**FROM:** Norman Foster, Director  
Office of Management and Budget

A handwritten signature in black ink, appearing to read "N. Foster".

**SUBJECT:** Fiscal Impact Statement Re: Proposed Ordinance Amending Chapter 22 ½ of the Broward County Code of Ordinances, Relating to Regulations to Motor Carriers

**Summary**

The proposal amends Chapter 22 ½ of the Broward County Code of Ordinances. The purpose of this code is to regulate for-hire ground transportation services in Broward County. The amendment would remove regulatory language of Transportation Network Companies and provide for additional time to redeem placeholder tickets for Wheelchair Accessible Vehicles. Amendments to this ordinance would eliminate the requirement for the Commission to hold public hearings to issue new certificates and accompanying permits, and would eliminate regulations related to chauffeur's registration, as well as require vehicles older than ten years to be inspected semiannually.

**Fiscal Impact**

There is no fiscal impact to Broward County related to enforcement of this ordinance.
