MEMORANDUM

DATE: February 17, 2016

TO: Jose De Zayas, E911 Communications Administrator
Office of Regional Communications and Technology

THRU: Sandy-Michael McDonald, Director *SMM*
Office of Economic and Small Business Development

FROM: Christopher Atkinson, Assistant Director *CA*
Office of Economic and Small Business Development

SUBJECT: No CBE Goal for Fire Station Alerting

This memorandum supersedes the previous memorandum dated February 3, 2016.

The Office of Regional Communications and Technology is seeking a vendor to provide and install 2-Way Radio Equipment. A review of the Small Business Certification Directory shows no County Business Enterprise (CBE) firms that may be able to perform these services; therefore, in accordance with the Broward County Business Opportunity Act of 2012, Section 1-81.3(d), no CBE goal is applicable for this project. In the event the vendor elects to use subcontractors, the County encourages the vendor to give full consideration to use CBE firms to perform work under the contract.

This Project is not subject to the Broward County Workforce Investment Program.

Eligibility for the CBE program is based on economic/size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes. The above assigned goal for County Business Enterprises is based on our examination of the scope of work and cost estimate as submitted to the Office of Economic and Small Business Development by the using agency. If you have any concerns regarding available subcontracting opportunities, please contact our office at (954) 357-6400.
