Dear Mr. Martinez,

The Broward County E.F.S.P. Board met on April 18, 2018 for Phase 35 Allocations and we would like to inform you that your agency was awarded funds for Phase 35 of the Emergency Food and Shelter Program.

Your agency award:

HOTEL/MOTEL \$16,141 & RENT/MORTGAGE \$85,000

The National EFSP office issues payments only through direct deposit. LRO's are required to notify the National Board in writing of any changes in their bank account for EFT purposes. This includes changes such as the closure of bank accounts, opening new bank accounts, and mergers of financial institutions. The EFT authorization form must be used for initial sign-ups **and any changes**. This form may be printed from the web site (www.efsp.unitedway.org).

All monthly agency reports are **due on the 15th** of the following month. Please send by mail (WE WILL NOT ACCEPT EMAIL) or hand deliver the report to Gateway Community Outreach, c/o Carol A. Ray, 291 SE 1st Terrace, Deerfield Beach, FL 33441. **Late reports will affect and can change the amount of your second allocation or any future funding from this source.**

The Mandatory Training for E.F.S.P. Phase 35 date and location TBA by email.

****The local Broward County Board decided that the funding is contingent upon applying EFSP guidelines and criteria in reference to eligibility. All individuals with a need are eligible for EFSP funding; the only exception is that they could not have been serviced within the last 12 previous months. ****

Again, congratulations on your award and thanks for the service you provide to the many residents of Broward County.

Sincerely,

Carol A. Ray
Chairman, Broward County EFSP
