**Subject:** T-Mobile Tablet Donation for Broward County " Digital Divide' Pilot- 160 Tablets

Hello Alphonso,

I hope this memo finds you well. As per our communication, I wanted you provide you with some details on our upcoming partnership with **Broward County** for the **Digital Divide** project.

We are excited to be part of this wonderful initiative, and will like to assist with the following for this pilot:

- **Donation of 160 Android Alcatel 7 inch tablets** (Value \$139.99 each).
- **Unlimited use of Data w/ 2Gb of High Speed 4g LTE data at Discounted rate of \$10 per tablet /per month**
- **Filter content for each tablet for the cost of \$2.00 per tablet/ per month.**
- **Up 45 days of bill/ hold for deployment and planning time**
- **Onsite T-Mobile team support for workshops and tablet rollout**

We are donating these **160** tablets for this pilot with the understanding that **Broward County** will responsible to provide data connectivity thru **T-Mobile** for at least 2 years.

Our upfront investment on this partnership is in the amount of **\$61,298.40** which details as follows:

- \$ 500.00: Credit towards Filter Content Static IP Set up Fee.
- \$22,398.40: Donation of 160 tablets at the cost of \$139.99 each.( see specs below)
