

List of Prime Consultant and Subconsultants for Building Projects and Utilities and Pavement Projects

The previously awarded prime consultants and subconsultants for below agreements are prohibited from participating in RFP No. PNC2115981P1 for Airport studies, evaluations and assessments for Broward County's Fort Lauderdale-Hollywood International and North Perry Airports. This instruction was included in each of the previously advertised RFPs. Since the resulting reports and studies from this RFP may result in design projects, prohibiting vendors from being on a design agreement and on a reports/studies agreement avoids any appearance of conflict of interest.
