FROM: Christopher L. Atkinson, Assistant Director

SUBJECT: No CBE Goal for Construction of Wiles Road – Riverside Drive to Rock Island Road

The Highway Construction and Engineering Division (HCED) has reported that this project is to widen Wiles Road from four to six lanes from West of Riverside to Rock Island Road. HCDE has indicated that this project is 50% funded by the Florida Department of Transportation County Incentive Grant Program (CIGP).

Consistent with Florida Statute, Chapter 255.0991, which prohibits the use of a local preference program based on business location for projects funded 50% or more through State-appropriated funds, OESBD is precluded from establishing CBE goals for this project.

This contract is not subject to the Broward County Workforce Investment Program.

This assessment is made upon the examination of the funding source as submitted to the Office of Economic and Small Business Development by the using agency. Please contact our office at (954) 357-6400 with any concerns.
