Good morning Mr. Herschenhorn,

Management has reviewed and approved your request to extend the deliverable dates.

Please note:

- In any quarter, the Division shall not reimburse the Recipient for an amount that exceeds 45% of the overall amount authorized by their Agreement.
- The cumulative amount of reimbursement for quarters 1, 2, and 3 shall not exceed 90% of the overall amount authorized by their Agreement.

The Division places caps on these funds because of budget authority issues we may experience during the year so that it does not affect our ability to continue to pay.

Should you have any questions, or concerns please contact me at (850) 815-4314.

Thanks,
Donna
