Notes:

A voluntary price reduction was requested of Limousines of South Florida, Inc.. They advised that they provided the most reasonable price based on current industry pricing for this contract and could not reduce their bid any further.

RFP-14-0930-2 Commuter Bus Services (The Woodland Township, Texas) consist of fixed routes with the option to allow the Contractor to provide the buses and/or the Township to provide the buses. This contract is comparable to this solicitation based on the Township providing the buses.

The following contracts were reviewed, however they were not comparable to this solicitation because they were solicited as lump sum and therefore the prices could not be evaluated for a comparable analysis:

- RTD 16DH055 Public Transportation Services (Regional Transportation District, Colorado)
- RFP-TransitFixedRoute15 Transit Fixed-Route Services (City of Jacksonville, North Carolina)

An internet search was performed which yielded no other sources for a price comparison.

Quantities stipulated herein are estimated on an annual basis. The actual award amount is \$2,439,186 for the initial three year period.
