Attn: Honorable Beam Furr, Mayor

Re: Request for Appropriation – Law Enforcement Trust Fund (LETF)
Ballistic Helmets

Dear Mayor Furr and Board Members:

Request is hereby made for the following described appropriation from the Law Enforcement Trust Fund (LETF).

۱.	AMOUNT REQUESTED: \$_554	1,350.00
11.	LETF ACCOUNTState/	Local Federal/Justice
III.	AMOUNT & TYPE: \$_554,350.00) Federal/Treasury
IV.	USER: XBSO	Other
V.	STATUTORY PURPOSE:	
	Crime prevention	Drug abuse education/prevention
	Grant matching funds	X Other law enforcement purpose
	Safe neighborhood	School resource officer

VI. SUMMARY DESCRIPTION:

The Broward Sheriff's Office supports this LETF request for Ballistic Helmets. Ballistic helmets would be used to provide additional ballistic head protection for Broward Sheriff's Deputies tasked with performing law enforcement duties and other related functions in Broward County. Success of this program can be measured via the preservation of life of the Broward Sheriff's Deputies outfitted with the ballistic helmets.

VII.	EXHIBITS ATTACHED:	X	Budget	X	Correspondence

TO:

Director Heather Mitchell

Finance Division

Department of Administration

FROM:

Major Oscar Llerena

Regional Services

Department of Law Enforcement

SUBJECT: LETF Funding Request – Ballistic Helmets

REMARKS:

Please find attached a request in accordance with FS 932.7055 for the procurement of ballistic (bullet-resistant) helmets for all DLE deputy sheriffs, utilizing LETF funding.

BSO does not currently provide a general issue ballistic helmet to all deputy sheriffs. These ballistic helmets are becoming industry standard for all law enforcement officers. The Miami-Dade Police Department, New York City Police Department, and Charlotte-Mecklenburg Police Department are examples of large law enforcement agencies that have issued ballistic helmets to all officers within the past few years.

Comprehensive data on how law enforcement officers are feloniously killed is compiled by the FBI's Criminal Justice Information Services (CJIS) Division and published each fall in a report titled "Law Enforcement Officers Killed and Assaulted" (LEOKA). The report's details on feloniously killed officers includes how the officer was killed and the location of the fatal wound as reported by the officer's agency.

One thing is clear from the LEOKA reports; each year the majority of officers feloniously killed are shot. Another thing that can be established from the data is that a significant number of murdered officers are killed by shots to the head. About a third of all officers fatally shot each year are felled by head shots. Ballistic helmets are designed to mitigate and reduce injury or death as a result of a shot or other trauma to the head.

ACCOUNTING

LETF Funding Request – Ballistic Helmets April 9, 2018

These ballistic helmets will be utilized when responding to critical or terrorist incidents that involve a reasonable likelihood of armed suspects, in the same manner that deputies utilize high threat level body armor.

Additionally, these ballistic helmets have the ability to install an optional face shield, which may further protect the deputy's face and eyes from shrapnel and other debris.

Total expenditures for this initiative are projected at \$554,350.

This is calculated on a basis of a \$331 per unit cost for the helmets, multiplied by a total of 1,600 helmets that we expect to procure. This will allow us to issue ballistic helmets to all DLE deputies, and have a suitable number of ballistic helmets held in reserve as replacements for damaged helmets.

Additionally, the face shields are calculated at \$55 per unit, multiplied by a total of 450 face shields that we expect to procure. Face shields will be issued to deputy sheriffs who need the additional face and eye protection based on specific job assignment.

The selected helmet is the Safariland Delta 4 w/R25 Suspension System, item number PTA-DELTA-4-R-25. This helmet is rated at Level IIIA under National Institute of Justice (NIJ) Standard 0101.06.

The selected face shield is the Safariland 792NB, item number PTA-FACESHIELD-702NB. This face shield is rated as complying with National Institute of Justice (NIJ) Standard 0104.02.

This equipment was assessed and selected in accordance with protocols established through the US Office of the Attorney General's Interagency Board publication, "United States Criminal Justice Officer Needs and Requirements for Protective Helmets".

Per unit pricing has been determined in accordance with the State of Florida Alternate Contract Source, National Association of State Procurement Officers (NASPO) 46151504-NASPO-17-ACS.

