10       The Port Everglades Department will be the sole judge as to whether it is  
11 appropriate to utilize a container gantry crane or mobile harbor crane to lift a particular  
12 classification of cargo. Rental rates, as stipulated in Part III., are applicable only in  
13 operations ~~which~~ that are exclusively noncontainer. When general cargo, yachts, or  
14 heavy lifts are loaded or discharged in conjunction with containers, rates specified in Parts  
15 I. and II. will apply for all hours of container gantry crane rental.

16       Charges for Parts I., II., and III. shall be computed on a quarter-hour basis with any
