**RE: DONATION OF OUTDOOR FITNESS EQUIPMENT AT TREE TOPS PARK AND  
RELATED ACTIVITIES**

Dear Mr. Deal:

Memorial Healthcare System would like to donate to Broward County outdoor fitness equipment, installation services, and a concrete pad, for the use and benefit of Tree Tops Park, as part of South Broward Hospital District d/b/a Memorial Healthcare System's commemoration of the 25<sup>th</sup> Anniversary of Joe DiMaggio Children's Hospital at Memorial. The fitness equipment will consist of 9 pieces of exercise equipment installed on a concrete pad, including wheelchair-accessible units. The equipment will be installed in a mutually agreed upon location at Tree Tops Park. The donation is contingent upon the execution of an amendment to the agreement with Broward County dated August 11, 2015, related to outdoor fitness equipment, and which provides for the potential donation of additional equipment by Memorial. The total cost for the equipment and installation services is valued at approximately \$77,000.

Memorial will provide educational sessions to instruct park patrons on use of the outdoor fitness equipment, combined with a cardio (running) program, for a period of not less than twelve (12) months after installation of such equipment.

Sincerely,

Milin Espino, MBA  
Administrative Director, Community Relations