BSO Office of General Counsel has determined that the purchase of ballistic helmets utilizing federal LETF funds is allowable under state statute.

cc: Col. J. Polan

AMENDMENT NO.: 1 Contract Renewal

PARTICIPATING ADDENDUM

NASPO ValuePoint Cooperative Procurement Program
Body Armor Products MASTER AGREEMENT
Master Agreement No: 2016-178

Safariland, LLC

And The State of Florida

Alternate Contract Source No. 46151504-NASPO-17-ACS

This Amendment ("Amendment"), effective as of March 17, 2018, to the Body Armor Products Contract No. 46151504-NASPO-17-ACS ("Contract" or "ACS"), between the State of Florida, Department of Management Services ("Department") and Safariland, LLC ("Contractor") are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the ACS unless otherwise defined herein.

WHEREAS, on January 30, 2017, the Department entered into an ACS with Safariland, LLC for the provision of Body Armor Products; and,

WHEREAS, the Parties agreed that the ACS may be amended by mutual agreement as provided in section 42 ("Modification of Terms") of the General Contract Conditions incorporated into the ACS; and,

WHEREAS, the Parties agree to renew the ACS, pursuant to section 26 ("Renewal") of the General Contract Conditions incorporated into the ACS; and,

THEREFORE, In consideration of the mutual promises contained below, and other good and valuable consideration, receipt, and sufficiency of which are hereby acknowledged, the Parties agree to the following:

- I. Contract Amendment. The ACS is amended to replace the General Contract Conditions of the PUR 1000 in its entirety with the Special Contract Conditions attached to this Amendment. Any and all references in the ACS to terms and conditions of the PUR 1000 are hereby replaced with the corresponding terms and conditions as written in the attached Special Contract Conditions, which is incorporated into the ACS by reference herein.
- II. Contract Renewal. Pursuant to section 2.2 ("Renewal") of the Special Contract Conditions, the ACS is hereby renewed for a period of one (1) year, with a new contract expiration date of March 17, 2019, under the same terms and conditions, except as amended herein.
- III. Conflict. To the extent any of the terms of this Amendment conflict with the terms of the ACS, the terms of this Amendment shall control.
- IV. Warrant of Authority. Each person signing this Amendment warrants that he or she is duly authorized to do so and to bind the respective party.

Test Standard(s) NIJ Standard 0104.02 - Riot Helmets and Face Shields

Description Impact and splash resistant riot face shield

Sizes / Part ID(s) One Size – 1177940

Total Weight (approx.) 1.5 lbs. (0.6 kg)

Design - Lens

Material(s) Polycarbonate, Hardened and Scratch Resistant

Thinness (approx.) 0.158" (0.4 cm / 4 mm)

Length / Width (Overall) (approx) 6,9" L / 16" W (Arc) (17.5 cm / 41cm)

Length / Width (Viewing Area) (approx.) 5.7" L / 11.1" W (Edge-to-Edge) (14.5 cm / 28.2 cm)

Coverage (approx.) 110 in.² (72 cm²)

Curvature Single

■ Molded 1" (0 4 cm) "Brim"

 Allows for extra clearance when worn with various gas masks

 Channels liquid back and away from vertical portion of lens and away from field of vision

 Meets NIJ Standard requirements for peripheral visual clearance and light transmission

Design - Band

Features

Material(s) Polyamide

Width (approx.) 2" (5 1 cm)

- Ballistic helmet compatibility:

 o Delta 4™ Series Standard Cut
 - o PASGT Series Standard Cut
 - Dual liquid barrier:
 - o Helmet shell / band interface
 - Rubber seal provides a liquid barrier at the helmet band / shield interface
 - Locking mechanism:
 - o Interchangeable right or left side
 - Locks 1" (0.4 cm) aluminum band in stowed or deployed positions
 - o One-hand release
 - Slide ratchet securing system:

 o Quickly and securely attaches band tightly to helmet
 - o Single finger release lever
 - Helmet shell dual retention hooks
 - o Situated on both sides of the band, hook to the helmet shell at the base of the shell's ear mold
 - Keeps face shield from being jarred loose up off helmet
