Dear Boomerangs Thrift Store Staff,

On behalf of Broward County Animal Care and Adoption Division, I would like to express our sincere gratitude to everyone at Boomerangs Thrift Store. As you can imagine, there are many pets that only need some additional time and care. Our foster program helps interested residents by providing basic care supplies. It is encouraging to know that we have the support of individuals who also care deeply for the animals in our community. Your donation will be used to directly support pets needing foster care.

While we continue to celebrate the ongoing success of reducing the number of homeless pets, providing care for the sick and injured, as well as protecting animals against abuse, there is still much to do. Working as a community devoted to collective efforts, we can undoubtedly make our community a safe haven for pets and save lives.

Sincerely,
