ARTICLE 1
SCOPE OF SERVICES

- 1.1 TOWN shall perform all services identified in this Agreement in accordance with the Grant Program Guidelines attached hereto as Exhibit "A," the Grant Project Description and schedule (hereinafter referred to as "Project") attached hereto as Exhibit "B," Grant Project Cost/Budget attached hereto as Exhibit "C," and evidence of Project site ownership or lease attached hereto as Exhibit "D." The parties agree that the Project Description is a description of TOWN's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipments, and tasks, which are such an inseparable part of the work described, that exclusion would render performance by TOWN impractical, illogical, or unconscionable.
- 1.2 The COUNTY's Grant Program Administrator may approve changes to the Scope of Services, Project description, unit of services, and changes within the categories of expenditures listed in Exhibits "A," "B," "C," provided that the total grant dollars awarded to TOWN remains unchanged. The COUNTY's Grant Program Administrator may also approve changes to the Project Description if the revisions are consistent with the grant application and the Grant Program guidelines, and the revisions do not diminish the quantity or quality of services to be provided.
- 1.3 For Projects where the site was not acquired utilizing 2000 Broward County Safe Parks and Land Preservation Bond funds, TOWN agrees to execute a Declaration of Restrictive Covenants, in a form acceptable to the County Attorney's Office, ensuring that the Project, when completed, shall be utilized for public recreational purposes for a minimum of twenty-five (25) years. The Declaration shall be recorded in the Official Records for Broward County, Florida, pursuant to Section 28.222, Florida Statutes. TOWN further agrees to return to COUNTY all funds tendered for the Project in the event the Project becomes utilized during this period for other than the public recreational purposes of the Project.

ARTICLE 2
TERM AND TIME OF PERFORMANCE

- 2.1 The term of this Agreement shall begin on the date Agreement is fully executed by both parties and shall end one (1) year after. TOWN may request an extension of up to eighteen (18) months for completion of the Project, subject to approval by COUNTY Administrator. Any extension request shall be in writing and delivered to the Grant Program Administrator at least sixty (60) days prior to the end of the original term.
- 2.2 TOWN agrees that it will comply with the construction time table included in Exhibit "B," attached hereto, excepting bona fide force majeure delays.

ARTICLE 3
COMPENSATION

- 3.1 COUNTY agrees to pay TOWN, in the manner specified in Section 3.3, the total amount of (not to exceed) **Seventy Five Thousand dollars (\$75,000.00)** for Project pursuant to this Agreement. It is acknowledged and agreed by TOWN that this amount is the maximum payable and constitutes a limitation upon COUNTY's obligation to compensate TOWN for services and expenses related to this Agreement. This maximum amount, however, does not constitute a limitation, of any sort, upon TOWN's obligation to perform all items of work required by or which can be reasonably inferred for the Project from the Grant Project Description.
- 3.2 The Grant Program Administrator is responsible for ensuring performance of the terms and conditions of this Agreement and shall approve all requests from TOWN for payment prior to payment. TOWN shall furnish to the Grant Program Administrator a copy of the Project's construction contract(s) at least thirty (30) days prior to any reimbursement from the COUNTY.
- 3.3 METHOD OF BILLING AND PAYMENT
- 3.3.1 Upon completion of the Project and approval by the COUNTY, TOWN may submit an invoice(s) for reimbursement in the funding amount set forth herein. The invoice should be received by the Grant Program Administrator's office no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and the expenses incurred.
- 3.3.2 Documentation as required in Exhibit "A" must accompany any request for payment. Invoices shall be certified by TOWN's authorized official.
- 3.3.3 COUNTY shall pay TOWN within thirty (30) calendar days of receipt of TOWN's proper invoice, as required by the "Broward County Prompt Payment Ordinance" (Broward County Ordinance No. 89-49, as may be amended from time to time). To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by COUNTY. Payment may be withheld for failure of TOWN to comply with a term, condition, or requirement of this Agreement.
- 3.4 Notwithstanding any provision of this Agreement to the contrary, COUNTY may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Grant Program Administrator. The amount withheld shall not be subject to payment of interest by COUNTY.

3.5 If it becomes necessary for COUNTY to demand a refund of any or all funds paid to TOWN pursuant to this Agreement, TOWN agrees to remit said funds to COUNTY within sixty (60) days after notification. If not returned within sixty-(60) days, TOWN agrees that any further TOWN requests for funding, as to this or any other program under COUNTY's administration, may be denied until the funds have been returned.

3.6 Payment shall be made to TOWN at:

Mayor
Town of Davie
6591 Orange Drive
Davie, FL 33314

ARTICLE 4
LIABILITY

TOWN is a municipal corporation existing under the laws of the state of Florida, as defined in Section 768.28, Florida Statutes, and is fully responsible for acts and omissions of its agents, contractors, or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by a state agency or political subdivision of the state of Florida to be sued by third parties, in any matter, arising out of this Agreement or any other contract.

