LIST PRICE
AT DEALER

Standard Equipment:

The standard equipment list includes all no-charge (NC) items from the Mandatory Attachment section.

POWERTRAIN

Air to air aftercooler
Brakes, full hydraulic, enclosed, wet multiple disc service brakes
Cat clean emission module (insulated) (HRC)
Electro-hydraulic parking brake
Electronic Clutch Pressure Control (ECPC)
Engine, Cat C15 w/ Acert Technology
Fuel priming pump (electric)
Fuel to air cooler
Ground level engine shutoff
Heat Shield, turbo and exhaust manifold
Hydraulically driven demand fan
Integrated braking system
Muffler (under hood) (LRC)
Radiator, Aluminum Modular (AMR)
Separated cooling system
Single Clutch Speed Shifting (SCSS)
Starting aid (ether) automatic
Throttle lock
Torque converter w/ Lock Up Clutch (LUC)
Transmission, planetary, 2F/2R speed range control
Underhood ventilation system

ELECTRICAL

Alarm, back-up
Alternator (150-amp)
Batteries, maintenance free (4-1000CCA)
Electrical system (24-volt)
Ground level lockable master disconnect switch
Light, warning unswitched (LED strobe)
Lighting, access stairway
Lighting, underhood
Lighting system, halogen (front & rear)
Starter, electric (heavy duty)
Starting receptacle for emergency start

OPERATOR ENVIRONMENT

12-volt power port for mobile phone or laptop connection
AccuGrade mapping (ready)
Air conditioner with roof mounted condenser
Cab, sound-suppressed pressurized
Coat and hard hat hooks
Finger tip shifting controls
Flip-up armrest

Heater and defroster
Horn, electric
Hydraulic controls
Implement hydraulic lockout
Instrumentation, gauges:
-DEF fluid level (HRC)
-Engine coolant temperature
-Fuel level
-Hydraulic oil temperature
-Speedometer/Tachometer
-Torque convertor temperature
Instrumentation, warning indicators:
-Action alert system, three category
-Brake oil pressure
-Electrical system, low voltage
-Engine failure malfunction alert and action lamp
-Parking brake status
Internal four-post rollover protective structure (ROPS/FOPS)
Laminated glass
Light, (dome) cab
Lunch box and beverage holders
Mirror, internal (panoramic)
Mirrors, heated ready
Mirrors, rearview (externally mounted)
Radio, CB ready
Radio ready for entertainment:
-Antenna
-Speakers
-Converter (12-volt 10-15 amp)
Seat, Cat comfort (cloth) air suspension
Seat belt with minder, retractable, 76mm (3") wide
STIC control system with lockout
Sun visor, front
Tinted glass
Transmission gear (indicator)
Vital Information Management System (VIMS):
-Graphical information display
-External data port
-Customizable operator profiles
Wet-Arm wipers/washer (front and rear)
Intermittent wipers (front and rear)

TIRES, RIMS, AND WHEELS

Wheels, combination tips

GUARDS

Guards, axle (front and rear)
Guard, cab window
Guards, crankcase and powertrain, hydraulically powered
Guard, driveshaft

DATE: October 1, 2016

TO: ALL PROSPECTIVE PARTICIPANTS

FROM: Steve Casey, Executive Director Peggy Goff, Deputy Executive Director Drew Terpak, Business Operations Manager Annette Grissom, Cooperative Bid Coordinator

RE: Bid Number: FSA16-VEH14.0 Cab & Chassis Trucks & Other Fleet Equipment

We are pleased to announce that the Florida Sheriffs Association and the Florida Association of Counties has successfully conducted its 14th statewide competitive bid for vehicles and heavy equipment which includes trucks, backhoes, motorgraders, agriculture type tractors, skid steer loaders, street sweepers, generators, and light towers. This contract is effective beginning October 1, 2016 through September 30, 2017, as long as vehicles are available through fleet.

