Re: Worldwide Agreement with Broward County

Dear Mayor and Commissioners:

We have concluded negotiations with County Staff and I am pleased to confirm that Worldwide agrees to all of the terms and conditions that are set forth in the final draft agreement prepared by the County Attorney, with the only objection being the broad termination for convenience clause set forth in Article 7 that allows termination of the agreement for any reason by the County. It should be noted that I do not object to the language set forth in Section 7.1 allowing termination for convenience in the event of a finding by the County Administrator that termination for convenience is necessary to protect the health, safety, or welfare.

Please contact me if you have any questions regarding this matter.

Sincerely,

Krishna Persaud  
President/Owner
