Dear Ms. Harris;

On behalf of Broward County Animal Care and Adoption Division, I would like to express our sincere gratitude to you, and Friends of Broward County Animal Care and Adoption, for the generous donation of vital medical equipment. As a result, our veterinarians and clinic staff will be better able to diagnose and treat the animals that come to our shelter. It is encouraging to know that we have the support of individuals and organizations who also care deeply for the animals in our community.

While we continue to celebrate the ongoing success of reducing the number of homeless pets, providing care for the sick and injured, as well as protecting animals against abuse, there is still much to do. Working as a community devoted to collective efforts, we can undoubtedly make our community a safe haven for pets and save lives.

Sincerely,
