SUBJECT: No CBE Goal for Central Broward Regional Park Stadium Soccer Programming Partner

The Parks and Recreation Division is seeking interested soccer organizations and firms to submit their proposals for a soccer concession and use relationship at Central Broward Regional Park.

Per the project manager, this is a revenue generating project and Broward County funds will not be used. In accordance with the Broward County Business Opportunity Act of 2012, Section 1-81.1(a)(1), the County Business Enterprise (CBE) Program applies to contracts that are County funded: therefore, a CBE goal cannot be established on this project.

The Office of Economic and Small Business Development (OESBD) strongly encourages the proposers to give full consideration to small business subcontractors to perform services under the contract. They are encouraged to present their small business opportunities during the solicitation process with the Purchasing Division.

This contract is not subject to the Broward County Workforce Investment Program.
