	Annual Total				\$307,550.00			
	Total Initial 3-year Term				\$922,650.00			

NOTES:

Miami-Dade County and Palm Beach County were researched. No contracts were found for these Agencies.

Jacksonville Transportation Authority RFP P-12-015, Functional Assessment for Mobility and Cognitive Disabilities, was not comparable because their sole hourly rate of \$65 could not be evaluated against this procurement.

Capital Area Transportation Authority (CATA) does not have a contract for this service as they perform this service internally.

An internet search was performed which yielded no other sources for a price comparison.
