Dear Ms. Landers,

On behalf of Broward County Animal Care and Adoption, I would like to thank you for the generous donation made to the Division. As you can imagine it is very difficult to provide for all the comforts our shelter and community pets deserve. It is very encouraging to know that we have the support of individuals like you to aid us with this.

We continue to celebrate ongoing success in reducing the number of homeless animals in our community but there is still much to do. Working together as a community dedicated to doing so, will assuredly make this a reality.

Warmest regards,
