

May 5, 2017

Mr. Kelvin Watson  
Director, Broward County Libraries Division  
100 S. Andrews Ave.  
Fort Lauderdale, Fl. 33301

Dear Mr. Watson:

The Broward Public Library Foundation Board of Directors is pleased to provide \$27,530 for the purchase of 10 AWE Early Literacy computer stations (bilingual), and accompanying Audio Y Splitter Cables for use at seven Broward County Libraries.

The A.D. Henderson Foundation, Inc. is funding this equipment through a Tot Tech! grant to the Broward Public Library Foundation.

We will be eager to hear about the success of these digital early learning tools, which will provide interactive programming for children and state-of-the-art training for parents and early literacy educators.

Sincerely,

A handwritten signature in black ink, appearing to read "Dorothy Klein", written in a cursive style.

Dorothy Klein  
Executive Director