Bids will be extended and guaranteed to any and all units of local governments/political subdivisions including but not limited to county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida, and the state universities and colleges. In addition, bids will be extended and guaranteed to any other entities approved by manufacturers to participate in this contract. The participating agencies cannot guarantee any order other than those ordered through each individual agency.

All agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All awarded Vendors/Dealers are governed by their manufacturer's agreement.

Out of State Sales are permitted under this contract however, again ALL agencies are bound by their local governing purchasing ordinances, rules and regulations and shall apply to purchases made under this contract. All contractor/dealers are governed by their manufacturer's agreement. All contractor/dealers referencing this contract for the purpose of facilitating sales (purchase authority) outside the State of Florida must accept the terms and conditions of this contract.

In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at fleet@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.

CONTRACT ORDERING INSTRUCTIONS

All interested parties who wish to purchase from this contract may do so by following these simple procedures:

1. Contact the awarded dealership listed in the zone from which you wish to purchase and advise them of your interest to purchase from **Bid No. FSA16-VEH14.0**. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program. You can only purchase from a dealer who is listed as a winner of one of the four zones for the vehicle you wish to purchase. However, you may purchase from any awarded dealer within any zone (additional delivery fees may apply).

Agencies ordering a Ford, General Motors, Chrysler, or Toyota product, please be advised that you must use the appropriate FIN Code/FAN Code for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN Code/FAN Code as a secondary number. For further assistance call the Fleet Customer Information Center for your appropriate manufacturer.

Manufacturer	Type Code	FSA Code	Fleet Center Contact Numbers
Ford	FIN Code	QE065	1-800-34-FLEET (1-800-343-5338)
General Motors	FAN Code	917872	1-800-FLEET OP (1-800-353-3867)
Chrysler	FAN Code	48830	1-800-999-FLEET (1-800-999-3533)
Toyota	FIN Code	GE159	1-800-732-2798

2. Basic information required on all purchase orders is listed in this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. **NOTE:** The agency is responsible for obtaining a "Confirmation of Order" from the respective dealership. Dealers are required to complete a "Confirmation of Order" and send it to the purchaser within fourteen (14) calendar days after receipt of purchase order. Purchasers are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time.

Purchasers are reminded that the issuance of a purchase order does not in itself guarantee the placement of an order.

The purchase order should include FSA's Contract Number FSA16-VEH14.0 as well as the specification number, make and model of each item purchased. Please attach the dealer quote when available.

3. **Purchasers must send a copy of the original purchase order sent to the participating dealer in pdf format to: COOP@flsheriffs.org.**

4. Dealers have already included a three-quarter of one percent (.0075) administrative fee in their base pricing and all add options that are listed. Dealers' quotes to purchasers should not include the FSA administrative fee indicated as a separate line item on any purchase order.

