MEMORANDUM

DATE: October 4, 2016

TO: Richard Tornese, Director
 Highway Construction and Engineering Division

THRU: Sandy- Michael McDonald, Director 
 Office of Economic and Small Business Development

FROM: Christopher L. Atkinson, Assistant Director 
 Office of Economic and Small Business Development

SUBJECT: No CBE Goal- Construction Engineering and Inspection (CEI) Services for
 Wiles Road (Riverside Drive to Rock Island Road)

This memorandum supersedes the September 14, 2016 memorandum.

This project is for Construction Engineering and Inspection (CEI) services related to the widening of Wiles Road from Riverside Drive to Rock Island Road. The Highway Construction and Engineering Division has indicated that this project is subject to 50% funding from the Florida Department of Transportation. Florida Statute 255.0991 prohibits the use of a local preference program for projects funded with 50% or more through State-appropriated dollars; therefore, OESBD is precluded from establishing CBE goals for this project.

This assessment is made based upon an examination of the funding source as submitted to the Office of Economic and Small Business Development by the using agency. Please contact our office at (954) 357-6400 with any concerns.