ARTICLE 5
INSURANCE

TOWN is a municipal corporation existing under the laws of the state of Florida, as defined by Section 768.28, Florida Statutes, as amended, and TOWN shall furnish the Grant Program Administrator with written verification of liability protection, in accordance with state law prior to final execution of this Agreement.

ARTICLE 6
TERMINATION

6.1 This Agreement may be terminated for cause by action of the Board or by TOWN upon thirty (30) days written notice by the party that elected to terminate, or for convenience by action of the Board upon, not less than, ten (10) days written notice by the Grant Program Administrator. Grant Program Administrator may terminate this Agreement upon such notice, as the Grant Program Administrator deems appropriate under the circumstances, in the event the Grant Program Administrator determines that termination is necessary to protect the public health, safety, or welfare.

6.2 Notices shall be provided in accordance with "NOTICES" section of this Agreement (Section 8.6); except that notice of termination deemed by the Grant Program Administrator necessary to protect the public health, safety, or welfare may be

verbal and promptly confirmed in writing in accordance with the "NOTICES" section of this Agreement.

- 6.3 In the event this Agreement is terminated for convenience, TOWN shall be paid for any services performed to the date this Agreement is terminated; however, upon being notified of COUNTY's election to terminate, TOWN shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. TOWN acknowledges and agrees that Ten Dollars (\$10.00) of the compensation to be paid by COUNTY, the adequacy of which is hereby acknowledged by TOWN, is given as specific consideration for COUNTY's right to terminate this Agreement for convenience.
- 6.4 COUNTY shall have the right to terminate this Agreement and demand refund of Program funds provided to TOWN for noncompliance with the terms and conditions of the Program guidelines. Failure to comply with these terms and conditions shall result in COUNTY declaring TOWN ineligible for further participation in the Program until such time as TOWN complies therewith.
- 6.5 In the event this Agreement is terminated, any compensation payable by COUNTY shall be withheld until all documents are provided to COUNTY pursuant to Section 8.1.

ARTICLE 7 FINANCIAL STATEMENTS

- 7.1 TOWN hereby gives COUNTY, through any authorized representative, access to, and the right to, examine all records, books, papers, or documents relating to the Project.
- 7.2 TOWN hereby agrees to maintain books and records in accordance with Generally Accepted Accounting Principles and properly reflect all expenditures of funds provided by COUNTY under this Agreement.
- 7.3 TOWN agrees and understands that all funding authorized under this Agreement shall be used only for eligible activities specifically outlined in this Agreement. TOWN agrees to reimburse COUNTY any and all funds not used in strict compliance with this Agreement.
- 7.4 Within thirty (30) days of receipt by TOWN, TOWN shall provide to COUNTY on an annual basis the Single Audit Report prepared by an independent certified public accountant showing that there are sufficient and acceptable internal controls over the administration of the TOWN's grants. The Single Audit Report will encompass the controls over grants in general without reference to any specific grant award.
- 7.5 Failure of TOWN to meet these financial reporting requirements shall result in suspension of payment under this Agreement, or any subsequent grant agreement

in effect, and disqualify TOWN from obtaining future grant awards until such financial statements are received and accepted by COUNTY.

- 7.6 TOWN is required to, and hereby agrees to, account for any program income related to Project financed in whole or part with Grant Program Funds.

ARTICLE 8 MISCELLANEOUS

8.1 OWNERSHIP OF DOCUMENTS

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of COUNTY. In the event of termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by TOWN, whether finished or unfinished, shall become the property of COUNTY, and shall be delivered by TOWN to the Grant Program Administrator within seven (7) days of termination of this Agreement by either party. Any compensation due to TOWN shall be withheld until all documents are received as provided herein.

8.2 AUDIT RIGHT AND RETENTION OF RECORDS

If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by COUNTY to be applicable to TOWN's records, TOWN shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by TOWN. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for COUNTY's disallowance and recovery of any payment upon such entry.

8.3 NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND AMERICANS WITH DISABILITIES ACT

TOWN shall not unlawfully discriminate against any person in its operations and activities in its use or expenditure of the funds or any portion of the funds provided by this Agreement and shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded in whole or in part by COUNTY, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards.

In addition, TOWN shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

TOWN shall take affirmative action to ensure that applicants are employed and employees are treated without regard to race, age, religion, color, gender, sexual orientation (Broward County Code, Chapter 16½), national origin, marital status, political affiliation, or physical or mental disability during employment. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

TOWN shall not engage in or commit any discriminatory practice in violation of the Broward County Human Rights Act (Broward County Code, Chapter 16½) in performing the Scope of Services or any part of the Scope of Services of this Agreement.

