FINANCIAL AND COMPLIANCE AUDIT

The administration of resources awarded by the Council to the provider may be subject to audits and/or monitoring by the Department of Elder Affairs, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200 (formerly OMB Circular A-133 as revised), and Section 215.97, F.S., (see “AUDITS” below), monitoring procedures may include, but not be limited to, on-site visits by the Council staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the provider agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Council. In the event the Council determines that a limited scope audit of the provider is appropriate, the provider agrees to comply with any additional instructions provided by the Council to the provider regarding such audit. The provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the provider is a State or local government or a non-profit organization as defined in 2 CFR Part 200, Subpart A.

In the event that the provider expends \$750,000.00 or more in federal awards during its fiscal year, the provider must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200. EXHIBIT 2 to this agreement indicates federal resources awarded through the Council by this agreement. In determining the federal awards expended in its fiscal year, the provider shall consider all sources of Federal awards, including federal resources received from the Council. The determination of amounts of Federal awards expended should be in accordance with 2 CFR Part 200. An audit of the provider conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200 will meet the requirements of this part.

In connection with the audit requirements addressed in Part I, paragraph 1, the provider shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508.

If the provider expends less than \$750,000.00 in federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR Part 200 is not required. In the event that the provider expends less than \$750,000.00 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200 the cost of the audit must be paid from non-federal resources (i.e., the cost of such audit must be paid from provider resources obtained from other than federal entities.)

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Council shall be based on the agreement's requirements, including any rules, regulations, or statutes referenced in the agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Council shall be fully disclosed in the audit report with reference to the Department of Elder Affairs agreement involved. If not otherwise disclosed as required by 2 CFR §200.510 the schedule of expenditures of federal awards shall identify expenditures by agreement number for each agreement with the Council in effect during the audit period. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 9 months after the end of the provider's fiscal year end.

PART II: STATE FUNDED

This part is applicable if the provider is a non-state entity as defined by Section 215.97(2), F.S.

In the event that the provider expends a total amount of state financial assistance equal to or in excess of \$750,000.00 in any fiscal year of such provider, the provider must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Council of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 2 to this agreement indicates state financial assistance awarded through the Council by this agreement. In determining the state financial assistance expended in its fiscal year, the provider shall consider all sources of state financial assistance, including state financial assistance received from the Council, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in Part II, paragraph 1, the provider shall ensure that the audit complies with the requirements of Section 215.97(8), F.S. This includes submission of a financial reporting package as defined by Section 215.97(2), F.S., and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the provider expends less than \$750,000.00 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, F.S., is not required. In the event that the provider expends less than \$750,000.00 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Council shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Council shall be fully disclosed in the audit report with reference to the Council agreement involved. If not otherwise disclosed as required by Rule 69I-5.003, F.A.C., the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the Council in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but no later than 12 months after the provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after the provider's fiscal year end. Notwithstanding the applicability of this portion, the Council retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.

PART III: REPORT SUBMISSION
