, Section 1-81.3(d), no CBE goal is applicable for this project. In the event that the vendor elects to use subcontractors, the County encourages the vendor to give full consideration to the use of CBE firms to perform work under the contract.

This contract is not subject to the Broward County Workforce Investment Program.

Eligibility for the CBE program is based on economic/size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes.

The above assigned goal for County Business Enterprises is based on our examination of the scope of work and cost estimate as submitted to the Office of Economic and Small Business Development (OESBD) by the using agency. If you have any concerns regarding subcontracting opportunities which may be available, please contact our office at (954) 357-6400.

 Donna-Ann Knapp, Small Business Development Specialist, BCAD/OESBD
