SUBJECT: No CBE Goal for Furnish and Deliver Three (3) 10-Yard Vacuum Storm Water/Sewer Trucks

The Highway and Bridge Maintenance Division seeks a vendor to furnish and deliver three (3) 10-yard vacuum storm water/sewer trucks. A review of the Small Business Certification Directory shows no County Business Enterprise (CBE) firms that may be able to provide this commodity; therefore, in accordance with the Broward County Business Opportunity Act of 2012, Section 1-81.3(d), no CBE goal is applicable for this project. In the event the vendor elects to use subcontractors, the County encourages the vendor to give full consideration to use CBE firms to perform work under the contract.

This contract is not subject to the Broward County Workforce Investment Program.

Eligibility for the CBE program is based on economic size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes. CBE goals are based on an examination of the scope of work and cost estimate as submitted to the Office of Economic and Small Business Development by the Using Agency. If you have any concerns regarding available subcontracting opportunities, please contact our office at (954) 357-6400.
