RE: Donation of Medical/Clinic Equipment

Good Afternoon Lauralei,

First and foremost, thank you for pursuing and congratulations on your position as Director of Animal Care. Friends supports you in our shared vision toward achieving and maintaining No Kill in Broward County.

To that end, we're very excited to donate the attached list of medical/clinic equipment to Broward County Animal Care, as a key component to achieving No Kill in Broward County. Treating the sick, injured and medically needy animals that find their way to our shelter has been a critical missing link, and we look forward to amazing results in life saving with these tools in your capable hands.

We're proud to be a community partner funding this game-changing component at our shelter!

Sincerely,

Roz Harris  
Founder
