SUBJECT: No CBE Goal for ADA Paratransit Eligibility In-Person Functional Assessments

Broward County's Transit Division is seeking a vendor to provide in-person ADA paratransit functional evaluations, to accurately determine which applicants meet the specific Federal criteria of Paratransit eligibility. As part of the Americans with Disabilities Act (ADA), paratransit services are provided to individuals who, because of some functional condition, are unable to utilize the fixed-route bus services in Broward County. The Project Manager indicated that this project does not present an opportunity for subcontracting. Additionally, a review of the County Certified Firm Directory revealed that there are currently no County Business Enterprises (CBEs) that can provide this service. Therefore, consistent with the Broward County Business Opportunity Act of 2012, Section 1-81.3(d), no CBE goal is applicable to this project. In the event the vendor elects to use subcontractors, the County encourages the vendor to give full consideration to use CBE firms to perform work under the contract.

This contract is not subject to the Broward County Workforce Investment Program.

Eligibility for the CBE program is based on economic size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes. CBE goals are based on an examination of the scope of work and cost estimate as submitted to the Office of Economic and Small Business Development by the Using Agency. If you have any concerns regarding available subcontracting opportunities, please contact our office at (954) 357-6400.