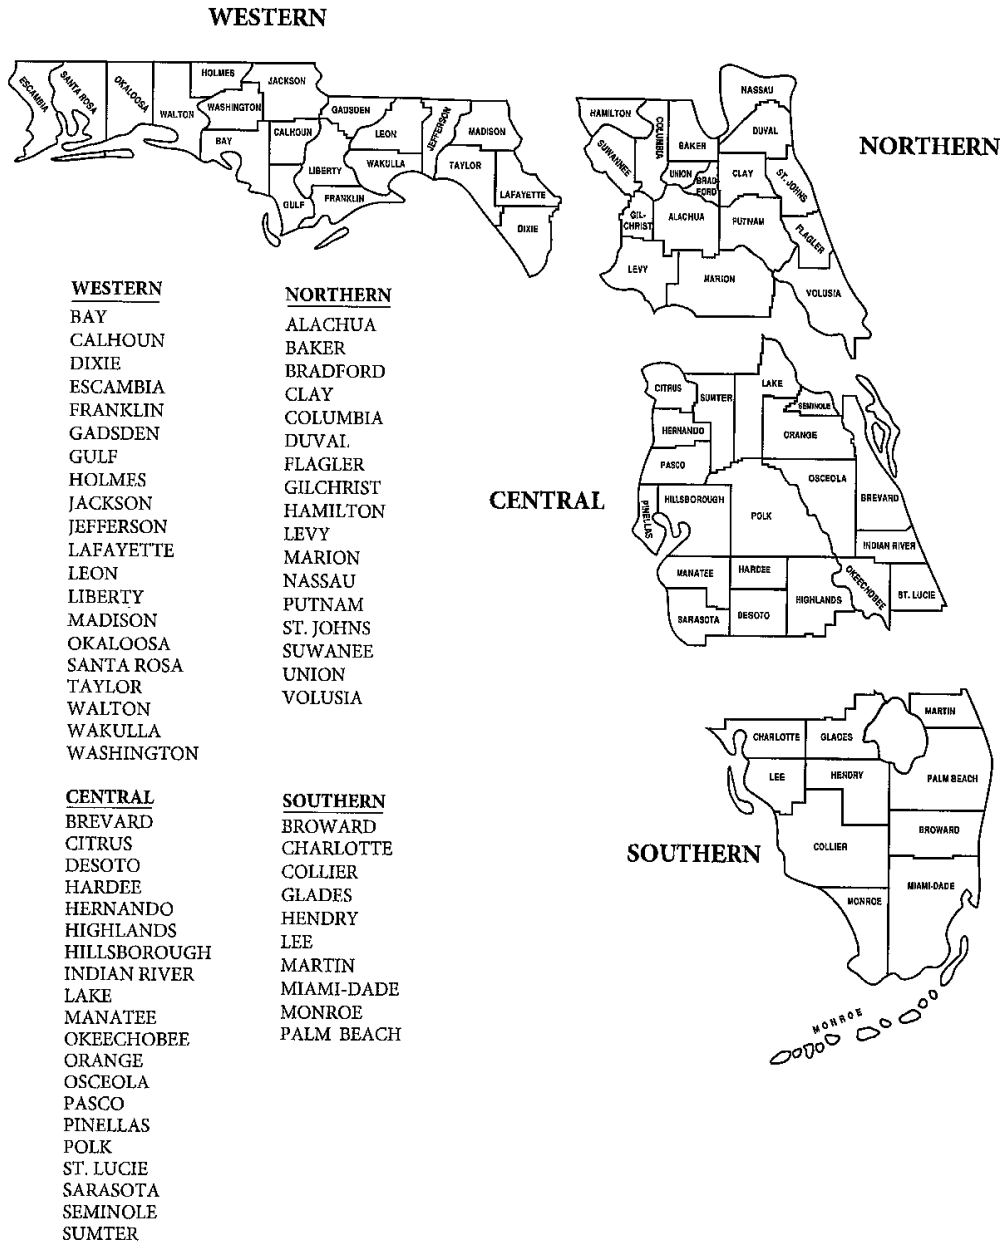

No other administrative fee(s) will be applicable to any transaction relative to the contract.

5. In order to ensure quality service for our user agencies, we are requesting that you notify the Florida Sheriffs Association, in writing, regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at fleet@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific zone. Superscripts will be numbered between 1 and 4, and will correspond as follows:

1 = Western zone dealer	2 = Northern zone dealer
3 = Central zone dealer	4 = Southern zone dealer

If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numeric number that applies to their awarded zones. For example: If a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.

FSA CONTRACT ZONE MAP

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

80,000 LB. LANDFILL COMPACTOR SPECIFICATION #62

2017 Caterpillar 826

The Caterpillar 826 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$562,869.00	\$562,869.00	\$562,869.00	\$568,865.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

TIRES, RIMS, AND WHEELS

WHEELS

Caterpillar has developed an exclusive licensed agreement with M2 Industries to provide a refurbished compactor wheel exchange program through the Caterpillar dealer network. Machine model and serial number required prior to quote. Please contact M2 Industries directly for pricing and delivery: Dale Mills at (812) 246-0651.

