3. On December 4, 2002, the City Commission adopted City Resolution No. 03-76, which authorized the City to execute an Interlocal Agreement with Broward County for Development, Construction, Operation and Maintenance of Miramar Regional Park (the "Interlocal Agreement"). Based on the Interlocal Agreement, the City would take title to the Park, the County would assist in funding the Park development project with \$15,900,000 (less \$88,000 to be expended on a public art program in the Park), leaving \$15,812,000 of County funds for Park improvements, of which \$3,000,000 consisted of Bond funds. See §1.5B. of the Interlocal Agreement.

4. Based on the City's financial records, between April of 2004 and September 2009, the City spent \$27,848,000 on improvements within the Park of which \$15,812,000 was provided to the City by the County, and the remaining funds were provided by the City.
