Planning Council staff finds that the proposed amendment is generally consistent with the policies of the BrowardNext - Broward County Land Use Plan. Therefore, it is recommended that the proposed amendment be approved, recognizing the information provided by the City regarding the three (3) acres per 1,000 permanent residents community parks acreage requirement and documentation of the City's actions related to additional public outreach. SECTION II
AMENDMENT REPORT
PROPOSED AMENDMENT PCT 18-2

INTRODUCTORY INFORMATION/PLANNING ANALYSIS

The City of West Park is proposing an expansion of the existing West Park State Road 7/U.S. 441 Activity Center land use designation for 323.7 acres of land located within the City. This proposed text amendment corresponds to Broward County Land Use Plan (BCLUP) proposed map amendment PC 18-3. The proposed Activity Center is generally bound on the north by Pembroke Road, on the west by State Road 7/U.S. 441 and on the south by the Broward/Miami-Dade County Line. It is noted that the current West Park State Road 7/U.S. 441 Activity Center is approximately 90.6 acres.

The list of uses permitted within the proposed West Park State Road 7/U.S. 441 Activity Center is included in Attachment 1.

As indicated by the analysis provided in the corresponding Broward County Land Use Plan map amendment PC 18-3, Planning Council staff finds the proposal will expand the area and continue to encourage mixed-use development and opportunities within the City of West Park.