All wheels are provided with through hardened inner rim extension to work with machine axle guards, (5) wear bars welded on inner rim extension, and (5) wear bars welded on inner wheel disc. Also provides 1" hard facing on both edges of the wrapper between tips/blades.

Loose wheel orders must go through Parts Distribution.

L	420-3478	WHEELS, 48" COMBINATION TIPS 0 Provides a combination of (12) plus tips & (18) paddle tips. The plus tips are welded on the inner & outer rows while the paddle tips are welded on the 3 inside rows.		NC
L	457-7896	WHEELS, 48" DIAMOND TIPS 0 Provides (30) diamond (extended life) tips welded in (5) rows of (6) tips each.		\$42,020
L	398-8542	WHEELS, 48" PADDLE TIPS -580 Provides (30) paddle tips welded in (5) rows of (6) tips each.		\$-1,505
L	398-8543	WHEELS, 48" PLUS TIPS 876 Provides (30) plus tips welded in (5) rows of (6) tips each.		\$6,960
L	398-8544	WHEELS, 40" PLUS TIPS -1,080 Provides (24) plus tips welded in (4) rows of (6) tips each on a (40") narrow wheel. This wheel is recommended for landfills where sinking is not an issue and the need for higher ground pressure is required to break and shred construction material		\$5,360
L	0P-3641	OMISSION, WHEELS -20,480		\$-32,960

TECHNOLOGY PRODUCTS

This is a factory designed and integrated mapping system offered with two levels of accuracy. SBAS level of accuracy requires no off-board infrastructure and delivers only pass count mapping. RTK level of accuracy requires a corrections source (i.e. base station, IBSS, VRS) and data radio. RTK delivers pass count mapping as well as CCA (Cat Compaction Algorithm) mapping. Contact your Dealer Technology Representative to order a base station and/or data radio.

Note: Outside of North America and Europe, SBAS is not available in all regions. Please consult your Dealer Technology Representative for SBAS availability in your region.

L	497-9368	MAPPING, GNSS SBAS 0 Includes CB460 Display (7.0 in/17.8 cm), MS952 antenna/receiver, and AS450 angle sensor. The SBAS option can be upgraded later to RTK with the addition of a high accuracy option key and data radio. These can be purchased from your Dealer Technology Representative.		\$23,780
L	497-9369	MAPPING, GNSS RTK 0 Includes CB460 Display (7.0 in/17.8 cm), MS952 antenna/receiver, AS450 angle sensor, and high accuracy option keys. Data radio is required but not included and must be ordered from your Dealer Technology Representative.		\$30,890

GUARDS

L	364-7648	GUARD, REAR FAN & GRILL 462 Provides additional guarding for the rear fan and grill using a swing-out gate on rear bumper.		\$4,580

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

80,000 LB. LANDFILL COMPACTOR SPECIFICATION #62

2017 Caterpillar 826

The Caterpillar 826 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$562,869.00	\$562,869.00	\$562,869.00	\$568,865.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

TECHNOLOGY PRODUCTS

PRODUCT LINK

Product Link enables the remote transmission of information about the location, operation, and condition of your equipment. Efficiently and effectively monitor performance of your assets to help keep your jobs on schedule, maintain equipment condition, and reduce the costs of owning and operating your fleet.

Authorization varies by country, please contact your Cat marketing representative with questions or click on the link below:
<HTTPS://DEALER.CAT.COM/en/bt/otd/machine-price-list.html>
From there click on the "PRODUCT LINK Hardware Certification" link.

