Traditional Values > Innovative Thinking
Attorneys at Law Since 1943

Intellectual property has steadily gained importance in today's competitive and evolving business landscape. Fowler White recognizes that intellectual property is now among a company's most valuable asset and as such, presents numerous business challenges.

We partner with clients to develop and implement the strategies required to protect their innovations, creative works and brands throughout the U.S. and around the world. Our attorneys have experience managing, protecting and leveraging intellectual property in order to maximize our clients' revenue and help them achieve business objectives.

The members of our Intellectual Property Group combine broad business and litigation capabilities with technical skill and experience in the intellectual property arena. We represent corporate clients across a broad range of industries, from multinational companies to start-up ventures, as well as owners of creative works and individual entrepreneurs.

Joseph Englander is a Shareholder in the Miami office of the firm's [Intellectual Property Practice Group](http://fowler-white.com/Practices/IntellectualProperty) (<http://fowler-white.com/Practices/IntellectualProperty>).

Practice Focus

Joseph handles a broad range of intellectual property matters, including the prosecution of United States and international patents, trademarks and copyrights, the negotiation and enforcement of intellectual property transactions and licensing agreements and the representation of corporations and individuals in intellectual property disputes and related corporate matters. Joe is experienced in trials before the Trademark Trial and Appeal Board and the Patent Trial and Appeal Board.

Additionally, Joseph manages domain name arbitration's and performs due diligence for acquisitions of corporations and intellectual property portfolios. He prepares clients' worldwide intellectual property protection strategies and drafts and enforces client software agreements.

Joseph's intellectual property experience has allowed him to conduct intellectual property seminars and advise art fair and museum clients regarding international copyright and trademark issues. Joseph also handles related Customs, Trade Secret, FDA and Food and Beverage Law issues for his clients.
