| | | | | Lump Sum | \$ | Lump Sum | \$ | % | \$ | % | Lump Sum | % | |
| 1 | Trolley Rails Replacement and Rehabilitation of Bedplates | 1 | Sum | 323,670.00 | \$ | 350,000.00 | \$ | -8% | | 279,000.00 | | 16% | |

Notes:

- Prices were compared to a previous Broward County solicitation with a very similar scope of work. However, the downtime requirement for the previous crane under repair varies from the downtime for the current crane in need of repair and therefore current price may include additional labor and has an effect on pricing.
- The following solicitations were reviewed, but were not comparable:
 Jacksonville Port Authority - RFP 16-12
 Tampa Port Authority - ITB-B-004-16-0-2016/DLC
 Canaveral Port Authority - PUR-ITB-14-7
 Panama City Port Authority - 341422CE01