L	487-4370	PRODUCT LINK, CELLULAR PLE641 Product Link Elite series PLE641 offers expanded coverage including 3G UMTS and CDMA2000 as well as 2G GSM and CDMA cellular networks to transmit location, utilization and condition information for viewing in Product Link's remote monitoring web interface. Cellular technology provides capabilities for frequent transmission and larger volumes of data.	0	NC
L	487-4816	PRODUCT LINK, SATELLITE PLE631 Product Link Elite series PLE631 uses a satellite network to transmit location, utilization and condition information for viewing in Product Link's remote monitoring web interface. For use in areas with poor or no cellular coverage.	0	NC

TIRES, RIMS, AND WHEELS

WHEELS

Caterpillar has developed an exclusive licensed agreement with M2 Industries to provide a refurbished compactor wheel exchange program through the Caterpillar dealer network. Machine model and serial number required prior to quote. Please contact M2 Industries directly for pricing and delivery: Dale Mills at (812) 246-0651.

All wheels are provided with through hardened inner rim extension to work with machine axle guards, (5) wear bars welded on inner rim extension, and (5) wear bars welded on inner wheel disc. Also provides 1" hard facing on both edges of the wrapper between tips/blades.

Loose wheel orders must go through Parts Distribution.

L	420-3478	WHEELS, 48" COMBINATION TIPS Provides a combination of (12) plus tips & (18) paddle tips. The plus tips are welded on the inner & outer rows while the paddle tips are welded on the 3 inside rows.	0	NC
L	457-7896	WHEELS, 48" DIAMOND TIPS Provides (30) diamond (extended life) tips welded in (5) rows of (6) tips each.	0	\$42,020
L	398-8542	WHEELS, 48" PADDLE TIPS Provides (30) paddle tips welded in (5) rows of (6) tips each.	-580	\$-1,505
L	398-8543	WHEELS, 48" PLUS TIPS Provides (30) plus tips welded in (5) rows of (6) tips each.	876	\$6,960
L	398-8544	WHEELS, 40" PLUS TIPS Provides (24) plus tips welded in (4) rows of (6) tips each on a (40") narrow wheel. This wheel is recommended for landfills where sinking is not an issue and the need for higher ground pressure is required to break and shred construction material	-1,080	\$5,360
L	0P-3641	OMISSION, WHEELS	-20,480	\$-32,960

OPERATOR ENVIRONMENT

L	384-3386	CAMERA, REAR VISION 22 Provides an object detection system (camera only) to enhance operator awareness of surroundings. This system uses visual information only in order to provide the operator with additional information about the work area to the rear of the machine. Required for EU.		\$3,610
L	452-1394	RADIO, AM/FM/AUX/USB/BT 5 Available to countries with bluetooth certification. Please contact your Cat marketing representative if you have questions.		\$755

TECHNOLOGY PRODUCTS

This is a factory designed and integrated mapping system offered with two levels of accuracy. SBAS level of accuracy requires no off-board infrastructure and delivers only pass count mapping. RTK level of accuracy requires a corrections source (i.e. base station, IBSS, VRS) and data radio. RTK delivers pass count mapping as well as CCA (Cat Compaction Algorithm) mapping. Contact your Dealer Technology Representative to order a base station and/or data radio.

Note: Outside of North America and Europe, SBAS is not available in all regions. Please consult your Dealer Technology Representative for SBAS availability in your region.

L	497-9368	MAPPING, GNSS SBAS 0 Includes CB460 Display (7.0 in/17.8 cm), MS952 antenna/receiver, and AS450 angle sensor. The SBAS option can be upgraded later to RTK with the addition of a high accuracy option key and data radio. These can be purchased from your Dealer Technology Representative.		\$23,780
L	497-9369	MAPPING, GNSS RTK 0 Includes CB460 Display (7.0 in/17.8 cm), MS952 antenna/receiver, AS450 angle sensor, and high accuracy option keys. Data radio is required but not included and must be ordered from your Dealer Technology Representative.		\$30,890

GUARDS

L	364-7648	GUARD, REAR FAN & GRILL 462 Provides additional guarding for the rear fan and grill using a swing-out gate on rear bumper.		\$4,580