8.4 INDEPENDENT CONTRACTOR

PROGRAM GUIDELINES—PARKS FOR PEOPLE

Qualified Applicants

Municipalities that own Green Space and Open Space sites acquired through the 2000 Bond Program with development funding already allocated in the municipality's 5-year Capital Improvement Program which are interested in incorporating "green component" standards as described in this application package.

Funding Requirement

Except as provided in this section, funds from this grant may only be applied to the actual costs incurred in "green components" used in the site development. No part of this grant funding shall be used for project management, administration or overhead costs. The grant funding may not be used to cover costs associated with the preparation, submission or presentation of the funding application.

Project Match Requirement

This is a supplemental grant award given to municipalities that incorporate "green components" in the development of bond acquired sites. The applicant's cost share is the amount allocated in the 5-year Capital Improvement Plan for the project site equivalent to the applicant's requested amount.

Minimum Criteria

Applicant must fulfill all minimum criteria to be considered for grant award. Please fill in as appropriate:

1. The grant applicant project site has been acquired through the 2000 Safe Parks and Land Preservation Bond Program;
2. The Final Management Plan for the site has been approved by the Land Preservation and Acquisition Advisory Board (LPAAB) or Board of County Commissioners pursuant to Resolution 2000-1230;
3. Funds for the development of the project site are presently in the municipality's 5 year Capital Improvement Program pursuant to the approved resolution that was recorded along with the interlocal agreement;
4. The site has not yet been developed; or if the site has been developed, proposed amenities are "green" additions to those already in the approved management plan;
5. Funding for site development has not already been provided by the Land Preservation Program through another funding source (Conservation Land Ecological Restoration Plan funds, FCT reimbursement through Challenge Grant, previous Land Stewardship Program Grant). Preference will be given to those project sites that have not received any other funding source

Green Components Criteria

The Land Stewardship Program defines "green components" as products and/or technologies used in site development for public service that reduce the environmental burden associated with traditional technologies, materials or fixtures. For example: the environmental burden associated with improper landscape irrigation systems. Furthermore, "green components" are economically viable products and/or technologies that adhere to County and State regulations; are actively pursued throughout all site development; and are becoming integral in the municipality's building development practices. "Green components" can include: (1) environmentally beneficial landscaping practices; (2) sound irrigation technologies and practices; (3) environmentally friendly and sustainable site development practices, recycled and wood certified materials, etc; (4) energy efficient fixtures; and (5) Interpretation.

In a brief narrative, please explain which "green components" your project site utilized and support the choices with a qualitative analysis on cost reductions, consumption costs, energy savings, etc.

The following is an ample description of "green components" criteria (in bold) supported by the Land Stewardship Program. These examples do not preclude you from presenting additional practices that can qualify as "green components," as defined by the Land Stewardship Program.

Right Plant Right Place

Drought tolerant trees and shrubs
Drought tolerant grass or groundcover for open play areas
Plants grouped according to water needs in zones
Plant species which do not require frequent pruning (reduced yard waste)
Florida friendly plants for wildlife (*i.e.*, for butterflies, birds, beneficial insects, native wildlife)
Plants with greatest water needs closer to buildings for shade and rainfall runoff

Mulch Utilization

Mulch for groundcovers replaces grass in difficult to reach areas such as narrow strips between beds or in very shady spots
Recycled mulch or by-product alternatives (Melaleuca, leaves, pine needles or bark, no cypress mulch)
2" to 3" of mulch over the roots of trees, shrubs and plant beds

Sound Irrigation Standards

High volume and low volume irrigation systems are soundly designed and operate according to plant zones and water restrictions
Automatic rain shut-off devices or smart irrigation technologies installed on sprinkler systems abide to State, County Law and possible water restrictions
Water reduction of 50% or more compared to present water utilization

Reduced Stormwater Runoff

Downspouts and gutters directed to drain into the lawn and planting beds
Swales in low areas to collect and filter rainwater
Gravel, paver, crushed shell, mulch or other pervious surfaces proposes for trails

Protecting the Waterfront

Fertilizer and pesticide free area along the shoreline (if present) of at least 10 feet
Buffer zone of low-maintenance plants between lawn and shoreline to absorb nutrients and provide habitat for wildlife
Planting of native aquatic vegetation behind a seawall (if present)

Water Savings

Low-flow or reduced flow plumbing for toilets, faucets, fountains
Flush-less urinals

Material Selection

Recycled products for picnic tables, benches, trash bins, playgrounds, restrooms partitions
Low or no VOC (volatile organic compound) paints, finishes and/or adhesives
Forest certified products if wood will be utilized
Pervious concrete, self-cleaning and environmental-clean concrete
No more that 10% impervious surface

Energy Efficiency

Energy efficient lighting
